BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Subdivision b of subsection 5 of section 65-01-02 of the North Dakota Century Code is amended and reenacted as follows:

b. The "average weekly wage" of a self-employed employer is determined by the following formula: one-fiftieth of the net profits based on earnings reported the preceding tax year or preceding fifty-two weeks whichever is higher if accurate, reliable, and complete records for those fifty-two weeks are readily available, plus depreciation, meal and travel expenses, and any expenses chargeable to use of personal residence as allowed under the federal tax laws.

SECTION 2. AMENDMENT. Subsection 28 of section 65-01-02 of the North Dakota Century Code is amended and reenacted as follows:

year. Seasonal employment is determined by what is customary with respect to the employer at the time of injury.

SECTION 3. AMENDMENT. Section 65-02-11 of the North Dakota Century Code is amended and reenacted as follows:

65-02-11. Process and procedure - Investigations - Examination of witnesses - Costs - Penalty. Except as otherwise provided by this title, process and procedure under this title is governed by chapter 28-32. The bureau may make investigation as in its judgment is best calculated to ascertain the substantial rights of all the parties. Any member of the bureau, and any person specifically designated by the bureau may examine witnesses and records, with or without subpoena, examine, investigate, copy, photograph, and take samples at any pertinent location or facility, administer oaths to witnesses, require the attendance of witnesses without fee whenever the testimony is taken at the home, office, or place of work of those witnesses, and generally to do anything necessary to facilitate or promote the efficient administration of this title. The bureau may issue a subpoena to compel the attendance of witnesses and the production of books, papers, correspondence, memoranda, and any other records deemed necessary by the bureau. Subpoenas may be enforced by applying to a judge of the district court for an order requiring the attendance of a witness, the production of all documents and objects described in the subpoena, or otherwise enforcing an order. Failure to comply with the order of the district court is contempt as provided in chapter 27-10. The bureau shall pay the costs of any medical examination, scientific investigation, medical or expert witness appearance or report, requested or approved by the bureau, relating to a claim for benefits, from the bureau general fund.

SECTION 4. AMENDMENT. Section 65-02-20 of the North Dakota Century Code is amended and reenacted as follows:

65-02-20. Bureau to establish managed care program. The bureau shall establish a managed care program, including utilization review and bill review, to effect the best medical solution for an injured employee in a cost-effective manner upon a finding by the bureau that the employee suffered a compensable injury. The program shall operate according to guidelines adopted by the bureau and shall provide for medical management of claims within the bounds of workers' compensation law. Information compiled and analysis performed pursuant to a managed care program which relate to patterns of treatment, cost, or outcomes by health care providers are confidential and are not open to public inspection to the extent the information and analysis identify a specific health care provider, except to the specific health care provider, bureau employees, or persons rendering assistance to the bureau in the administration of this title. If an employee, employer, or medical provider disputes a managed care decision, the employee, employer, or medical provider shall request binding dispute resolution on the decision. The bureau shall make rules providing for the procedures for dispute resolution. Dispute resolution under this section is not subject to chapter 28-32 or section 65-01-16 or 65-02-16. A dispute resolution decision under this section requested by a medical provider concerning payment for medical treatment already provided or a request for diagnostic tests or treatment is not reviewable by any court. A dispute resolution decision under this section requested by an employee is reviewable by a court only if medical treatment has been denied to the employee. A dispute resolution decision under this section requested by an employer is reviewable by a court only if medical treatment is awarded to the employee. The dispute resolution decision may be reversed only if the court finds that there has been an abuse of discretion in the dispute resolution process. Any person providing binding dispute resolution services
under this section is exempt from civil liability relating to the binding dispute resolution process and decision.

SECTION 5. AMENDMENT. Subsection 5 of section 65-05-07 of the North Dakota Century Code is amended and reenacted as follows:

5. The bureau may not pay more than twenty-five thousand dollars to provide permanent additions, remodeling, or adaptations to real estate it determines necessary for a worker who sustains a catastrophic injury as defined in chapter 65-05.1. The twenty-five thousand dollar limit is for the life of the injured employee, regardless of any subsequent claim. This subsection does not allow the bureau to purchase any real estate or motor vehicles.

