3           **SECTION 2. BOARD INITIATIVES.** The sum of \$485,306, or so much of the sum as  
4 may be necessary, included in the board initiatives line item in subdivision 1 of section 1 of this  
5 Act, must be used to support university system and statewide goals linked to the state board of  
6 higher education strategic plan and the higher education roundtable report, as determined by  
7 the board.

8           **SECTION 3. CAPITAL ASSETS.** The sum of \$12,790,689, or so much of the sum as  
9 may be necessary, included in the capital assets line item in subdivision 1 of section 1 of this  
10 Act, must be used by the state board of higher education to satisfy outstanding bond  
11 obligations.

12           **SECTION 4. TECHNOLOGY POOL.** The sum of \$25,089,639, or so much of the sum  
13 as may be necessary, included in the technology pool line item in subdivision 1 of section 1 of  
14 this Act, must be used for the benefit of the institutions and entities under the control of the  
15 state board of higher education, as determined by the board. Technology funding allocations  
16 must be made based on historic funding and the North Dakota university system information  
17 technology plan. Funds allocated pursuant to this section must be used to support the higher  
18 education computer network, the interactive video network, the on-line dakota information  
19 network, and other related technology initiatives as determined by the board.

20           **SECTION 5. OPERATIONS POOL.** The sum of \$578,417, or so much of the sum as  
21 may be necessary, included in the operations pool in item in subdivision 1 of section 1 of this  
22 Act, is to be allocated by the state board of higher education to the entities included in  
23 section 1.

24           **SECTION 6. CONTINGENCY AND CAPITAL EMERGENCY.** The sum of \$296,693,  
25 or so much of the sum as may be necessary, included in the contingency and capital  
26 emergency line item in subdivision 1 of section 1 of this Act, must be used to meet unforeseen  
27 operations or capital asset needs and opportunities, as determined by the state board of higher  
28 education, at institutions and entities under the control of the board.

29           **SECTION 7. FEDERAL, PRIVATE, AND OTHER FUNDS - APPROPRIATION.** All  
30 funds, in addition to those appropriated in section 1 of this Act, from federal, private, and other  
31 sources, received by the institutions and entities under the control of the state board of higher

1 education are appropriated to those institutions and entities, for the biennium beginning July 1,  
2 2003, and ending June 30, 2005. All additional funds received under the North  
3 Dakota-Minnesota reciprocity agreement during the biennium beginning July 1, 2003, and  
4 ending June 30, 2005, are appropriated to the state board of higher education for  
5 reimbursement to institutions under the control of the board and for student financial assistance  
6 grants. Twenty-two percent of the additional funds must be used for student financial  
7 assistance grants for students at private baccalaureate degree-granting institutions.

8 **SECTION 8. EXEMPTION.** The appropriations contained in section 1 of chapter 28 of  
9 the 2001 Session Laws are not subject to the provisions of section 54-44.1-11.

10 **SECTION 9. UNEXPENDED GENERAL FUND - EXCESS INCOME.** Any unexpended  
11 general fund appropriation authority to and any excess income received by the institutions and  
12 entities under the control of the state board of higher education are not subject to the provisions  
13 of section 54-44.1-11, and any unexpended funds from these appropriations or revenues are  
14 available and may be expended by those entities, during the biennium beginning July 1, 2005,  
15 and ending June 30, 2007.

16 **SECTION 10. FULL-TIME EQUIVALENT POSITION ADJUSTMENTS.** The state  
17 board of higher education is authorized to adjust full-time equivalent positions as needed,  
18 subject to the availability of funds, for institutions and entities under its control. The university  
19 system shall report any adjustments to the office of management and budget before the  
20 submission of the 2005-07 biennium budget request.

21 **SECTION 11. STATE FORESTER RESERVE ACCOUNT - BUDGET SECTION**  
22 **APPROVAL.** The estimated income line item in subdivision 2 of section 1 of this Act includes  
23 the sum of \$115,000 from the state forester reserve account, established pursuant to section  
24 4-19-01.2, for construction of equipment and supply storage buildings in Towner and Bottineau.  
25 After receiving approval from the budget section, the forest service may obtain and utilize any  
26 additional funds, which are appropriated for the biennium beginning July 1, 2003, and ending  
27 June 30, 2005, to assist in the construction of the equipment and supply storage buildings.

28 **SECTION 12. WATER DEVELOPMENT TRUST FUND.** Notwithstanding section  
29 54-27-25, the sum of \$1,456,074, or so much of the sum as may be necessary, included in the  
30 contingency and capital emergency line item in subdivision 1 of section 1 of this Act, is from the  
31 water development trust fund and may be spent by the state board of higher education for

1 disaster response costs, during the biennium beginning July 1, 2003, and ending June 30,  
2 2005.

