3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. AMENDMENT.** Section 27-09.1-05.1 of the 1997 Supplement to the  
5 North Dakota Century Code is amended and reenacted as follows:

6 **27-09.1-05.1. Selection of jurors from judicial district - Impact of natural disaster -**  
7 **Grounds and method for selection.** The court, upon its own motion, may direct that  
8 prospective jurors be selected from one or more counties in the judicial district in which the  
9 court is located if the county of venue has a population of not more than ten thousand persons  
10 and the court determines that the number of prospective jurors within the county of venue is  
11 inadequate to obtain a fair and impartial jury. Following notification by the court, the clerk of  
12 court of any county in the judicial district shall submit a specified number of names, with mailing  
13 addresses, of the prospective, qualified jurors to the clerk of court of the county of venue. If a  
14 natural disaster impairs the selection of a sufficient number of prospective jurors, the supreme  
15 court, by emergency order, may authorize the court in the affected county to obtain additional  
16 names and mailing addresses of prospective, qualified jurors from the clerk of court of any  
17 county in the judicial district.
