**BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

**SECTION 1. Damage or destruction of crops, livestock, or commodities - Damages.**

1. A person is liable for damages as provided in subsection 2 if that person willfully and knowingly damages or destroys any crop, livestock, or commodity which is being produced, or has been produced for:

  - b. Testing or research purposes as part of a product development program in conjunction with or in coordination with a private research facility, a university, or any federal, state, or local government entity.

Damages to crops, livestock, or commodities under this section which are reasonably necessary under a written contract or recorded easement duly entered into by the crop, livestock, or commodity producer are not recoverable.