3 **SECTION 13. BOND ISSUANCE AUTHORIZATION - PURPOSES -**

4 **APPROPRIATION.** The state board of higher education, in accordance with chapter 15-55,  
5 may arrange for the funding of the projects authorized in this section, declared to be in the  
6 public interest, through the issuance of self-liquidating, tax-exempt evidences of indebtedness  
7 under chapter 15-55, beginning with the effective date of this Act and ending June 30, 2005.  
8 Evidences of indebtedness issued pursuant to this section are not a general obligation of the  
9 state of North Dakota. Any unexpended balance resulting from the proceeds of the evidences  
10 of indebtedness must be placed in a sinking fund to be used for the retirement of the  
11 indebtedness. The evidences of indebtedness may be issued, and the proceeds are  
12 appropriated, for the biennium beginning July 1, 2003, and ending June 30, 2005, for the  
13 purpose of financing the following capital projects:

14 Bismarck state college - Student apartments	\$1,785,000

19 Valley City state university - Kolstoe hall renovation	\$3,300,000
20 North Dakota state university - Bison court construction	\$11,000,000

21 Mayville state university may obtain and utilize special funds to assist in the renovation and  
22 addition of the fieldhouse. There is appropriated to Mayville state university the sum of  
23 \$1,000,000, or so much as may be necessary, from any other funds that may become available  
24 for this project, for the biennium beginning July 1, 2003, and ending June 30, 2005.

25 Total special funds appropriation \$43,460,000

26 **SECTION 14. PROJECT AUTHORIZATIONS.** The industrial commission, acting as  
27 the North Dakota building authority, shall arrange for the funding of the projects authorized in  
28 this section, hereby declared to be in the public interest, through the issuance of evidences of  
29 indebtedness under chapter 54-17.2, during the biennium beginning July 1, 2003, and ending  
30 June 30, 2005. The proceeds of the evidences of indebtedness and other available funds are

1 hereby appropriated during the biennium beginning July 1, 2003, and ending June 30, 2005, for  
2 the following projects:

3 Dickinson state university	Murphy hall phase I addition	\$5,882,047
4 Valley City state university	Graichen gymnasium elevator	\$785,300
5	and emergency exits	
6 Mayville state university	Steamline replacement phase II	\$1,355,000

7 The industrial commission shall issue evidences of indebtedness under this section with the  
8 condition that lease rental payments need not begin until July 1, 2005. This authority of the  
9 industrial commission to issue evidences of indebtedness ends June 30, 2005, but the  
10 industrial commission may continue to exercise all other powers granted to it under chapter  
11 54-17.2 and this Act and to comply with any covenants entered into before that date.

12 Grand total special funds appropriation \$8,022,347

13 **SECTION 15. BOND ISSUANCE REPAYMENT RESPONSIBILITY.** Of the total  
14 amount of evidences of indebtedness issued under the provisions of section 14 of this Act, a  
15 total of \$250,000 must be available from non-general fund sources to assist in the retirement of  
16 the evidences of indebtedness issued for the project costs associated with the construction of  
17 the projects authorized by this Act:

18 Dickinson state university \$250,000

19 The Dickinson state university local responsibility must be paid during the 2005-07 biennium.

20 **SECTION 16. BOND ISSUANCE ASSISTANCE.** The North Dakota university system  
21 shall provide funding of \$830,000 from the capital bond payments line item in subdivision 1 of  
22 chapter 28 of the 2001 Session Laws to the industrial commission for bond issuance buydown  
23 for projects authorized in section 14 of this Act.

24 **SECTION 17. STUDENT FINANCIAL ASSISTANCE GRANTS.** The funds  
25 appropriated for student financial assistance grants in section 1 of this Act must be allocated  
26 not less than twenty-two percent to students at private baccalaureate degree-granting  
27 institutions with the remaining funds allocated to students at public and native American  
28 institutions.

29 **SECTION 18. LEGISLATIVE INTENT - HIGHER EDUCATION ACCOUNTABILITY**

17                    appropriations are made, including budget to actual comparison, use of  
18                    third-party funding, and related debt.

19           **SECTION 19. GENERAL FUND TRANSFER.** The industrial commission shall transfer  
20 to the general fund the sum of \$14,258,969 from the North Dakota student loan trust. The  
21 moneys must be transferred as requested by the director of the office of management and  
22 budget during the biennium beginning July 1, 2003, and ending June 30, 2005, and upon  
23 certification by the student loan trust trustee that sufficient moneys remain available to pay all  
24 debt service on student loan trust bonds, all required rebate payments to the United States  
25 treasury, and all program operating expenses.

