Senate changes narrative:

- 1 Restores 1 FTE undesignated faculty position removed by the House.
- 2 Restores \$75,000 of the \$175,000 equipment funding reduction made by the House.
- 3 Restores funding for the midsized farms initiative and value-added center initiative removed by the House and reduces initiative funding in undesignated areas by the same amount. The State Board of Agricultural Research may determine the specific areas to reduce within the total funding available for the initiatives.
- 4 Removes 1 FTE crop protection specialist position added in the executive budget.
- 5 Adds funding for the 4-H youth position in Burleigh and Morton Counties.
- 6 Adds funding to develop and operate dairy diagnostic teams. The section added by the House providing that the NDSU Extension Service spend up to \$100,000 of its 1999-2001 appropriation for the dairy diagnostic teams is removed.
- 7 Adds funding for the soil conservation leadership initiative. A section of legislative intent is added providing that this funding is to be used only for training local district supervisors and that the training address specific issues and concerns of the local district supervisors.

Section 3 of the bill is changed to allow the Agricultural Experiment Station, the NDSU Extension Service, the Upper Great Plains Transportation Institute, and the Northern Crops Institute to spend unspent general fund appropriation authority and excess income continued into the 2001-03 biennium for any types of expenditures, not only capital repairs and improvements, equipment, and one-time expenditures as provided in the House version.

A section is added authorizing the director of the Agricultural Experiment Station, upon approval of the State Board of Agricultural Research, to transfer up to \$227,335 of its appropriation to the NDSU Extension Service based on the agricultural initiatives prioritized by the State Board of Agricultural Research.

North Dakota Century Code Section 4-05.1-16 is amended to provide that the Ag Coalition and the advisory groups to the multicounty program units each submit one or more names to the Board of Higher Education for appointment of representatives to the State Board of Agricultural Research. Current law provides that each of these groups submit two or more names to the board.

Sections added by the House changing the name of the State Board of Agricultural Research to the State Board of Agricultural Research and Education are changed to provide that the name of the board be the State Board of Agricultural Research and Extension.

- ⁴ Adds funding from the environment and rangeland protection fund for constructing chemical handling facilities at the Main Research Center or branch research centers as selected by the State Board of Agricultural Research. It is anticipated that the funds provided will complete one facility that is partially built and will construct three additional facilities.
- ⁵ Adds operating expenses funding for an initiative to research and develop market opportunities for biotechnologically enhanced crops in North Dakota. A section is added providing that the State Board of Agricultural Research and Extension report to an interim Legislative Council committee during the 1999-2000 interim on its activities associated with this initiative.

The Agronomy Seed Farm appropriation is changed from a specific line item appropriation to a lump sum appropriation.

Section 3 of the bill is changed to allow the Agricultural Experiment Station, the NDSU Extension Service, the Upper Great Plains Transportation Institute, and the Northern Crops Institute to spend unspent general fund appropriation authority and excess income continued into the 2001-03 biennium for any types of expenditures, not only capital repairs and improvements, equipment, and one-time expenditures as provided in the House version.