SECTION 6. AMENDMENT. Section 65-05-10 of the North Dakota Century Code is amended and reenacted as follows:

65-05-10. Partial disability - Weekly benefit. If the injury causes temporary partial disability resulting in decrease of earning capacity, the disability benefit is sixty-six and two-thirds percent of the difference between the injured employee's average weekly wages before the injury and the employee's wage earning capacity after the injury in the same or another employment. However, the partial partial disability benefits may not exceed benefit rates as defined in section 65-05-09 are subject to a maximum of one hundred ten percent of the average weekly wage in the state. The combined partial disability benefits, dependency allowance, and postinjury wage earning capacity may not exceed the preinjury weekly wage of the employee after deductions for social security and federal income tax.

1. The benefits provided by this section are available to any otherwise eligible worker, providing the loss of earning capacity occurs after July 1, 1989. Partial loss of earning capacity occurring prior to July 1, 1989, must be paid at a rate to be fixed by the bureau.

2. Benefits must be paid during the continuance of partial disability, not to exceed a period of five years. The bureau may waive the five-year limit on the duration of partial disability benefits in cases of catastrophic injury as defined in section 65-05.1-06.1 or when the injured worker is working and has long-term restrictions verified by clear and convincing objective medical and vocational evidence that limits the injured worker to working less than twenty-eight hours per week because of the compensable work injury. This subsection is effective for partial loss of earnings capacity occurring after June 30, 1991.

3. The employee's earnings capacity may be established by expert vocational evidence of a capacity to earn in the statewide job pool where the worker lives. Actual postinjury earnings are presumptive evidence of earnings capacity where the job employs the employee to full work capacity in terms of hours worked per week, and where the job is in a field related to the employee's transferable skills. The presumption may be rebutted by competent evidence from a vocational expert that the employee's actual earnings do not fairly reflect the employee's earnings capacity in the statewide job pool, considering the employee's capabilities, education, experience, and skills.

SECTION 7. AMENDMENT. Subsection 1 of section 65-05-17 of the North Dakota Century Code is amended and reenacted as follows:
1. To the decedent's spouse or to the guardian of the children of the
decedent, an amount equal to the benefit rate for total disability under
section 65-05-09. All recipients of benefits under this subsection are
eligible for benefits at the rate provided in this section, regardless of the
date of death of the deceased employee. These benefits continue until
the death or remarriage of the decedent's spouse; or, if the surviving
children of the decedent are under the care of a guardian, until those
children no longer meet the definition of "child" in this title. If there is
more than one guardian for the children who survive the decedent, the
bureau shall divide the death benefits equally among the children and
shall pay benefits to the children's guardians. Total death benefits,
including supplementary benefits, paid on any one claim may not
exceed one hundred ninety-seven two hundred fifty thousand dollars.
All recipients of benefits under this subsection are eligible for benefits at
the rate provided in this section, regardless of the date of death of the
decedent employee.

SECTION 8. AMENDMENT. Section 65-05-21 of the North Dakota Century
Code is amended and reenacted as follows:

compensation under the provisions of subsection 1 of section 65-05-17 remarries,
there shall be paid to such spouse a lump sum equal to one hundred four weeks'
compensation. If, prior to such marriage, such spouse has received a partial lump
sum settlement which covers all or any portion of the said one hundred four weeks
following such spouse's marriage, the amount of such partial lump sum settlement
which covers all or any part of the said one hundred four weeks following such
spouse's marriage shall be deducted from such marriage settlement, and the spouse
shall receive only the remainder, if any, over and above such deduction. Any
judgment annulling such marriage shall not reinstate the right of such spouse to
compensation if the action for annulment is instituted more than six months after the
marriage. The provisions of this section apply only to remarriages that occur before
August 1, 2003, regardless of the date of injury or date of death of the decedent.

