**County services benefiting school trust lands - Payment.** On or before March first of each year, the board of university and school lands shall pay a fee to the board of county commissioners of each county in which the state retains original grant lands. The board of county commissioners shall forward a prorated portion of any fee received under this section to the organized townships in which the original grant lands are located for use in the repair, maintenance, and construction of roads and bridges and shall use the remainder of the fee for the repair, maintenance, and construction of roads and bridges in unorganized townships in which original grant lands are located. The total fees paid under this section may not exceed five percent of the net revenue generated from the original grant lands in that county during the year preceding the payment. For purposes of this section, net revenue means the gross revenue from surface management, less any administrative and operating expenses, but does not include any moneys that must be deposited in a permanent trust fund.
