13 privileges are granted on an incremental basis in accordance with the following process:

- 14 1. An instructional permit.
- 15 2. A restricted license.
- 16 3. An operator's license.

17 An instructional permit issued under section 39-06-04 or a restricted license issued under
18 section 39-06-04.3 must have a notation that indicates the level of driving privileges granted by
19 the permit or license.

20 **39-06-04.2. Instructional permit - Restrictions.** An instructional permit authorizes the
21 permitholder to drive the type or class of motor vehicle specified on the permit only under the
22 following conditions:

- 23 1. The permitholder must be in possession of the permit while operating the motor
24 vehicle; and
- 25 2. The permitholder may drive only when a supervising driver is seated in the front
26 seat of the vehicle when it is in motion. No individual other than the supervising
27 driver and the permitholder may be in the front seat unless the vehicle has only a
28 front seat, in which case, the supervising driver must be seated next to the
29 permitholder. A supervising driver must hold a valid operator's license and be at
30 least twenty-two years of age.

1 **39-06-04.3. Restricted license - Minimum age.** A minor who is at least fourteen
2 years of age may obtain a restricted license if the minor:

6 instruction as approved by the superintendent of public instruction;

27 The supervising driver need not be the only other occupant of the front seat, but
28 must be seated next to the licenseholder. A supervising driver must hold a valid
29 motor vehicle operator's license and be at least twenty-two years of age. An
30 individual holding a restricted driver's license driving a motor vehicle may not carry
31 more passengers than the vehicle manufacturer's suggested passenger capacity.

8 license. If a restricted licenseholder who is under eighteen years of age has a report of a
9 conviction or admission or adjudication of a violation of any of the liquor laws in conjunction with
10 the use of a motor vehicle, or has accumulated six or more points on that person's driving

23 the permittee's immediate possession to operate a motor vehicle only on a
24 designated highway or within a designated area but only when an approved
25 instructor is occupying a seat beside the permittee.

26 2. Any student who is at least fourteen years of age and enrolled in behind-the-wheel
27 driver's training through a high school program approved by the superintendent of
28 public instruction may operate a motor vehicle, under the supervision of a driver

18 jurisdiction, the director may request a copy of the driver's record from such other
19 jurisdiction. When received, the driving record becomes a part of the driving record
20 in this state with the same force and effect as though entered on the driving record