SECTION 9. AMENDMENT. Section 65-05-22 of the North Dakota Century
Code is amended and reenacted as follows:

65-05-22. Adjustment on cessation of compensation for death to one
beneficiary. Upon the cessation of compensation payable to a beneficiary under the
provisions of this chapter, the compensation of the remaining persons entitled to
compensation for the unexpired part of the period during which their compensation is
payable, shall be that which such persons would have received if they had been the
only persons entitled to compensation at the time of the decedent's death. This
section, however, shall not be construed to increase the compensation of the
children of a widow or widower upon remarriage of the widow or widower.

SECTION 10. AMENDMENT. Section 65-05-25 of the North Dakota Century
Code is amended and reenacted as follows:

65-05-25. Lump sum settlement settlements - Granted in discretion of
bureau - How computed.

1. If an employee is determined to be permanently and totally disabled, the
bureau may pay the employee a lump sum equal to the present value of
all future payments of compensation. The probability of the employee's
death before the expiration of the period during which the employee is
entitled to compensation must be determined by generally accepted mortality studies. The bureau may not pay the employee a lump sum unless it has first determined that there is clear and convincing evidence that the lump sum payment is in the best interest of the employee. Best interest of the employee may not be deemed to exist because the employee can invest the lump sum in another manner to realize a better yield. The employee must show a specific plan of rehabilitation which will enable the employee to return to work as a productive member of society.

2. The bureau and an employee may compromise to resolve a disputed claim. The contract of settlement made is enforceable by the parties. The contract may provide that the employee shall utilize the funds to engage in certain rehabilitation programs. If the employee breaches the contract, the bureau may require the employee to repay the benefits received under the agreement. In cases in which the extent of disability is disputed and resolved by agreement, the concept of reopening a disability claim due to significant change in medical condition is inapplicable.

3. If death results from an injury under the conditions specified in section 65-05-16, the bureau may pay the decedent's spouse or the guardian of the decedent's children a lump sum equal to the present value of all future payments of compensation.

4. Notwithstanding any other provision of law, structured settlements may be used to resolve a dispute or to provide for payment of ongoing future benefits. The bureau may contract with a third-party vendor to provide structured settlement payments.

SECTION 11. AMENDMENT. Section 65-05-36 of the North Dakota Century Code is amended and reenacted as follows:

65-05-36. Preferred worker program - Continuing appropriation. For purposes of this section, "preferred worker" means a worker who has incurred a compensable injury that resulted in a disability that poses a substantial obstacle to employment. The bureau may provide assistance as determined appropriate to preferred workers or employers who employ a preferred worker. In addition, employers who apply for and are approved as a preferred worker employer may not be assessed premiums on a preferred worker's salary for three years from the date of hiring. The bureau may not charge claims costs incurred as a result of an injury sustained by a preferred worker against the preferred worker's employer's account during the first three years after the worker is hired. The bureau shall charge those claims costs to the general fund. The bureau may adopt rules to regulate and manage the preferred worker program authorized by this section. An employer or preferred worker may not appeal a bureau decision not to provide assistance to that employer or preferred worker under this section. Money in the workers' compensation fund is appropriated on a continuing basis to provide the assistance authorized under this section.

SECTION 12. A new section to chapter 65-05 of the North Dakota Century Code is created and enacted as follows:

Retaliation by employer prohibited - Action for damages - Penalty. An employer who willfully discharges or willfully threatens to discharge an employee for seeking or making known the intention to seek workers' compensation benefits is
liable in a civil action for damages incurred by the employee, including reasonable attorneys' fees. Damages awarded under this section may not be offset by any workers' compensation benefits to which the employee is entitled. A willful violation of this section is a class A misdemeanor.

SECTION 14. APPLICATION OF ACT. Section 6 of this Act applies to all claims for benefits filed after the effective date of this Act, regardless of the date of injury. The increase in the maximum amount of death benefits payable from one hundred ninety-seven thousand dollars to two hundred fifty thousand dollars in section 7 of this Act applies only to those deaths occurring after the effective date of this Act.

WORKERS' COMPENSATION STAFFING COVERAGE

AN ACT to amend and reenact section 65-01-08 of the North Dakota Century Code, relating to workers' compensation coverage of staffing services.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 65-01-08 of the North Dakota Century Code is amended and reenacted as follows:

65-01-08. Contributing employer or and staffing service relieved from liability for injury to employee.

