1 A BILL for an Act to amend and reenact subsection 11 of section 20.1-02-05 of the North
2 Dakota Century Code, relating to hunting by handicapped persons on lands controlled by the
3 board of university and school lands.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Subsection 11 of section 20.1-02-05 of the 1999
6 Supplement to the North Dakota Century Code is amended and reenacted as follows:

7 11. Issue, ~~at the director's discretion,~~ special permits to shoot wildlife from a stationary
8 motor vehicle upon application from individuals who are physically unable to walk
9 for purposes of hunting or taking wildlife or who have lost the use of an arm at or
10 below the elbow. The application must be accompanied by a physician's
11 statement verifying the person's condition, and if used to hunt on lands controlled
12 by the board of university and school lands, must designate the land on which the
13 individual intends to hunt. The permittee must have permission from the lessee
14 and the commissioner of university and school lands to hunt on lands controlled by
15 the board of university and school lands. A permit issued under this subsection
16 allows the permittee to drive, or to be driven, on to any land for the purposes of
17 hunting wildlife, except that neither any other passenger within the vehicle nor the
18 driver, if someone other than the permittee, may be a hunter, unless the other
19 person is also a permittee. Provided, however, that if the land is privately owned
20 and if the permittee is not going to drive or be driven along an established road or
21 trail, the permittee must first obtain the consent of the owner or ~~tenant~~ lessee to
22 hunt on the land in the manner provided in this title.