26           **SECTION 20. COMPETITIVE RESEARCH.** The competitive research line item in  
27 subdivision 1 of section 1 of this Act includes \$100,000 for public private partnership for  
28 establishment of a design center at the university of North Dakota. Federal and private  
29 matching funds totaling \$300,000 must be leveraged by the North Dakota university system  
30 prior to June 30, 2004, or the funding is to be made available to other competitive research  
31 initiatives.

1           **SECTION 21. CENTERS FOR EXCELLENCE.** The centers for excellence line item in  
2 subdivision 1 of section 1 of this Act includes \$1,150,000 for the John D. Odegard center for  
3 aerospace science - center of excellence in multimedia technology and \$400,000 is for future  
4 centers for excellence. Of the \$1,150,000, \$206,000 is for the expanded air service enterprise -  
5 upper great plains air taxi service. Federal matching funding relating to the expanded air  
6 service enterprise - upper great plains air taxi service must be leveraged by the North Dakota  
7 university system before June 30, 2004, or the funding is to be made available for other centers  
8 for excellence. The funding for future centers for excellence is to be distributed by the state  
9 board of higher education. The funds provided in this section may not be used to supplant  
10 funding for current operations or academic instruction or to pay indirect costs.

11           **SECTION 22. EDUCATION INCENTIVE PROGRAMS.** The funding appropriated for  
12 education incentive programs may be allocated to education incentive programs as determined  
13 by the state board of higher education, including the reduction or elimination of specific  
14 programs, and the state board of higher education may determine the appropriate number of  
15 years of program eligibility for each education incentive program.

16           **SECTION 23. TRANSFER AUTHORITY.** If, during the biennium beginning July 1,  
17 2003, and ending June 30, 2005, the state board of higher education determines that funds  
18 allocated to institution operations in section 1 of this Act are needed for capital projects or  
19 extraordinary repairs, the board may transfer funds from operations to capital assets. The  
20 board shall report any transfer of funds under this section to the office of management and  
21 budget.

22           **SECTION 24. LEGISLATIVE COUNCIL STUDY - HIGHER EDUCATION.** The  
23 legislative council shall consider continuing the study of higher education during the 2003-04  
24 interim. If conducted, the study may include the use of the higher education roundtable format.  
25 The study should further refine the expectations of the North Dakota university system in  
26 meeting the state's needs in the twenty-first century, the funding methodology needed to meet  
27 those expectations and needs, and the accountability system and reporting methodology for the  
28 university system. The legislative council shall report its findings and recommendations,  
29 together with any legislation required to implement the recommendations, to the fifty-ninth  
30 legislative assembly.

1           **SECTION 25. CONSTRUCTION OF BASKETBALL ARENA - APPROVAL.** The state  
2 board of higher education may approve amendments to terms of the agreement entered under  
3 chapter 159 of the 1999 Session Laws and may authorize the construction of a basketball  
4 arena on the site authorized under that legislation for the university of North Dakota to be  
5 financed with private funds.

6           **SECTION 26. PURCHASE OF HOTEL - APPROVAL.** The state board of higher  
7 education may authorize the university of North Dakota to purchase a hotel and land upon  
8 which the hotel is located within the city of Grand Forks for use as a student residence facility  
9 for a sum not to exceed \$1,200,000, under terms approved by the board. The university of  
10 North Dakota may utilize available housing reserve funds for the purchase.

11           **SECTION 27. MAYVILLE STATE UNIVERSITY - FIELDHOUSE RENOVATION AND**  
12 **ADDITION - REVENUE NOTE.** The state board of higher education may, as an alternative to  
13 issuing revenue bonds to finance the Mayville state university fieldhouse renovation and  
14 addition authorized in section 13 of this Act, enter an agreement or agreements and do all  
15 things necessary to finance this improvement with a tax-exempt revenue note, under terms and  
16 conditions acceptable to the board. The proceeds of the revenue note must be used to pay all  
17 or part of the cost of construction, equipment, and furnishing of the Mayville state university  
18 fieldhouse, costs of issuance, interest, and any reasonable required reserve. The note may be  
19 issued based on the pledge of revenues generated by the fieldhouse, student fees, local sales  
20 tax revenues dedicated to the improvement, and assignment of capital campaign collections or  
21 other private funds. A revenue note authorized by this section may not constitute a direct  
22 obligation of the state or any agency or political subdivision of the state within the meaning of  
23 any statutory or constitutional provision. The principal and interest on the note must be payable  
24 solely from revenues generated by the fieldhouse, student fees, local sales tax revenues  
25 dedicated to the improvement, and assignment of capital campaign collections or other private  
26 funds.