1. If a local or out-of-state employer secured the payment of compensation to that employer's employees by contributing premiums to the fund, the employee, and the parents in the case of a minor employee, or the representatives or beneficiaries of either, do not have a claim for relief against the contributing employer or against any agent, servant, or other employee of the employer for damages for personal injuries, but shall look solely to the fund for compensation.

2. If a client company contracts with a staffing service for an employee's services, the client company and the staffing service are immune from any claim for relief by that employee or by another employee of the client company or staffing service, to the same extent granted under this title to contributing employers if the client company or staffing service secured the payment of compensation in accordance with this title. Although an account must include the name of the staffing service, the employee is considered an employee of the client company and staffing service for purposes of application of immunity for injuries incurred by or caused by that employee.

3. For purposes of this section:

a. "Client company" means a person that contracts to receive services within the course of that person's usual business from an employee of a staffing service or that contracts to lease any or all of that person's employees from a staffing service.

b. "Staffing service" means an employer in the business of providing the employer's employees to persons to perform services within the course of that person's usual businesses. The term includes professional employer organizations' staff leasing companies, employee leasing organizations, and temporary staffing companies. The term "staffing service" must be broadly construed to encompass entities that offer services provided by a professional employer organization, staff leasing company, employee leasing
organization, or temporary staffing company regardless of the term used.

(1) Within the meaning of staffing service as used in this section, "temporary staffing," or "temporary staffing service" means an arrangement by which an employer hires its own employees and assigns the employees to a client company to support or supplement the client company’s workforce in a special work situation including:

(a) An employee absence;
(b) A temporary skill shortage;
(c) A seasonal workload; or
(d) A special assignment or project with a targeted end date.

(2) The term does not include arrangements in which the majority of the client company’s workforce has been assigned by a temporary staffing service for a period of more than twelve consecutive months.

4. A staffing service that provides only temporary staffing services is the employee’s employer. The temporary staffing service shall maintain a workers’ compensation account in the temporary staffing service’s name and report the wages for those workers annually to the bureau. All other staffing services shall:

a. Report annually the payroll detail for each North Dakota client company.

b. Maintain complete and separate records of the payroll of the staffing service’s client companies. Claims must be separately identified by the staffing service for each client company.

c. Share employer responsibilities with the client company, including retention of the authority to hire, terminate, discipline, and reassign employees. If the contractual agreement between a staffing service and a client company is terminated, the employees become the sole employees of the client company.

d. Notify the bureau of the client company’s name, workers’ compensation account number, and the date the staffing service began providing services to the client company. The staffing service shall provide this information upon entering an agreement with a client company, but no later than fifteen days from the effective date of the written agreement.

e. Supply the bureau with a copy of the agreement between the staffing service and client company.

f. Notify the bureau upon termination of any agreement with a client company, but no later than fifteen days from the effective date of termination.
g. Notify the staffing service’s client companies of an "uninsured" status for failure to pay workers' compensation premiums within fifteen days of notice by the bureau.

5. A staffing service that provides both temporary and long-term employees is subject to the reporting requirements associated with the type of employee provided to the client company.

6. a. The bureau shall maintain all employer data for each client company requiring coverage under this title. If a client company enters an agreement with a staffing service, the bureau shall generate a master billing for the staffing service detailing the staffing service’s client companies.

b. Rate classifications for employees provided by a staffing service must be those which would apply as if the work were performed by the employees of the client company. A client company is eligible for bureau safety discount and dividend programs. If a client company enters an agreement with a staffing service, the client company shall retain the client company's experience rate, if applicable.

c. Both a staffing service and client company under this section are considered employers for purposes of section 65-04-26.1. A staffing service that provides employees to a client company that has been determined to be uninsured or ineligible for coverage under sections 65-04-27.1 and 65-04-33 may not secure workers' compensation coverage for those employees.

