15 credit. Provided, further, when tangible personal property is taken in trade or in a

1 the portion of the sale amount shall be accounted for, for the purpose of imposition  
2 of tax imposed by this chapter, as has actually been received in cash by the  
3 retailer during each quarterly period as defined herein. When a farm machine is  
4 purchased as a replacement for machinery which was stolen or totally destroyed, a  
5 credit or trade-in credit is allowed in an amount equal to the compensation  
6 received for the loss from an insurance company. The purchaser shall provide the  
7 seller with a notarized statement from the insurance company verifying that the  
8 original farm machine is a total loss and indicating the amount of compensation.  
9 The notarized statement must be retained by the seller to verify the amount of  
10 credit or trade-in credit allowed. "Gross receipts" also means, with respect to the  
11 leasing or renting of tangible personal property, the amount of consideration,  
12 valued in money, whether received in money or otherwise, received from the
