Executive Budget Highlights

	General Fund	Other Funds	Total
Departmentwide			
 Reflects the additional state matching funds required due to changes in the state's federal medical assistance percentage (FMAP). The FMAP determines the federal and state share of Medicaid, foster care, and other program expenditures. North Dakota's FMAP is decreasing from 60.35 percent in federal fiscal year 2011 to 55.40 percent in federal fiscal year 2012. The department anticipates North Dakota's FMAP to remain at 55.40 percent for federal fiscal year 2013. These changes are also reflected in selected program amounts below. 	\$104,887,387	(\$104,904,779)	(\$17,392)
2. Replaces federal fiscal stimulus funding relating to FMAP and child support enforcement appropriated for the 2009-11 biennium with funding from the general fund and removes other federal fiscal stimulus funding provided in the 2009-11 biennium. These changes are also reflected in selected program amounts below.	\$69,307,001	(\$99,095,205)	(\$29,788,204)

3. Provides 3 2 percent per year inflationary increase for human service providers. The 2009-11 beanium for rebeased services (hospitals, physicians, chiropractors, and ambulances) and denitsts and a 6 percent per year inflationary increase for the second year of the 2009-11 beanium for rebeased services (hospitals, physicians, chiropractors, and ambulances) and denitsts and a 6 percent per year inflationary increase for providers of the topolities, of vibrasitian denity and the services. \$25,516,808 \$28,757,382 \$54,274,190 2009-11 beanium for the general fund. These changes are also reflected in selected program amounts below. \$6,500,000 \$30 5. Changes the funding source for breast and cervices and fund. These changes are also reflected in selected program amounts below. \$790,015 \$790,015 \$00 6. Changes the funding source for threads and cervices and fund. These changes are also reflected in selected program amounts below. \$4,124,506 \$4,124,506 \$0 7. Removes funding from the general fund to medical services and the program fund appropriations for the 2009-11 biennum and utilize unsepended funds in the 2011-13 biennum. \$186,370 \$30,50,604 \$491,464 8. Reduces funding for partice and usage services are requested by the department in the hole-would budget request as requested by the department in the hole-would budget request as requested by the department in the hole-would budget request as requested by the department in the hole-would budget request as requested by the department in the hole-would budget request as requested by the department in the hole-would requested fund in antipation of axing resulting f					
4. Changes the funding source for medical services and long-term care services from the Bank of North Dakotal bag proceeds in the 2009-11 biennium to the general fund. These changes are also reflected in selected program amounts below. \$790,015 \$790,015 \$0 5. Changes the funding source for breast and cervical cancer assistance from the community health trust fund in the 2009-11 biennium to the general fund. These changes are also reflected in selected program amounts below. \$790,015 \$50 6. Changes the funding source for unsing facility payments from the health care trust fund in the 2009-11 biennium to the general fund. These changes are also reflected in selected program amounts below. \$4,124,506 \$4,124,506 \$0 7. Removes funding from the general fund for medical services and utilize unexpended funds in the 2011-13 biennium. These changes are also reflected program amounts below. \$12,800,000 \$12,800,000 \$23,8600 \$0 \$23,8600 \$0 \$23,8600 8. Reduces funding for salaries and wages by \$2,335,680 from the general fund in anticipation of savings resulting from remployee turnover and position vacancies. \$171,236 \$283,803 \$455,039 9. Includes funding for paying accrued annual leave and sick leave of employees anticipated to retire during the 2011-13 biennium. \$138,400 \$138,400 \$138,400 1. Adds 4 FTE positions in information technology services as requested by the department in its hold-even budget request \$1,066,213 \$1,066,213 \$1,066,21	3.	service providers. The 2009 Legislative Assembly approved a 6 percent inflationary increase for the second year of the 2009-11 biennium for rebased services (hospitals, physicians, chiropractors, and ambulances) and dentists and a 6 percent per	\$25,516,808	\$28,757,382	\$54,274,190
assistance from the community health trust fund in the 2009-11 biennium to the general fund. These changes are also reflected in selected program amounts below. 6. Changes the funding source for nursing facility payments from the health care trust fund in the 2009-11 biennium to the general fund. These changes are also reflected in selected program amounts below. 7. Removes funding from the general fund for medical services and long-term care program expenditures and allows the department to continue general fund appropriations for the 2009-11 biennium. and utilize unexpended funds in the 2011-13 biennium. These changes are also reflected in selected program amounts below. 8. Reduces funding for salaries and wages by \$2,935,680 from the general fund in anticipation of savings resulting from employee turnover and position vacancies. 9. Includes funding for paying accrued annual leave and sick leave of employees anticipated to retire during the 2011-13 biennium. Management 1. Adds 4 FTE positions in information technology services as requested by the department in its hold-even budget request 2. Removes federal fiscal stimulus funding provided in the 2009-11 biennium 3. Addis us flical stimulus funding provided in the 2009-11 biennium 4. Adds 4 DTE positions in formation technology services as requested by the department outs \$5,000 Program and Policy 1. Provides \$4,990,361, of which \$3,025,754 is from the general fund and \$1,964,607 is from retained funds, for Indian county payments 2. Reduces funding for temporary assistance for needy families (\$7,668,672) (\$7,668,672) (\$7,668,672) (\$1,006,114 fund as \$1,954,607 is from retained funds, for Indian county payments 4. 	5.	Decreases funding for the low-income home energy assistance		(\$13,126,445)	(\$13,126,445)