7. a. The bureau shall determine whether an entity is a staffing service. If the bureau determines an entity is a staffing service, the bureau may further determine if the entity is a temporary staffing service. In rendering either determination, the bureau may issue a decision under section 65-04-32. If the bureau determines an entity is not a staffing service, the client company shall maintain a workers' compensation account and pay the premium for coverage of the employees.

b. The factors the bureau may consider in determining whether an entity is a staffing service include the number of client companies handled by the staffing service, the length of time the staffing service has been in existence, the extent to which the staffing service extends services to the general public, the degree to which the client company and staffing service are separate and unrelated business entities, the repetition of officers or managers between the client company and staffing service, and the extent to which a client company has an ownership or other interest in the staffing service. The bureau also may consider the scope of the services provided by the staffing service, the relationship between the staffing service and the client company's workers, the written agreement between the staffing service and the client company, and any other factor deemed relevant by the bureau.

c. The bureau may require information from any staffing service, including a list of current client company accounts, staffing assignments, payroll information, and rate classification
information. A client company shall provide any information requested by the bureau regarding any staffing service.

8. The bureau may adopt rules consistent with this section which further define client company and staffing service and which provide a procedure by which the bureau may determine whether an entity meets these definitions.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Section 65-01-09 of the North Dakota Century Code is amended and reenacted as follows:

65-01-09. Injury through negligence of third person - Option of employee - Fund subrogated when claim filed. When an injury or death for which compensation is payable under provisions of this title shall have been sustained under circumstances creating in some person other than the fund a legal liability to pay damages in respect thereto, the injured employee, or the employee's dependents may claim compensation under this title and proceed at law to recover damages against such other person. The fund is subrogated to the rights of the injured employee or the employee's dependents to the extent of fifty percent of the damages recovered up to a maximum of the total amount it has paid or would otherwise pay in the future in compensation and benefits for the injured employee. The bureau's subrogation interest may not be reduced by settlement, compromise, or judgment. The action against such other person may be brought by the injured employee, or the employee's dependents in the event of the employee's death. The fund is subrogated to the rights of the injured employee or the employee's dependents to the extent of fifty percent of the damages recovered up to a maximum of the total amount it has paid or would otherwise pay in the future in compensation and benefits for the injured employee. The bureau's subrogation interest may not be reduced by settlement, compromise, or judgment. The action against such other person may be brought by the injured employee, or the employee's dependents in the event of the employee's death. Such action shall be brought in the injured employee's or in the employee's dependents' own right and name and as trustee for the bureau for the subrogation interest of the bureau. However, if the director chooses not to participate in a health care malpractice action, the fund has no subrogation interest and no obligation to pay fees or costs under this section. If the injured employee or the employee's dependents do not institute suit within sixty days after date of injury, the bureau may bring the action in its own name and as trustee for the injured employee or the employee's dependents and retain as its subrogation interest the full amount it has paid or would otherwise pay in the future in compensation and benefits for the injured employee.
paid or would otherwise pay in the future in compensation and benefits to the injured employee or the employee's dependents. Within sixty days after both the injured employee and the bureau have declined to commence an action against a third person as provided above, the employer may bring the action in the employer's own name or in the name of the employee, or both, and in trust for the bureau and for the employee. The party bringing the action may determine if the trial jury should be informed of the trust relationship. If the action is brought by the injured employee or the employee's dependents, or the employer as provided above, the bureau shall pay fifty percent of the costs of the action, exclusive of attorney fee, when such costs are incurred. If there is no recovery of damages in the action, this shall be a cost of the bureau to be paid from the bureau general fund. When there is recovery of damages in the action, the costs of the action, exclusive of attorney's fees, must be prorated and adjusted on the percentage of the total subrogation interest of the bureau recovered to the total recovery in the action. The bureau shall pay attorney fees to the injured employee's attorney from the bureau general fund as follows:

1. Twenty percent of the subrogation interest recovered for the bureau when legal action is not commenced.

2. Twenty-five percent of the subrogation interest recovered for the bureau when action is commenced and settled before judgment.

3. Thirty-three and one-third percent of the subrogation interest recovered for the bureau when recovered through judgment.

