

Fifty-sixth
Legislative Assembly
of North Dakota

ENGROSSED SENATE BILL NO. 2166

Introduced by

Senators DeMers, Kilzer, Lee

(At the request of the State Department of Health)

1 A BILL for an Act to create and enact chapter 23-01.3 and a new section to chapter 23-17.3 of
2 the North Dakota Century Code, relating to confidential or protected health information in
3 possession of a public health authority; and to provide a penalty.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1.** Chapter 23-01.3 of the North Dakota Century Code is created and
6 enacted as follows:

7 **23-01.3-01. Definitions.** As used in this chapter:

- 8 1. "Confidential information" includes any confidential record as defined in
9 subsection 3 of section 44-04-17.1, any protected health information, and any
10 other information declared confidential by law.
- 11 2. "Disclose" means to disclose, transfer, permit access to, or otherwise divulge
12 protected health information to any person other than the individual who is the
13 subject of that information and includes the initial disclosure and any subsequent
14 redisclosures of individually identifiable health care information.
- 15 3. "Law enforcement inquiry" means any executive branch investigation or official
16 proceeding inquiring into a violation of, or failure to comply with, any criminal or
17 civil statute or any regulation, rule, or order issued pursuant to such a statute.
- 18 4. "Nonidentifiable health information" means any information that would otherwise
19 be protected health information except that it does not reveal the identity of the
20 individual whose health or health care is the subject of the information and there is
21 no reasonable basis to believe that the information could be used to identify that
22 individual.
- 23 5. "Person" means a government, governmental subdivision of an executive branch
24 agency or authority, corporation, company, association, firm, partnership, society,

- 1 estate, trust, joint venture, individual, individual representative, tribal government,
2 and any other legal entity.
- 3 6. "Protected health information" means any information, including genetic
4 information, demographic information, and fluid or tissue samples collected from
5 an individual, diagnostic and test results, whether oral or recorded in any form or
6 medium, which:
- 7 a. Is created or received by a health care provider, health researcher, health
8 plan, health oversight authority, public health authority, employer, health or
9 life insurer, school or university; and
- 10 b. (1) Relates to the past, present, or future physical or mental health or
11 condition of an individual, including individual cells and their
12 components; the provision of health care to an individual; or the past,
13 present, or future payment for the provision of health care to an
14 individual; or the past, present, or future payment for the provision of
15 health care to an individual; and
- 16 (2) (a) Identifies an individual; or
17 (b) With respect to which there is a reasonable basis to believe that
18 the information can be used to identify an individual.
- 19 7. "Public health authority" means the state department of health, a local public
20 health unit, and any authority or instrumentality of the United States, a tribal
21 government, a state, or a political subdivision of a state, a foreign nation, or a
22 political subdivision of a foreign nation, which is:
- 23 a. Primarily responsible for public health matters; and
24 b. Primarily engaged in activities such as injury reporting, public health
25 surveillance, and public health investigation or intervention.
- 26 8. "School or university" means an institution or place for instruction or education,
27 including an elementary school, secondary school, or institution of higher learning,
28 a college, or an assemblage of colleges united under one corporate organization
29 or government.
- 30 9. "State" includes the District of Columbia, Puerto Rico, the Virgin Islands, Guam,
31 American Samoa, and the Northern Mariana Islands.

- 1 3. Except for the failure to report information required by chapters 23-07, 23-07.1,
2 23-07.3, or 23-07.4, or any other law requiring disclosure of information regarding
3 a disease or condition, an entity described in subsection 1 is not liable for the
4 failure to disclose protected health information to a public health authority.
- 5 4. Any disclosure of protected health information under this section must be limited to
6 the minimum amount of information necessary to achieve the purposes of this
7 section.
- 8 5. A recipient of information pursuant to this section may use or disclose that
9 information solely to achieve the purposes of this section.
- 10 6. Nothing in this section permitting the disclosure of protected health information
11 may be construed to require that disclosure, unless disclosure is otherwise
12 required by law.
- 13 7. Protected health information disclosed under this section must be clearly identified
14 as protected health information that is subject to this chapter.

15 **23-01.3-05. Nonpublic disclosure in emergency circumstances.**

- 16 1. In the event of a threat of imminent physical or mental harm to the subject of
17 protected health information, a public health authority, in order to allay or remedy
18 that threat, may disclose protected health information about that subject to a health
19 care practitioner, health care facility, law enforcement authority, or emergency
20 medical personnel to protect the health or safety of that subject.
- 21 2. In the event of a threat of harm to an individual other than the subject of protected
22 health information, a public health authority may disclose protected health
23 information about that subject if:
 - 24 a. There is an identifiable threat of serious disease, injury, or death to an
25 identifiable individual or group of individuals;
 - 26 b. The subject of the protected health information has the ability to carry out that
27 threat; and
 - 28 c. The disclosure of that information is necessary to prevent or significantly
29 reduce the possibility of that threat.

