HOUSE BILL NO. 1108
(Natural Resources Committee)
(At the request of the Tax Commissioner)

AN ACT to create and enact five new sections to chapter 57-34 of the North Dakota Century Code, relating to the audit and assessment of telecommunications carriers, deficiency notice, protest and appeal procedure, claim for credit or refund of the tax on telecommunications carriers, preservation of records, and resale certificates; to amend and reenact sections 57-34-01, 57-34-02, 57-34-03, 57-34-06, and 57-34-10 of the North Dakota Century Code, relating to definitions, identification of taxable resellers and pay telephone operators, elimination of tentative assessments, allocation of revenue, filing extensions, tax liabilities of less than five dollars, and interest and lien provisions; to provide for retroactive application; to provide an effective date; and to provide an expiration date.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 57-34 of the North Dakota Century Code is created and enacted as follows:

Tax commissioner to audit returns and state board of equalization to assess tax. The tax commissioner shall proceed to audit the returns of telecommunications carriers not later than three years after the due date of the return, or three years after the return was filed, whichever period expires later. The state board of equalization shall assess the tax and, if any additional tax is found due, the tax commissioner shall notify the taxpayer in detail as to the reason for the increase.

SECTION 2. A new section to chapter 57-34 of the North Dakota Century Code is created and enacted as follows:

Deficiency, protest, and appeal.

1. When tax is understated on a return because of a mathematical or clerical error, the tax commissioner shall notify the telecommunications carrier of the error and the amount of additional tax due. This notice is not a notice of deficiency and the telecommunications carrier has no right to protest.
2. If upon audit the tax commissioner finds additional tax due, the tax commissioner shall notify the telecommunications carrier and the state board of equalization of the deficiency in the tax amount. A notice of deficiency must be sent to the telecommunications carrier by first-class mail and must state the amount of additional tax due and set forth the reasons for the increase.
3. A telecommunications carrier has thirty days from the date of mailing of the notice of deficiency to file a written protest with the state board of equalization objecting to the assessment of additional tax due. The protest must set forth the basis for the protest and any other information that may be required by the state board of equalization. If a telecommunications carrier fails to file a written protest within the time provided, the amount of additional tax stated in the notice of deficiency becomes finally and irrevocably fixed. If a telecommunications carrier protests only a portion of the tax commissioner's finding, the portion that is not protested becomes finally and irrevocably fixed.
4. If a protest is filed, the state board of equalization shall reconsider the assessment of additional tax due.

5. Within six months after the protest is filed, the state board of equalization shall mail to the telecommunications carrier a notice of reconsideration and assessment which must respond to the telecommunications carrier's protest and assess the amount of any additional tax due. The amount set forth in that notice becomes finally and irrevocably fixed unless the telecommunications carrier brings an action against the state in district court within six months of the mailing of the notice of reconsideration and assessment.

SECTION 3. A new section to chapter 57-34 of the North Dakota Century Code is created and enacted as follows:

Claims for credit or refund.

1. A telecommunications carrier may file a claim for credit or refund of an overpayment of any tax imposed by this chapter within three years after the due date of the return or within three years after the return was filed, whichever period expires later.
2. A claim for credit or refund must be made by filing with the tax commissioner an amended return, or other report as prescribed by the tax commissioner, accompanied by a statement outlining the specific grounds upon which the claim for credit or refund is based.
3. The tax commissioner shall notify the telecommunications carrier if the state board of equalization disallows all or part of a claim for credit or refund. The decision of the state board of equalization denying a claim for credit or refund is final and irrevocable unless the telecommunications carrier brings an action against the state in district court within six months of the mailing of the notice denying the claim for credit or refund.

SECTION 4. A new section to chapter 57-34 of the North Dakota Century Code is created and enacted as follows:

Preservation of records. Every telecommunications carrier required to make a return and pay any tax under this chapter shall preserve records of the gross proceeds of sale as the commissioner may require and every carrier shall preserve for a period of three years and three months all invoices and other records of telecommunications services purchased for resale. All of these books, invoices, and other records must be open to examination at any time by the commissioner or any duly authorized agent of the commissioner.

SECTION 5. A new section to chapter 57-34 of the North Dakota Century Code is created and enacted as follows:

Resale certificates. A telecommunications carrier who receives a resale certificate certifying that another telecommunications carrier holds a North Dakota sales and use tax permit for sales or use tax purposes under section 57-39.2-14 is relieved from submitting the telecommunications gross receipts tax upon the sale of telecommunications services to be resold by the telecommunications carrier submitting the certificate. When a telecommunications carrier submits a false resale certificate to another telecommunications carrier, the telecommunications carrier that submitted the certificate is liable for the telecommunications gross receipts tax on the sale. A hospital, hotel, motel, or similar place of temporary accommodation selling telecommunications service to its patients or guests is not a telecommunications carrier under this section.
