10 effective date; and to declare an emergency.

**11 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

12 **SECTION 1.** A new section to chapter 57-02 of the North Dakota Century Code is  
13 created and enacted as follows:

14 **Property tax credit for disabled veterans - Certification - Distribution.**

15 1. A disabled veteran of the United States armed forces with an armed forces  
16 service-connected disability of fifty percent or greater, who was discharged under  
17 honorable conditions or who has been retired from the armed forces of the United  
18 States, or the unremarried surviving spouse if the disabled veteran is deceased, is  
19 eligible for a credit applied against the first one hundred twenty thousand dollars of  
20 true and full valuation of the fixtures, buildings, and improvements of the person's  
21 homestead equal to the percentage of the disabled veteran's disability  
22 compensation rating for service-connected disabilities as certified by the  
23 department of veterans affairs for the purpose of applying for a property tax  
24 exemption.

- 1           2. If two disabled veterans are married to each other and living together, their  
2           combined credits may not exceed one hundred percent of one hundred twenty  
3           thousand dollars of true and full value of the fixtures, buildings, and improvements  
4           of the homestead. If a disabled veteran co-owns the homestead property with  
5           someone other than the disabled veteran's spouse, the credit is limited to that  
6           disabled veteran's interest in the fixtures, buildings, and improvements of the  
7           homestead, to a maximum amount calculated by multiplying one hundred twenty  
8           thousand dollars of true and full valuation by the disabled veteran's percentage of  
9           interest in the homestead property and multiplying the result by the applicant's  
10           certified disability percentage.
- 11           3. A disabled veteran or unremarried surviving spouse claiming a credit under this  
12           section for the first time shall file with the county auditor an affidavit showing the  
13           facts herein required, a description of the property, and a certificate from the  
14           United States department of veterans affairs, or its successor, certifying to the  
15           amount of the disability. The affidavit and certificate must be open for public  
16           inspection. A person shall thereafter furnish to the assessor or other assessment  
17           officials, when requested to do so, any information which is believed will support  
18           the claim for credit for any subsequent year.
- 19           4. For purposes of this section, and except as otherwise provided in this section,  
20           "homestead" has the meaning provided in section 47-18-01 except that it also  
21           applies to a person who otherwise qualifies under the provisions of this section  
22           whether the person is the head of the family.
- 23           5. This section does not reduce the liability of a person for special assessments  
24           levied upon property.
- 25           6. The board of county commissioners may cancel the portion of unpaid taxes that  
26           represents the credit calculated in accordance with this section for any year in  
27           which the qualifying owner has held title to the homestead property. Cancellation  
28           of taxes for any year before enactment of this section must be based on the law  
29           that was in effect for that tax year.
- 30           7. Before the first of March of each year, the county auditor of each county shall  
31           certify to the tax commissioner on forms prescribed by the tax commissioner the

1           name and address of each person for whom the property tax credit for homesteads  
2           of disabled veterans was allowed for the preceding year, the amount of credit  
3           allowed, the total of the tax mill rates of all taxing districts, exclusive of any state  
4           mill rates, that was applied to other real estate in the taxing districts for the  
5           preceding year, and such other information as may be prescribed by the tax  
6           commissioner.

7           8. The tax commissioner shall audit the certifications, make any corrections that may  
8           be required, and certify to the state treasurer for payment to each county on or  
9           before the first of June of each year, the sum of the amounts computed by  
10           multiplying the credit allowed for each homestead of a disabled veteran in the  
11           county by the total of the tax mill rates, exclusive of any state mill rates that were  
12           applied to other real estate in the taxing districts for the preceding year.

13           9. The county treasurer upon receipt of the payment from the state treasurer shall  
14           apportion and distribute the payment without delay to the county and to the local  
15           taxing districts of the county on the basis on which the general real estate tax for  
16           the preceding year is apportioned and distributed.

17           10. On or before the first day of June of each year, the tax commissioner shall certify  
18           to the state treasurer the amount computed by multiplying the property tax credit  
19           allowed under this section for homesteads of disabled veterans in the state for the  
20           preceding year by one mill for deposit in the state medical center fund.

21           11. Supplemental certifications by the county auditor and by the tax commissioner and  
22           supplemental payments by the state treasurer may be made after the dates  
23           prescribed in this section to make such corrections as may be necessary because  
24           of errors or because of approval of an application for abatement filed by a person  
25           because the credit provided for the homestead of a disabled veteran was not  
26           allowed in whole or in part.

27           **SECTION 2. AMENDMENT.** Subsection 20 of section 57-02-08 of the North Dakota  
28 Century Code is amended and reenacted as follows:

29           20. Fixtures, buildings, and improvements up to the amount of valuation specified,  
30           when owned and occupied as a homestead, as hereinafter defined, by any of the  
31           following persons:

- 1 a. A paraplegic disabled veteran of the United States armed forces or any  
2 veteran who has been awarded specially adapted housing by the ~~veterans'~~

17 totally disabled person owns the homestead or if it is jointly owned by them,  
18 the same reduction in assessed valuation applies as long as both reside  
19 thereon. The provisions of this subdivision do not reduce the liability for  
20 special assessments levied upon the homestead. The phrase "permanently  
21 confined to use of a wheelchair" means that the person cannot walk with the  
22 assistance of crutches or any other device and will never be able to do so and  
23 that a physician selected by the local governing board has so certified.
- 24 Any person claiming an exemption under this subsection for the first time  
25 shall file with the county auditor an affidavit showing the facts herein required and  
26 a description of the property ~~and, in addition, a disabled veteran claiming~~

28 ~~United States veterans' administration, or its successors, certifying to the amount~~  
29 ~~of the disability. The affidavit and certificate must be open for public inspection.~~  
30 ~~After the initial filing of a claim for exemption under this subsection, the exemption~~  
31 ~~is automatically renewed each following year but the veteran or veteran's~~

2           ~~longer claims it as a primary place of residence or if the veteran dies or receives a~~  
3           ~~change in the percentage of the certified rated service connected disability. A~~  
4           ~~person thereafter shall furnish to the assessor or other assessment officials when~~  
5           ~~requested to do so any information that is believed will support the claim for~~  
6           ~~exemption for a subsequent year.~~

7           For purposes of this subsection, and except as otherwise provided in this  
8           subsection, "homestead" has the meaning provided in section 47-18-01 except  
9           that it also applies to any person who otherwise qualifies under the provisions of  
10          this subsection whether or not the person is the head of a family. The board of  
11          county commissioners is hereby authorized to cancel the unpaid taxes for any year  
12          in which the ~~veteran~~ qualifying owner has held title to the exempt property.

13           ~~This subsection does not apply within a county in which a resolution approved~~  
14           ~~by the board of county commissioners is in effect disallowing the exemption under~~  
15           ~~this subsection for the taxable year.~~

16           **SECTION 3. AMENDMENT.** Subdivision c of subsection 1 of section 57-55-10 of the