27           **SECTION 28. LEGISLATIVE INTENT - UNIVERSITY OF NORTH DAKOTA SCHOOL**  
28 **OF MEDICINE AND HEALTH SCIENCES.** It is the intent of the fifty-eighth legislative  
29 assembly that funding of \$395,000 included in the operations line item in subdivision 13 of  
30 section 1 of this Act is considered one-time funding and the funding is not to be included in the

1 university of North Dakota school of medicine and health sciences base funding for  
2 determination of funding requests for the 2005-07 biennium.

3 **SECTION 29. LEGISLATIVE INTENT - MAYVILLE STATE UNIVERSITY.** It is the  
4 intent of the fifty-eighth legislative assembly that funding of \$50,000 included in the capital  
5 assets line item in subdivision 9 of section 1 of this Act is for improvement of the sound system

7 **SECTION 30. LEGISLATIVE INTENT - MINOT STATE UNIVERSITY - BOTTINEAU.**  
8 It is the intent of the fifty-eighth legislative assembly that funding of \$97,000 included in the  
9 capital assets line item in subdivision 12 of section 1 of this Act is for air conditioning-related  
10 extraordinary repairs.

11 **SECTION 31. STUDENT INTERNSHIP PROGRAM - REPORT TO THE BUDGET**  
12 **SECTION.** The state board of higher education shall study, during the 2003-04 interim, the use  
13 of internships to attract students to high-growth occupations in the state and shall implement a  
14 student internship program by July 1, 2004. The board is encouraged to seek input from the  
15 department of commerce, job service North Dakota, the higher education roundtable, and the  
16 North Dakota student association, and the board may accept any public or private moneys to  
17 implement the program. The board shall provide a report on the program implemented to the  
18 first meeting of the budget section after July 1, 2004, and shall present a report to the fifty-ninth  
19 legislative assembly.

20 **SECTION 32. EXEMPTION.** The facility authorized in chapter 159 of the 1999 Session  
21 Laws is exempt from North Dakota Century Code section 5-02-05 for December 25, 2004.

22 **SECTION 33. AMENDMENT.** Section 15-10-08 of the North Dakota Century Code is  
23 amended and reenacted as follows:

24 **15-10-08. Compensation of board members - Expenses - Legislative**  
25 **appropriations.** Each member of the state board of higher education, except the student  
26 member, is entitled to receive as compensation ~~sixty-two~~ one hundred dollars ~~and fifty cents~~  
27 per day for each calendar day actually spent devoted to the duties of office, and necessary  
28 expenses in the same manner and amounts as other state officials for attending meetings and  
29 performing other functions of office. The legislative assembly shall provide adequate funds to  
30 carry out the functions and duties of the board.

1           **SECTION 34. AMENDMENT.** Section 15-10-12 of the North Dakota Century Code is  
2 amended and reenacted as follows:

3           **15-10-12. (Effective through June 30, ~~2003~~ 2005) Board may accept gifts and**  
4 **bequests - Deposit and appropriation of institutional funds.** Subject to the limitations of  
5 section 15-10-12.1, the state board of higher education may receive donations, gifts, grants,  
6 and bequests offered or tendered to or for the benefit of any institution of higher education  
7 under its control or subject to its administration, and all moneys coming into the hands of the  
8 board as donations, gifts, grants, and bequests must be used for the specific purpose for which  
9 they are donated or given. A special revenue fund, for each institution of higher education  
10 under the control of the board or subject to its administration, must be maintained within the  
11 state treasury. All rent, interest, or income from land, money, or property, donated or granted  
12 by the United States and allocated to specific institutions of higher learning under the terms of  
13 the Enabling Act and the Constitution of North Dakota must be deposited in the special revenue  
14 fund of each institution and expended in accordance with section 1 of article IX of the  
15 Constitution of North Dakota. All other funds, unless restricted by the terms of a grant,  
16 donation, or bequest, received by the institutions from federal, state, and local grants and  
17 contracts, indirect cost recoveries, tuition, special student fees, room and board fees and other  
18 auxiliary enterprise fees, student activity fees, continuing education program fees, internal  
19 service fund revenues, and all other revenues must be deposited in the institution special  
20 revenue funds. The state treasurer shall immediately transfer the funds deposited in the  
21 special revenue funds to institution accounts in the Bank of North Dakota. Biennial estimates of  
22 revenue and expenditures of the other funds by source of funds must be presented at the same  
23 time biennial budget requests for appropriations from the special revenue fund and state  
24 general fund are prepared and submitted to the office of the budget ~~pursuant to section~~  
25 ~~15-10-15~~. Payments from each institution's general fund appropriation must be made in  
26 amounts as may be necessary for the operation and maintenance of each institution. The  
27 funds in the institution accounts are appropriated on a continuing basis to the state board of  
28 higher education. All such appropriations are subject to proration in the same manner as other  
29 appropriations are prorated if insufficient funds are available to meet expenditures from the  
30 general fund. Sinking funds for the payment of interest and principal of institutional revenue  
31 bonds must be deposited pursuant to section 15-55-06.

