

**SENATE BILL NO. 2290**

Introduced by

Senators Lee, Fischer, Kroeplin

Representatives Devlin, Koppang, Koppelman

1 A BILL for an Act to amend and reenact section 40-47-01.1 of the North Dakota Century Code,  
2 relating to extraterritorial zoning.

3 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

4 **SECTION 1. AMENDMENT.** Section 40-47-01.1 of the 1997 Supplement to the North  
5 Dakota Century Code is amended and reenacted as follows:

6 **40-47-01.1. Extraterritorial zoning - Mediation - Determination by administrative**  
7 **law judge.**

- 8 1. A city may, by ordinance, extend the application of a city's zoning regulations to  
9 any quarter quarter section of unincorporated territory if a majority of the quarter  
10 quarter section is located within the following distance of the corporate limits of the  
11 city:
- 12 a. One mile [1.61 kilometers] if the city has a population of less than five  
13 thousand.
  - 14 b. Two miles [3.22 kilometers] if the city has a population of five thousand or  
15 more, but less than twenty-five thousand.
  - 16 c. Four miles [6.44 kilometers] if the city has a population of twenty-five  
17 thousand or more.
- 18 2. If a quarter quarter section line divides a platted lot and the majority of that platted  
19 lot lies within the quarter quarter section, a city may apply its extraterritorial zoning  
20 authority to the remainder of that platted lot. If the majority of the platted lot lies  
21 outside the quarter quarter section, the city may not apply its extraterritorial zoning  
22 authority to any of that platted lot.
- 23 3. A city exercising its extraterritorial zoning authority shall hold a zoning transition  
24 meeting if the territory to be extraterritorially zoned is currently zoned. The city's

1           zoning or planning commission shall meet with the zoning board or boards of all  
2           political subdivisions losing their partial zoning authority. The purpose of the  
3           zoning transition meeting is to review existing zoning rules, regulations, and  
4           restrictions currently in place in the territory to be extraterritorially zoned and to  
5           plan for an orderly transition. The zoning transition meeting must take place before  
6           the city's adoption of an ordinance exercising extraterritorial zoning.

7           4. If two or more cities have boundaries at a distance where there is an overlap of  
8           extraterritorial zoning authority under this section, the governing bodies of the cities  
9           may enter into an agreement regarding the extraterritorial zoning authority of each  
10          city. The agreement must be for a specific term and is binding upon the cities  
11          unless the governing bodies of the cities agree to amend or rescind the agreement  
12          or unless determined otherwise by an administrative law judge in accordance with  
13          this chapter. If a dispute arises concerning the extraterritorial zoning authority of a  
14          city and the governing bodies of the cities involved fail to resolve the dispute, the  
15          dispute must be submitted to a committee for mediation. The committee must be  
16          comprised of one member appointed by the governor, one member of the  
17          governing body of each city, and one member of the planning commission of each  
18          city who resides outside the corporate city limits. The governor's appointee shall  
19          arrange and preside over the meeting and act as mediator at the meeting. A  
20          meeting may be continued until the dispute has been resolved or until the mediator  
21          determines that continued mediation is no longer worthwhile.

22          4. 5. If the mediation committee is unable to resolve the dispute to the satisfaction of the  
23          governing bodies of all the cities involved, the governing body of any of the cities  
24          may petition the office of administrative hearings to appoint an administrative law  
25          judge to determine the extraterritorial zoning authority of the cities in the disputed  
26          area. A hearing may not be held until after at least two weeks' written notice has  
27          been given to the governing bodies of the cities involved in the dispute. At the  
28          hearing, the governor's appointee who mediated the meetings under subsection 3  
29          shall provide information to the administrative law judge on the dispute between  
30          the cities involved and any proposed resolutions or recommendations made by a  
31          majority of the committee members. Any resident of, or person owning property in,

1 a city involved in the dispute or the unincorporated territory that is the subject of the  
2 proposed extraterritorial zoning, a representative of such a resident or property  
3 owner, and any representative of a city involved, may appear at the hearing and  
4 present evidence on any matter to be determined by the administrative law judge.  
5 A decision by the administrative law judge is binding upon all the cities involved in  
6 the dispute and remains effective until the governing bodies of the cities agree to a  
7 change in the zoning authority of the cities. The governing body of a city may  
8 request a review of a decision of an administrative law judge due to changed  
9 circumstances at any time ten years after the decision has become final. An  
10 administrative law judge shall consider the following factors in making a decision  
11 under this subsection:

- 12 a. The proportional extraterritorial zoning authority of the cities involved in the  
13 dispute;
- 14 b. The proximity of the land in dispute to the corporate limits of each city  
15 involved;
- 16 c. The proximity of the land in dispute to developed property in the cities  
17 involved;
- 18 d. Whether any of the cities has exercised extraterritorial zoning authority over  
19 the disputed land;
- 20 e. Whether natural boundaries such as rivers, lakes, highways, or other physical  
21 characteristics affecting the land are present;
- 22 f. The growth pattern of the cities involved in the dispute; and
- 23 g. Any other factor determined to be relevant by the administrative law judge.

24 ~~5-~~ 6. For purposes of this section, the population of a city must be determined by the last  
25 official regular or special federal census. If a city has incorporated after a census,  
26 the population of the city must be determined by a census taken in accordance  
27 with chapter 40-22.

28 ~~6-~~ 7. When a portion of the city is attached to the bulk of the city by a strip of land less  
29 than one hundred feet wide, that portion and strip of land must be disregarded  
30 when determining the extraterritorial zoning limits of the city. This subsection does  
31 not affect the ability of a city to zone land within its city limits.

Fifty-sixth  
Legislative Assembly

1       ~~7.~~ 8. For the purposes of this section, a quarter quarter section shall be determined in  
2                   the manner provided by 2 Stat. 313 [43 U.S.C. 752]. When appropriate, the phrase  
3                   "quarter quarter section" refers to the equivalent government lot.
