2. Motor vehicle body damage disclosure requirements apply only to the transfer of title on all current year models of motor vehicles and those models manufactured in the seven years before the current model year. 3. As used in this section, "motor vehicle body damage" means a change in the body or structure of a motor vehicle, generally resulting from a vehicular crash or accident, including loss by fire, vandalism, weather, or submersion in water, resulting in damage to the motor vehicle which equals or exceeds the greater of ~~five~~ eight thousand dollars or forty percent of the predamage retail value of the motor vehicle as determined by the national automobile dealers association official used car guide. 4. A person repairing, replacing parts, or performing body work on a motor vehicle that is less than eight years old shall provide a statement to the owner of the motor vehicle when the motor vehicle has sustained motor vehicle body damage requiring disclosure under this section. The department shall place on the regular certificate of title and on all subsequent certificates of title issued for the vehicle; the words "previously salvaged" and a notation that damage disclosure information is available from the department.