The above provisions as to costs of the action and attorney fees is effective only when the injured employee advises the bureau in writing the name and address of the employee's attorney, and that the employee has employed such attorney for the purpose of collecting damages or of bringing legal action for recovery of damages. If a claimant fails to pay the bureau's subrogation interest within thirty days of receipt of a recovery in a third party action, the bureau's subrogation interest is the full amount of the damages recovered, up to a maximum of the total amount it has paid or would otherwise pay in the future in compensation and benefits to the injured employee or the employee's dependents, and no costs or attorney fees will be paid from the bureau's subrogation interest.

Classifications and premium rates must be based on the hazards and risks of the different occupations covered by this account. The payroll reporting period for this account is for a fiscal year of July first through June thirtieth. The office of management and budget shall furnish combined payroll information to the bureau in a format prescribed by the bureau.

2. Workers' compensation premiums from state entities covered by chapter 32-12.2 must be deposited in the risk management workers' compensation fund. The state investment board shall invest this fund in

The purposes of this fund are to pay workers’ compensation premiums for state agencies and to pay workers’ compensation claims costs not covered by the deductible contract. The risk management division of the office of management and budget shall administer this fund. Section 54-44.1-11 does not apply to this fund.

SECTION 3. AMENDMENT. Section 65-04-04 of the North Dakota Century Code is amended and reenacted as follows:

65-04-04. Employers obligated to pay premiums - Premium and certificates to be mailed. Each employer subject to this title shall pay into the fund annually the amount of premiums determined and fixed by the bureau for the employment or occupation of the employer. The amount must be determined by the classifications, rules, and rates made and published by the bureau and must be based on a proportion of the annual expenditure of money by the employer for the service of persons subject to the provisions of this title. The bureau shall mail to the employer a certificate specifying that the payment has been made. The certificate, attested by the seal of the bureau, is prima facie evidence of the payment of the premium. Notwithstanding the provisions of section 65-04-15, the certificate may reflect the employer has paid the minimum premium and has estimated no wages for the period indicated on the certificate. If an employer defaults on premium payments after a certificate has been issued, the bureau may revoke that employer's certificate. The bureau shall provide that premiums to be paid by school districts, townships, and all public corporations or agencies, except municipal corporations, fall due at the end of the fiscal year of that entity, and that premiums to be paid by all municipal corporations fall due at the end of the calendar year, and may make provisions so that premiums of other employers fall due on different or specified dates. For the purpose of effectuating different or specified due dates the bureau may carry new or current risks for a period of less than one year and not to exceed eighteen months, either by request of the employer or action of the bureau. An employer subject to this chapter shall display in a conspicuous manner at the workplace and in a sufficient number of places to reasonably inform employees of the fact, a certificate of premium payment showing compliance with this chapter and the toll-free telephone number used to report unsafe working conditions and actual or suspected workers’ compensation fraud. The information contained in an employer's report file is for the exclusive use and information of the bureau or its agents in the discharge of its official duties and is not open to the public nor usable in any court in any action or proceeding unless the bureau is a party thereto. The information contained in an employer's report may be provided to a federal or state law enforcement agency pursuant to a lawful order of a court upon a showing of necessity and prior notice to the bureau of an application for the order. The information contained in the report file, however, may be tabulated and published by the bureau in statistical form for the use and information of the state departments and of the public. Upon request, the bureau shall disclose the rate classification of an employer to the requester; however, the bureau may not disclose any information that would reveal the amount of payroll upon which that employer's premium is being paid or the amount of premium the employer is paying. The bureau may disclose whether an employer's file is active, cancelled, closed, pending, or delinquent. The information in the employer's file may not be released in aggregate form, except to those persons contracting with the bureau for exchange of information pertaining to the administration of this title or except upon written authorization by the employer for a specified purpose. Anyone who is convicted under section 12.1-13-01 is disqualified from holding any office or employment with the bureau.

The bureau may, upon request of the state tax commissioner or the secretary of state, furnish to them a list or lists of employers showing only the names, addresses, and bureau file identification numbers of such employers as those files relate to this chapter; provided, that any such list so furnished must be used by the tax commissioner or the secretary of state only for the purpose of administering their duties. Upon the bureau's determination that the claim is compensable, the bureau shall pay the medical expenses associated with the claim and notify the employer of payments to be made by the employer under this section.
