**"SECTION 3. AMENDMENT.** Subsection 3 of section 49-21-01 of the 1997 Supplement to the North Dakota Century Code is amended and reenacted as follows:

3. "Essential telecommunications service" means service that is necessary for switched access to interexchange telecommunications companies and necessary for two-way switched communications for both residential and business service within a local exchange area. A charge based on measured service may not be required for residential and business local exchange service. Essential telecommunications services are limited to:
  - a. Switched access;
  - b. Any new product or service offered in North Dakota after July 1, 1989, deemed essential by the commission after notice and hearing in accordance with chapter 28-32;
  - c. Billing and collection of the billing company's own essential telecommunications services and billing and collection recording for interexchange carriers to which the local exchange carrier provides feature group C access service;
  - d. Primary directory listing, including nonlisted and nonpublished service, and ~~local exchange~~ access to directory assistance;
  - e. Emergency 911 services and emergency operator assistance in local exchange areas in which emergency 911 service is not available;
  - f. Except as provided in section 49-02-01.1, mandatory, flat-rate extended area service to designated nearby local exchange areas;

- g. Installation of the service connection for essential services from the end user's premises to the local exchange network;
- h. Transmission service necessary for the connection between the end user's premises and the local exchange central office switch including a trunk connection that has direct inward dialing and necessary signaling service such as touchtone used by end users for essential telecommunications services;
- i. Single or multiparty flat-rate or measured residence and business service;
- j. Single or multiparty flat-rate or measured combination business and residence service; and
- k. The transmission service line for a coin or pay telephone."

Renumber accordingly

FTE	0.00	0.00	0.00	0.00	0.00

Conference Committee changes narrative:

<sup>1</sup> Restores salaries and wages and operating expenses funding removed by the Senate, the same as the House version, except that the Conference Committee did not restore the attorney position removed by the Senate and restored by the House.

<sup>2</sup> Reduces salaries and wages funding. The Public Service Commission may designate the specific areas to reduce within the salaries and wages line item, the same as the House version.

<sup>3</sup> Reduces operating expenses as follows, the same as the House version:

Office supplies	(\$10,000)
Travel	<u>(10,000)</u>
Total	(\$20,000)

<sup>4</sup> Provides for a funding source change of \$117,027 rather than the \$147,027 approved in the executive budget and the Senate version relating to increasing the general fund support for the Public Service Commission as a result of an anticipated reduction in federal administrative cost reimbursements. The House also made this change.

The section added by the House is included which provides that an essential telecommunications service includes access to directory assistance rather than local exchange directory assistance.
