In Regular Session Commencing Tuesday, January 9, 2001**

SENATE BILL NO. 2381
(Senators Klein, Thane)
(Representatives Berg, Mahoney, Schmidt)

AN ACT to amend and reenact section 53-06.2-10.1 of the North Dakota Century Code, relating to simulcast wagering.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 53-06.2-10.1 of the North Dakota Century Code is amended and reenacted as follows:

53-06.2-10.1. Simulcast wagering. In addition to racing under the certificate system, as authorized by this chapter, and conducted upon the premises of a racetrack, simulcast parimutuel wagering may be conducted in accordance with this chapter and interim standards that need not comply with chapter 28-32, or rules adopted by the commission under this chapter. Any organization qualified under section 53-06.2-06 to conduct racing may make written application to the commission for the conduct of simulcast parimutuel wagering on races held at licensed racetracks inside the state or racetracks outside the state, or both. Notwithstanding any other provision of this chapter, the commission may authorize any licensee to participate in interstate or international combined wagering pools with one or more other racing jurisdictions. Any time that a licensee participates in an interstate or international combined pool, the licensee, as prescribed by the commission, may adopt the take-out of the host jurisdiction or facility. The commission may permit a licensee to use one or more of its races or simulcast programs for an interstate or international combined wagering pool at locations outside its jurisdiction and may allow parimutuel pools in other states to be combined with parimutuel pools in its jurisdiction for the purpose of establishing an interstate or international combined wagering pool. The participation by a licensee in a combined interstate or international wagering pool does not cause that licensee to be considered to be doing business in any jurisdiction other than the jurisdiction in which the licensee is physically located. Parimutuel taxes or commissions may not be imposed on any amounts wagered in an interstate or international combined wagering pool other than amounts wagered within this jurisdiction. The certificate system also permits parimutuel wagering to be conducted through account wagering. As used in this section, "account wagering" means a form of parimutuel wagering in which an individual deposits money in an account and uses the account balance to pay for parimutuel wagers. An account wager made on an account established in this state may only be made through the licensed simulcast service provider authorized by the commission to operate the simulcast parimutuel wagering system under the certificate system. An account wager may be made in person, by direct telephone communication, or through other electronic communication in accordance with rules adopted by the commission. Breakage for interstate or international combined wagering pools must be calculated in accordance with the statutes or rules of the host jurisdiction and must be distributed among the participating jurisdictions in a manner agreed to among the jurisdictions.
