House changes narrative:

The section added in the Senate providing for an interim Legislative Council study of the activities of and the need for continuing the petroleum tank release compensation fund is removed.

A section is added providing that the House majority leader appoint two members from the House, and the Senate majority leader appoint one member from the Senate to represent the state at functions of the National Conference of Insurance Legislators (NCOIL). Expenses of the appointed legislators for attending these functions are to be paid by the Insurance Commissioner.

A section is added reducing the balance that may remain in the insurance regulatory trust fund at the end of each fiscal year by \$500,000, from \$1.5 million to \$1 million. This change will result in an estimated \$500,000 of additional funding being transferred from the insurance regulatory trust fund to the general fund during the 1999-2001 biennium.
