

HOUSE BILL NO. 1252

Introduced by

Representatives Brandenburg, Froseth, D. Johnson, Pollert

Senators Klein, Wanzek

1 A BILL for an Act to create and enact a new section to chapter 4-35 of the North Dakota
2 Century Code, relating to the sale and use of agricultural chemicals registered in Canada.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1.** A new section to chapter 4-35 of the North Dakota Century Code is
5 created and enacted as follows:

6 **Agricultural chemicals - Sale and use - Canadian registry.** Any agricultural chemical
7 approved for use and registered in Canada may be offered for sale and sold in this state. If the
8 pesticide control board determines that the chemical is a restricted use pesticide, its use and
9 application is governed by this chapter. A chemical manufacturer selling an agricultural
10 chemical under this section may not charge suppliers in this state an amount greater than that
11 charged suppliers in the Canadian provinces bordering this state after taking into account the
12 rate of exchange on the date of sale.
