1B. **County, city, and school district fiscal effect:** *Identify the fiscal effect on the appropriate political subdivision.*

2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

This bill was submitted for a word change only. If passed, it will have no fiscal impact. It is unclear what the intent of the Legislature was in passing the initial bill and using the word "filing." It was the understanding of the Highway Patrol the word "faxing" should have been used, as that was our intent in suggesting the fee to the Department of Transportation.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*
- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

If this bill is defeated and it was the intent of the Legislature to charge a "filing" fee on every permit issued, it is estimated that \$100,000 would be added to the State Highway Fund.

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

We faxed 1,641 permits in the year 2000 for an estimated cost of \$100 per year. This is expected to remain the same with no additional costs to the department.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the*

biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.

The estimated cost of faxing permits is included in our projected budget.