1           **(Effective after June 30, 2003 2005) Board may accept gifts and bequests -**  
2   **Deposit of funds.** The state board of higher education may, subject to the limitations of  
3 section 15-10-12.1, receive donations, gifts, grants, and bequests offered or tendered to or for  
4 the benefit of any institution of higher education under its control or subject to its administration,  
5 and all moneys coming into the hands of the board as donations, gifts, grants, and bequests  
6 must be used for the specific purpose for which they are donated or given. A special revenue  
7 fund, for each institution of higher education under the control of the board or subject to its  
8 administration, must be maintained within the state treasury and all institutional income from  
9 tuition collections must be placed in the special fund for the use of the institution for which the  
10 money was raised. All rent, interest, or income from land, money, or property, donated or  
11 granted by the United States and allocated to specific institutions of higher learning under the  
12 terms of the Enabling Act and the Constitution of North Dakota must be deposited in the special  
13 revenue fund of each institution and expended in accordance with section 1 of article IX of the  
14 Constitution of North Dakota. Moneys in the special revenue fund are subject to legislative  
15 appropriations. All other funds, unless restricted by the terms of a grant, donation, or bequest,  
16 received by the institutions from federal, state, and local grants and contracts, indirect cost  
17 recoveries, special student fees, room and board fees and other auxiliary enterprise fees,  
18 student activity fees, continuing education program fees, internal service fund revenues, and all  
19 other revenues must be deposited in the institution special revenue funds. The state treasurer  
20 shall immediately transfer the funds deposited in the special revenue funds to institution  
21 accounts in the Bank of North Dakota. Biennial estimates of revenue and expenditures of the  
22 other funds by source of funds must be presented at the same time biennial budget requests  
23 for appropriations from the special revenue fund and state general fund are prepared and  
24 submitted to the office of the budget pursuant to ~~section 15-10-15~~. Payments from each  
25 institution's general fund appropriation must be made in amounts as may be necessary for the  
26 operation and maintenance of each institution, except that at the close of the biennium the  
27 balance of funds not paid from the general fund appropriation must be deposited in the special  
28 revenue funds of the institutions. All such appropriations are subject to proration in the same  
29 manner as other appropriations are prorated if insufficient funds are available to meet  
30 expenditures from the general fund. Sinking funds for the payment of interest and principal of  
31 institutional revenue bonds must be deposited pursuant to section 15-55-06.

1           **SECTION 35. AMENDMENT.** Section 54-44.1-04 of the North Dakota Century Code is  
2 amended and reenacted as follows:

3           **54-44.1-04. (Effective through June 30, ~~2003~~ 2005) Budget estimates of budget**  
4 **units filed with the office of the budget - Deadline.** The head of each budget unit, not later  
5 than July fifteenth of each year next preceding the session of the legislative assembly, shall  
6 submit to the office of the budget, estimates of financial requirements of the person's budget  
7 unit for the next two fiscal years, on the forms and in the manner prescribed by the office of the  
8 budget, with such explanatory data as is required by the office of the budget and such  
9 additional data as the head of the budget unit wishes to submit. The budget estimates for the  
10 North Dakota university system must include block grants for the university system for a base  
11 funding component and for an initiative funding component for specific strategies or initiatives  
12 and a budget estimate for an asset funding component for renewal and replacement of physical  
13 plant assets at the institutions of higher education. The estimates so submitted must bear the  
14 approval of the board or commission of each budget unit for which a board or commission is  
15 constituted. The director of the budget in the director's discretion may extend the filing date for  
16 any budget unit if the director finds there is some circumstance ~~which~~ that makes it  
17 advantageous to authorize the extension. If a budget unit has not submitted its estimate of  
18 financial requirements by the required date or within a period of extension set by the director of  
19 the budget, the director of the budget shall prepare ~~such~~ the budget unit's estimate of financial  
20 requirements except ~~such~~ the estimate may not exceed ninety percent of ~~such~~ the budget unit's  
21 previous biennial appropriation. The director of the budget or ~~such~~ a subordinate officer as the  
22 director designates shall examine the estimates and shall afford to the heads of budget units  
23 reasonable opportunity for explanation in regard thereto and, when requested, shall grant to the  
24 heads of budget units a hearing thereon which must be open to the public.