- 1 3. Any disclosure of protected health information under this section must be limited to
2 the minimum amount of information necessary to achieve the purposes of this
3 section.
4 4. A recipient of information pursuant to this section may use or disclose that
5 information solely to carry out the purposes of this section.
6 5. Protected health information disclosed under this section must be clearly identified
7 as protected health information that is subject to this section.

8 **23-01.3-06. Disclosure for law enforcement purposes.**

- 9 1. Notwithstanding any other law, a public health authority, or the agent of any such
10 entity, may disclose protected health information to a law enforcement authority if
11 the state health officer determines that:
12 a. The protected health information is necessary to a legitimate law enforcement
13 inquiry that has begun or may be initiated into a particular violation of a
14 criminal law or public health law being conducted by the authority; and
15 b. The investigative or evidentiary needs of the law enforcement authority
16 cannot be satisfied by nonidentifiable health information or by any other
17 information.
18 2. If a public health authority discloses protected health information under this
19 section, that authority shall impose appropriate written safeguards to ensure the
20 confidentiality of the information and to protect against unauthorized or improper
21 use or disclosure.
22 3. Protected health information about an individual that is disclosed under this section
23 may not be used in, or disclosed to any person for use in, any administrative, civil,
24 or criminal action or investigation directed against the individual, unless the action
25 or investigation arises out of, or is directly related to, the law enforcement inquiry
26 for which the information was obtained.
27 4. When the matter or need for which protected health information was disclosed to a
28 law enforcement authority or grand jury has concluded, including any derivative
29 matters arising from that matter or need, the law enforcement authority or grand
30 jury must either destroy the protected health information, or return it to the person
31 from whom it was obtained.

- 1 5. To the extent practicable, and consistent with the requirements of due process, a
- 2 law enforcement authority shall redact personally identifying information from
- 3 protected health information prior to the public disclosure of that protected
- 4 information in a judicial or administrative proceeding.
- 5 6. Any disclosure of protected health information under this section must be limited to
- 6 the minimum amount of information necessary to fulfill the purposes of this section.
- 7 7. A recipient of information pursuant to this section may use or disclose that
- 8 information solely to fulfill the purposes of this section.
- 9 8. Protected health information disclosed under this section must be clearly identified
- 10 as protected health information that is subject to this chapter.
- 11 9. This section may not be construed to limit or restrict the ability of law enforcement
- 12 authorities to gain information while in hot pursuit of a suspect or if other exigent
- 13 circumstances exist.

14 **23-01.3-07. Disclosure of a public health incident.**

- 15 1. Notwithstanding any other law, the state health officer may disclose confidential
- 16 information or protected health information to a health care provider or the public if
- 17 the state health officer determines that:
 - 18 a. Disclosure of information is required to prevent the spread of disease;
 - 19 b. Disclosure of information is required to identify the cause or source of
 - 20 disease; or
 - 21 c. Disclosure of information is required to allay fear and aid the public in
 - 22 understanding the risk of its exposure to disease.
- 23 2. The state health officer may disclose protected health information only to the
- 24 extent necessary to accomplish the purposes of this section, and may require any
- 25 health care provider receiving confidential or protected health information under
- 26 this section to keep that information confidential under written terms.

27 **23-01.3-08. Status of information in possession of a local public health authority.**

28 Any protected health information that is created or received by a local public health authority,
29 and that is submitted or is required to be submitted to the state department of health, is
30 confidential and subject to the protection of, and may be disclosed only as authorized by, this
31 chapter.

1 **23-01.3-09. Penalty for unauthorized disclosure.** A person who knowingly discloses
2 protected health information in violation of this chapter is guilty of a class A misdemeanor.

3 **SECTION 2.** A new section to chapter 23-17.3 of the North Dakota Century Code is
4 created and enacted as follows:

5 **Information confidential.** Information received under this chapter by the state
6 department of health, through inspection or otherwise, is confidential and may not be disclosed
7 except:

- 8 1. In a proceeding involving the question of license;
- 9 2. In a judicial proceeding, upon a court order; or
- 10 3. To a health or social services agency with specific responsibility for a patient's
11 care.
