"SECTION 2. CONTINGENT EFFECTIVE DATE. This Act becomes effective September 1, 1999, unless before that date the legislative council has received a certification from the chairman of the administrative rules committee that the state electrical board has adopted and filed an amendment to its administrative rules providing substantially as follows:

1. Electrical equipment or industrial machines, including custom-made electrical equipment or related installations, which are designed and manufactured to a purchaser's specifications, if there is no category or listing by underwriters laboratories incorporated, may be evaluated by underwriters laboratory incorporated, other state-accepted testing laboratories, or by a registered professional engineer.
2. The state electrical board retains the right to reject an evaluation described in subsection 1 if the electrical equipment or industrial machine does not comply with article 110-2 and 110-3 of the 1999 National Electrical Code.
3. The electrical installer is required to secure permission from the state electrical board to energize the equipment before an evaluation has been completed.

SECTION 3. EMERGENCY. This Act is declared to be an emergency measure."