25           **(Effective after June 30, ~~2003~~ 2005) Budget estimates of budget units filed with**  
26 **the office of the budget - Deadline.** The head of each budget unit, not later than July fifteenth  
27 of each year next preceding the session of the legislative assembly, shall submit to the office of  
28 the budget, estimates of financial requirements of the person's budget unit for the next two  
29 fiscal years, on the forms and in the manner prescribed by the office of the budget, with such  
30 explanatory data as is required by the office of the budget and such additional data as the head  
31 of the budget unit wishes to submit. The estimates so submitted must bear the approval of the

1 board or commission of each budget unit for which a board or commission is constituted. The  
2 director of the budget may extend the filing date for any budget unit if the director finds there is  
3 some circumstance ~~which~~ that makes it advantageous to authorize the extension. If a budget  
4 unit has not submitted its estimate of financial requirements by the required date or within a  
5 period of extension set by the director of the budget, the director of the budget shall prepare  
6 ~~such the~~ budget unit's estimate of financial requirements except ~~such the~~ estimate may not  
7 exceed ninety percent of ~~such the~~ budget unit's previous biennial appropriation. The director of  
8 the budget or ~~such a~~ subordinate officer as the director shall designate shall examine the  
9 estimates and shall afford to the heads of budget units reasonable opportunity for explanation  
10 in regard thereto and, when requested, shall grant to the heads of budget units a hearing  
11 thereon which must be open to the public.

12 **SECTION 36. AMENDMENT.** Section 54-44.1-06 of the North Dakota Century Code is  
13 amended and reenacted as follows:

14 **54-44.1-06. (Effective through June 30, 2003 2005) Preparation of the budget**

15 **data - Contents.** The director of the budget, through the office of the budget, shall prepare  
16 budget data which must contain and include the following:

17 1. Summary statements of the financial condition of the state, accompanied by ~~such~~  
18 the detailed schedules of assets and liabilities as the director of the budget ~~deems~~  
19 determines desirable, which ~~shall~~ must include, ~~but not be limited to,~~ the following:

20 a. Summary statements of fund balances and assets showing in detail for each  
21 fund the surplus or deficit at the beginning of each of the two fiscal years of  
22 the previous biennium and the first fiscal year of the present biennium, the  
23 actual revenue for those years, the total appropriations for the previous and  
24 present biennium, and the total expenditures for those fiscal years; and

25 b. Similar summary statements of the estimated fund balances and assets for  
26 the current fiscal year and each of the fiscal years of the next biennium.

27 Summary statements may include, ~~but not be limited to,~~ a comparative  
28 consolidated balance sheet showing all the assets and liabilities of the state and  
29 the surplus or deficit, as the case may be, at the close of the first fiscal year of the  
30 current biennium.

- 1           2.   Statements of actual revenue for the previous biennium, the first year of the  
2                   present biennium, and the estimated revenue of the current fiscal year and of the  
3                   next biennium, and a statement of unappropriated surplus expected to have  
4                   accrued in the state treasury at the beginning of the next fiscal year. The  
5                   statements of revenue and estimated revenue must be classified by sources and  
6                   by budget unit collecting them. Existing sources of revenue must be analyzed as  
7                   to their equity, productivity, and need for revision, and any proposed new sources  
8                   of revenue must be explained.
- 9           3.   Summary statements of expenditures of the previous biennium and first year of the  
10                   present biennium, itemized by budget units and classified as prescribed by the  
11                   director of the budget.
- 12          4.   Detailed comparative statements of expenditures and requests for appropriations  
13                   by funds, budget units and classification of expenditures, showing the expenditures  
14                   for the previous biennium, the first fiscal year of the present biennium, the budget  
15                   of the current biennium, and the governor's recommendation for appropriations for  
16                   each budget unit for the next biennium, all distributed according to the prescribed  
17                   classification of expenditures. Following the lists of actual and proposed  
18                   expenditures of each budget unit there must be a brief explanation of the functions  
19                   of the unit and comments on its policies and plans and on any considerable  
20                   differences among the amounts recommended, with ~~such~~ any descriptive,  
21                   quantitative, comparative, and other data as to work done, unit costs, and like  
22                   information as may be considered necessary or desirable. For capital outlay  
23                   expenditures involving construction projects to be completed in two or more fiscal  
24                   years, there must be shown the total estimated cost of each such project and the  
25                   amount thereof recommended to be appropriated and expended in each ensuing  
26                   fiscal year until completion of the project. Capital outlay needs may be projected  
27                   for at least two years beyond the period covered by the budget.
- 28          5.   A detailed statement showing the estimate of all moneys required to be raised or  
29                   appropriated for the payment of interest upon the funded debt of the state and its  
30                   other obligations bearing interest, and the amount of money required to be

