- 2 3. The commissioner may require an applicant or registrant to provide efficacy,
3 toxicity, residue, and any other data necessary to determine if the pesticide will
4 perform its intended function without unreasonable adverse effects on the
5 environment.
- 6 4. If the commissioner finds that the application conforms to law, the commissioner
7 shall issue to the applicant a certificate of registration of the product.
- 8 5. If after a public hearing before the commissioner the application is denied, the
9 product may not be offered for sale.
- 10 6. Each registration covers a two-year period beginning January first and expiring
11 December thirty-first of the following year. A certificate of registration may not be
12 issued for a term longer than two years, and is not transferable from one person to
13 another, or from the ownership to whom issued to another ownership, or from one
14 place to another place or location.
- 15 7. A penalty of fifty percent of the license or registration fee must be imposed if the
16 license or certificate of registration is not applied for on or before January thirty-first
17 following the expiration date, or within the same month the pesticides are first
18 manufactured or sold within this state.
- 19 8. Each product must go through a two-year discontinuance period in order to clear
20 all outstanding products in the channel of trade.
- 21 9. This section does not apply to a pesticide sold by a retail dealer if the registration
22 fee has been paid by the manufacturer, jobber, or any other person, as required by
23 this section.

24 **SECTION 3.** A new section to chapter 19-18 of the North Dakota Century Code is
25 created and enacted as follows:

26 **Chemical and rebate equity fund - Continuing appropriation.** The chemical and
27 rebate equity fund is a special fund in the state treasury. All moneys in the fund are
28 appropriated on a continuing basis to the commissioner for the purpose of providing rebates to
29 persons who apply pesticides to land or crops in this state.
