2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

This bill would continue the moratorium on basic care and long-term care bed capacity. Additionally, it would allow long-term care facilities to bank beds for up to 18 months from the date of transfer. The bill would also allow tribal facilities to bank beds for up to 18 months for basic care facilities. It also provides for a provision that for each bed transferred one must be reduced, with the exception of purchasing a facility where this provision doesn't apply. This bill would not cause a fiscal impact at this time. Fiscal impact would need to be reevaluated if a new basic care or long-term care facility is established with the transferred beds.