- 1 contributed in the two next ensuing fiscal years to the general sinking funds  
2 maintained for the redemption and payment of the debts of the state.
- 3 6. A summary statement of the unappropriated fund balance estimated to be  
4 available at the beginning of the next biennium, and the estimated revenue of the  
5 next biennium, as compared with the total recommended amounts of appropriation  
6 for all classes of expenditures for the next biennium, and if the total of the  
7 recommended expenditures exceeds the total of the estimated resources,  
8 recommendations as to how the deficiency is to be met and estimates of any  
9 proposed additional revenue.
- 10 7. Drafts of proposed general and special appropriations acts embodying the budget  
11 data and recommendations of the governor for appropriations for the next  
12 biennium and drafts of such revenues and other acts recommended by the  
13 governor for putting into effect the proposed financial plan. The recommended  
14 general appropriation for each budget unit must be specified in a separate section  
15 of the general appropriations act. The draft of the proposed appropriations act for  
16 the North Dakota university system must include block grants for a base funding  
17 appropriation and for an initiative funding appropriation for specific strategies or  
18 initiatives and an appropriation for asset funding for renewal and replacement of  
19 physical plant assets at the institutions of higher education ~~in the format approved~~  
20 ~~by the fifty seventh legislative assembly.~~
- 21 8. A list of every individual asset or service, excluding real estate, with a value of at  
22 least fifty thousand dollars and every group of assets and services comprising a  
23 single system with a combined value of at least fifty thousand dollars acquired  
24 through a capital or operating lease arrangement or debt financing arrangement by  
25 a state agency or institution. The list must include assets or services acquired in  
26 the current biennium and anticipated assets or services to be acquired in the next  
27 biennium.
- 28 9. ~~Such~~ Any other information as the director of the budget ~~deems~~ determines  
29 desirable or as is required by law.

1           **(Effective after June 30, ~~2003~~ 2005) Preparation of the budget data - Contents.**

2   The director of the budget, through the office of the budget, shall prepare budget data which  
3   must contain and include the following:

4           1.   Summary statements of the financial condition of the state, accompanied by ~~such~~  
5           the detailed schedules of assets and liabilities as the director of the budget ~~deems~~  
6           determines desirable, which ~~shall~~ must include, ~~but not be limited to,~~ the following:

7           a.   Summary statements of fund balances and assets showing in detail for each  
8           fund the surplus or deficit at the beginning of each of the two fiscal years of  
9           the previous biennium and the first fiscal year of the present biennium, the  
10          actual revenue for those years, the total appropriations for the previous and  
11          present biennium, and the total expenditures for those fiscal years; and

12          b.   Similar summary statements of the estimated fund balances and assets for  
13          the current fiscal year and each of the fiscal years of the next biennium.

14          Summary statements may include, ~~but not be limited to,~~ a comparative  
15          consolidated balance sheet showing all the assets and liabilities of the state and  
16          the surplus or deficit, as the case may be, at the close of the first fiscal year of the  
17          current biennium.

18          2.   Statements of actual revenue for the previous biennium, the first year of the  
19          present biennium, and the estimated revenue of the current fiscal year and of the  
20          next biennium, and a statement of unappropriated surplus expected to have  
21          accrued in the state treasury at the beginning of the next fiscal year. The  
22          statements of revenue and estimated revenue must be classified by sources and  
23          by budget unit collecting them. Existing sources of revenue must be analyzed as  
24          to their equity, productivity, and need for revision, and any proposed new sources  
25          of revenue must be explained.

26          3.   Summary statements of expenditures of the previous biennium and first year of the  
27          present biennium, itemized by budget units and classified as prescribed by the  
28          director of the budget.

29          4.   Detailed comparative statements of expenditures and requests for appropriations  
30          by funds, budget units and classification of expenditures, showing the expenditures  
31          for the previous biennium, the first fiscal year of the present biennium, the budget

1 of the current biennium, and the governor's recommendation for appropriations for  
2 each budget unit for the next biennium, all distributed according to the prescribed  
3 classification of expenditures. Following the lists of actual and proposed  
4 expenditures of each budget unit there must be a brief explanation of the functions  
5 of the unit and comments on its policies and plans and on any considerable  
6 differences among the amounts recommended, with ~~such~~ any descriptive,  
7 quantitative, comparative, and other data as to work done, unit costs, and like  
8 information as may be considered necessary or desirable. For capital outlay  
9 expenditures involving construction projects to be completed in two or more fiscal  
10 years, there must be shown the total estimated cost of each such project and the  
11 amount thereof recommended to be appropriated and expended in each ensuing  
12 fiscal year until completion of the project. Capital outlay needs may be projected  
13 for at least two years beyond the period covered by the budget.

