10 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

11 **SECTION 1.** A new chapter to title 6 of the North Dakota Century Code is created and
 12 enacted as follows:

13 **Definitions.** Terms defined in section 3 of this Act have the same meaning when used
 14 in this chapter.

15 **Revolving loan fund - Appropriation.** A revolving loan fund must be maintained in
 16 the Bank of North Dakota for the purpose of making loans to nursing facilities, basic care
 17 facilities, assisted living facilities, or other entities providing alternatives to nursing facility care,
 18 to encourage and support conversion of nursing facilities. All moneys transferred into the fund,
 19 interest upon moneys in the fund, and collections of interest and principal on loans made from
 20 the fund are hereby appropriated for disbursement pursuant to the requirements of this chapter.

21 **Nursing facility alternative loan fund.**

22 1. There is hereby created a nursing facility alternative loan fund. The fund shall
 23 include revenue transferred from the North Dakota health care trust fund, interest

1 upon moneys in the fund, and collections of interest and principal on loans made
2 from the fund.

3 2. The Bank of North Dakota shall administer the loan fund. Funds in the loan fund
4 may be used for:

5 a. Loans as provided in this chapter and as approved by the department under
6 section 3 of this Act;

7 b. The costs of administration of the fund; and

8 c. Repayment of federal funds if the United States department of health and
9 human services determines that funds were inappropriately claimed under
10 section 2 of this Act.

11 3. Any money in the fund not required for use under subsection 2 must be transferred
12 to the North Dakota health care trust fund.

13 **Loan application - How made.** All applications for loans under this chapter must be
14 made to the department. The department may approve the applications of qualified applicants
15 who propose projects that conform to requirements established under section 3 of this Act.
16 Applications approved by the department must be forwarded to the Bank of North Dakota.
17 Upon approval of the application by the Bank of North Dakota, loans may be made from the
18 revolving loan fund in accordance with the provisions of this chapter.

19 **Amount of loans - Terms and conditions.** Loans in an amount not exceeding eighty
20 percent of project costs may be made by the Bank of North Dakota from the fund maintained
21 pursuant to this chapter. Such loans must bear interest at a rate determined by the Bank of
22 North Dakota to be two percentage points less than the market rate for similar commercial
23 loans, provided that no loan may bear interest at a rate less than one half of one percent, or
24 more than seven percent, of the outstanding principal balance of the loan. In consideration of
25 the making of a loan under this chapter, each borrower shall execute a contract with the
26 department to operate the project in accordance with standards established under section 3 of
27 this Act. The contract must also provide that if the use of the project is discontinued or diverted
28 to purposes other than those provided in the loan application without written consent of the
29 department, the full amount of the loan provided under this chapter immediately becomes due
30 and payable. The Bank of North Dakota may annually deduct, as a service fee for

1 administering the revolving fund maintained under this chapter, one half of one percent of the
2 principal balance of the outstanding loans from the revolving fund.

3 **Powers of Bank of North Dakota.** The Bank of North Dakota may do all acts or things
4 necessary to negotiate loans and preserve security under this chapter, including the power to
5 take such security as deemed necessary, to exercise any right of redemption, and to bring suit
6 in order to collect interest and principal due the revolving fund under mortgages, contracts, and
7 notes executed to obtain loans under the provisions of this chapter. If the applicant's plan for
8 financing provides for a loan of funds from sources other than the state of North Dakota, the
9 Bank of North Dakota may take a subordinate security interest. The bank may recover from the
10 revolving loan fund amounts actually expended by it for legal fees and to effect a redemption.
