Conference Committee changes narrative:

This amendment makes the following changes:

Adds \$100,000 from the game and fish fund for grants to wildlife services for projects to alleviate waterfowl and other wildlife depredation and damage, as provided in Section 5 of the bill. In addition, the executive budget includes \$80,000 from the private land habitat and access improvement fund (land habitat and deer depredation line item) for grants to wildlife services, which in the Conference Committee version will be used for private land habitat and access improvement initiatives determined by the department.

Amends North Dakota Century Code Section 20.1-02-16.1 to provide that the balance of the game and fish fund must be at least \$10 million.

Removes the requirement in Section 4 of the bill that priority be given to waterbank contracts in the Devils Lake Basin.