- 14 5. A detailed statement showing the estimate of all moneys required to be raised or  
15 appropriated for the payment of interest upon the funded debt of the state and its  
16 other obligations bearing interest, and the amount of money required to be  
17 contributed in the two next ensuing fiscal years to the general sinking funds  
18 maintained for the redemption and payment of the debts of the state.
- 19 6. A summary statement of the unappropriated fund balance estimated to be  
20 available at the beginning of the next biennium, and the estimated revenue of the  
21 next biennium, as compared with the total recommended amounts of appropriation  
22 for all classes of expenditures for the next biennium, and if the total of the  
23 recommended expenditures exceeds the total of the estimated resources,  
24 recommendations as to how the deficiency is to be met and estimates of any  
25 proposed additional revenue.
- 26 7. Drafts of a proposed general appropriations act and special appropriations acts  
27 embodying the budget data and recommendations of the governor for  
28 appropriations for the next biennium and drafts of such revenues and other acts  
29 recommended by the governor for putting into effect the proposed financial plan.  
30 The recommended general appropriation for each budget unit must be specified in  
31 a separate section of the general appropriations act.

1           8.    A list of every individual asset or service, excluding real estate, with a value of at  
2           least fifty thousand dollars and every group of assets and services comprising a  
3           single system with a combined value of at least fifty thousand dollars acquired  
4           through a capital or operating lease arrangement or debt financing arrangement by  
5           a state agency or institution. The list must include assets or services acquired in  
6           the current biennium and anticipated assets or services to be acquired in the next  
7           biennium.

8           9.    ~~Such~~ Any other information as the director of the budget ~~deems~~ determines  
9           desirable or as is required by law.

10           **SECTION 37. AMENDMENT.** Section 54-44.1-11 of the North Dakota Century Code is  
11 amended and reenacted as follows:

12           **54-44.1-11. (Effective through June 30, 2003 2005) Office of management and**  
13 **budget to cancel unexpended appropriations - When they may continue.** Except as  
14 otherwise provided by law, the office of management and budget, thirty days after the close of  
15 each biennial period, shall cancel all unexpended appropriations or balances of appropriations  
16 after the expiration of the biennial period during which they became available under the law.  
17 Unexpended appropriations for the North Dakota university system are not subject to this  
18 section and the North Dakota university system shall report on the amounts and uses of funds  
19 carried over from one biennium to the next to subsequent appropriations committees of the  
20 legislative assembly. The chairmen of the appropriations committees of the senate and house  
21 of representatives of the legislative assembly with the office of the budget may continue  
22 appropriations or balances in force for not more than two years after the expiration of the  
23 biennial period during which they became available upon recommendation of the director of the  
24 budget for:

- 25           1.    New construction projects.
- 26           2.    Major repair or improvement projects.
- 27           3.    Purchases of new equipment costing more than ten thousand dollars per unit if it  
28           was ordered during the first twelve months of the biennium in which the funds were  
29           appropriated.
- 30           4.    The purchase of land by the state on a "contract for deed" purchase if the total  
31           purchase price is within the authorized appropriation.

1           **(Effective after June 30, ~~2003~~ 2005) Office of management and budget to cancel**  
2 **unexpended appropriations - When they may continue.** The office of management and  
3 budget, thirty days after the close of each biennial period, shall cancel all unexpended  
4 appropriations or balances of appropriations after the expiration of the biennial period during  
5 which they became available under the law. The chairmen of the appropriations committees of  
6 the senate and house of representatives of the legislative assembly with the office of the  
7 budget may continue appropriations or balances in force for not more than two years after the  
8 expiration of the biennial period during which they became available upon recommendation of  
9 the director of the budget for:

- 10           1. New construction projects.
- 11           2. Major repair or improvement projects.
- 12           3. Purchases of new equipment costing more than ten thousand dollars per unit if it  
13           was ordered during the first twelve months of the biennium in which the funds were  
14           appropriated.
- 15           4. The purchase of land by the state on a "contract for deed" purchase if the total  
16           purchase price is within the authorized appropriation.

17           **SECTION 38.** Section 4 to House Bill No. 1023, as approved by the fifty-eighth  
18 legislative assembly, is created and enacted as follows:

19           **SECTION 4. EMERGENCY.** This Act is declared to be an emergency measure.

20           **SECTION 39. EMERGENCY.** The capital assets line items contained in section 1 of  
21 this Act and sections 12, 13, 14, 15, 16, and 38 of this Act are declared to be an emergency  
22 measure.
