5 school district, may not exceed the amount in dollars which the school district levied for the prior
6 school year plus eighteen percent up to a general fund levy of one hundred eighty-five mills on
7 the dollar of the taxable valuation of the district, except that:

- 8 1. In any school district having a total population in excess of four thousand according
9 to the last federal decennial census:
 - 10 a. There may be levied any specific number of mills that upon resolution of the
11 school board has been submitted to and approved by a majority of the
12 qualified electors voting upon the question at any regular or special school
13 district election.
 - 14 b. There is no limitation upon the taxes which may be levied if upon resolution of
15 the school board of any such district the removal of the mill levy limitation has
16 been submitted to and approved by a majority of the qualified electors voting
17 at any regular or special election upon such question.
- 18 2. In any school district having a total population of less than four thousand, there
19 may be levied any specific number of mills that upon resolution of the school board
20 has been approved by fifty-five percent of the qualified electors voting upon the
21 question at any regular or special school election.
- 22 3. In any school district in which the total assessed valuation of property has
23 increased twenty percent or more over the prior year and in which as a result of
24 that increase the school district is entitled to less in state ~~foundation~~ aid payments

26 the deduction required in ~~subsection 3 of section 15-40.1-06~~ 15.1-27-05, there
27 may be levied any specific number of mills more in dollars than was levied in the
28 prior year up to a general fund levy of one hundred eighty-five mills on the dollar of
29 the taxable valuation of the school district. The additional levy authorized by this

16 twenty-five qualified electors, the number of qualified electors in the district must be determined
17 by the county superintendent for such county in which such school is located. However, the
18 approval of discontinuing either such authority does not affect the tax levy in the calendar year
19 in which the election is held. The election must be held in the same manner and subject to the
20 same conditions as provided in this section for the first election upon the question of authorizing
21 the mill levy.

6 **SECTION 33. AMENDMENT.** Section 57-16-04 of the North Dakota Century Code is
7 amended and reenacted as follows:

8 **57-16-04. Increase may be for five years - Extension - Discontinuance.** The

22 which the election is held. The election must be held in the same manner and subject to the
23 same conditions as provided in section ~~15-27-3-08~~ 15.1-12-11 for elections for approval of

31 Grafton, and to provide for water development and utilization and energy conservation and

1 development programs by enactment of an excise tax to be known as the "oil extraction tax"
2 and enactment of an income tax credit.

3 The legislative assembly has determined that many areas within the state of North
4 Dakota do not have adequate water supplies for municipal, domestic, livestock, light industrial,
5 and other uses. However, adequate water supplies are essential for the social and economic
6 stability of municipalities and rural areas. It is, therefore, declared to be in the best interest of
7 the people of the state of North Dakota to establish a resources trust fund to be used to
8 construct, or assist in the construction of, multiple-use water supply facilities. The legislative
9 assembly also recognizes that appropriate planning to meet current and long-range water
10 needs for the benefit of all of the citizens of the state of North Dakota is a matter of concern and
11 high priority. The legislative assembly further intends that revenues, generated by use of any
12 facilities constructed, in whole or in part, with financing from the resources trust fund, shall be
13 deposited in the resources trust fund.

14 **SECTION 35. AMENDMENT.** Subsection 1 of section 57-62-02 of the North Dakota
15 Century Code is amended and reenacted as follows:

16 1. Fifteen percent must be deposited in a permanent trust fund in the state treasury,

20 chapter 563, 1975 Session Laws; section 12, chapter 560, 1977 Session Laws; or
21 section 13, chapter 626, 1979 Session Laws must also be deposited in the trust
22 fund created pursuant to this subsection. The fund must be held in trust and
23 administered by the board of university and school lands for loans to coal impacted
24 counties, cities, and school districts as provided in section 57-62-03 and for loans
25 to school districts pursuant to chapter ~~45-60~~ 15.1-36. The board of university and
26 school lands may invest such funds as are not loaned out as provided in this
27 chapter and may consult with the state investment board as provided by law. The
28 income, including interest payments on loans, from the trust must be used first to
29 replace uncollectible loans made from the fund and the balance must be deposited
30 in the state's general fund. Loan principal payments must be redeposited in the
31 trust fund. The trust fund must be perpetual and held in trust as a replacement for

- 1 depleted natural resources subject to ~~the provisions of~~ this chapter and chapter
2 ~~45-60~~ 15.1-36.
- 3 **SECTION 36. REPEAL.** Sections 15.1-07-22 and 15.1-09-37 of the North Dakota
4 Century Code are repealed.