 Provides \$632,712,356, of which \$200,203,906 is from the general fund, for medical assistance grants in the medical services program compared to \$491,365,038 provided for the 2009-11 biennium, of which \$119,205,576 was from the general fund. Major components of the additional funding are listed below:

Adds funding for cost and caseload/utilization changes, including the cost to continue inflationary increases provided in the 2009-11 biennium

Adds additional general fund support as a result of FMAP changes

Replaces federal fiscal stimulus funding relating to FMAP appropriated for the 2009-11 biennium with funding from the general fund

Executive budget changes, including 3 percent per year inflationary adjustments for human services providers

- 7. Increases funding for **Healthy Steps** (children's health insurance program) to provide a total of \$27,990,521, of which \$8,661,586 is from the general fund, to provide health insurance coverage for an average of 4,256 children at a monthly premium of \$274.03. The executive budget recommends maintaining eligibility requirements for the program at 160 percent of the federal poverty level based on net income.
- 8. Includes \$26,307,479, of which \$25,152,575 is from the general fund and \$1,154,904 is from estate collections, for making Medicare Part D prescription drug **"clawback" payments** to the federal government for the estimated prescription drug costs paid by Medicare for individuals eligible for both Medicare and Medicaid. The amount provided is an increase of \$6,891,217 from the 2009-11 biennium appropriation of \$19,416,262, of which \$18,624,262 was from the general fund.
- 9. Provides \$459,123,033, of which \$195,559,601 is from the general fund, for **nursing facility care** under the long-term care program compared to \$425,713,210, of which \$132,267,271 was from the general fund, provided for the 2009-11 biennium. Major components of the additional funding are listed below:

Changes the funding source from Bank of North Dakota loan proceeds in the 2009-11 biennium to the general fund

Changes the funding source from the health care trust fund in the 2009-11 biennium to the general fund

Adds funding for cost and caseload/utilization changes, including the cost to continue inflationary increases provided in the 2009-11 biennium

Adds general fund support as a result of FMAP changes.

Replaces federal fiscal stimulus funding relating to FMAP appropriated for the 2009-11 biennium with funding from the general fund

Executive budget changes, including 3 percent per year inflationary adjustments for human services providers and a portion of a \$12.8 million general fund reduction relating to authorizing 2009-11 carryover funding in the 2011-13 biennium

 Provides \$25,972,395, of which \$14,812,502 is from the general fund, for **basic care services** compared to \$18,113,925, of which \$8,219,552 was from the general fund, for the 2009-11 biennium. Major components of the additional funding are listed below:

Adds funding for cost and caseload/utilization changes, including the cost to continue inflationary increases provided in the 2009-11 biennium

Adds general fund support as a result of FMAP changes

13.	Provides funding for leasing a new office facility for nonvocational rehabilitation operations (Badlands Human Service Center)	\$174,110	\$16,105	\$190,215

Other Sections in Bill

Transfers - Section 3 provides that the Department of Human Services may transfer appropriation authority between line items within each subdivision and between subdivisions for the 2011-13 biennium. The department is to report to the Budget Section after June 30, 2012, on any transfers made in excess of \$50,000 and to the Appropriations Committees of the 63rd Legislative Assembly any transfers made.

Medicaid management information system replacement project - Section 4 provides for the continuation of the 2007-09 legislative appropriation for the Medicaid management information system replacement project in the 2011-13 biennium.

Continuation of appropriation authority - Section 5 provides for the continuation of the department's unexpended 2009-11 general fund appropriation authority to the 2011-13 biennium. The continued funding is to be used for medical assistance grants during the 2011-13 biennium. The department estimates \$12.8 million of funding from the general fund will be unexpended on June 30, 2011.

Continuing Appropriations

Child support collection and disbursement - North Dakota Century Code Section 14-09-25 - Allows the department to receive child support payments and provide the funds to the custodial parent or appropriate governmental entity for those custodial parents receiving governmental assistance.

Child support improvement account - Section 50-09-15.1 - Allows the department to receive federal child support incentive funds and spend the funds in accordance with its business plan to improve the child support collection process.

Child support cooperative agreements - Section 50-09-33 - Allows the department to accept federal funds and other income generated by the department under a cooperative agreement with an Indian tribe for child support enforcement services for hiring staff and payment of other expenses as necessary for carrying out the department's duties under the agreement.

Significant Audit Findings

There were no significant audit findings for the department.
