AN ACT to amend and reenact subsections 7 and 8 of section 20.1-03-11 and sections 20.1-08-04.1, 20.1-08-04.2, and 20.1-08-04.6 of the North Dakota Century Code, relating to limitations for individuals convicted of certain big game hunting violations.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Subsections 7 and 8 of section 20.1-03-11 of the North Dakota Century Code are amended and reenacted as follows:

7. A resident who has executed a lease for at least one hundred sixty acres [64.75 hectares] of land and who actively farms or ranches that land or a resident who holds title to at least one hundred sixty acres [64.75 hectares] of land is eligible to apply for a license to hunt elk upon filing a signed application describing that land and payment of the fee requirement for a resident big game license. The land must be within a unit open for the hunting of elk. The license must include a legal description of the eligible land described in the completed application and may be used to hunt elk within the district or unit in which the land described in the completed application is located. Upon request, a lessee shall provide proof that the land described in the completed application is leased for agricultural purposes. A resident who is eligible for a license under this subsection may transfer that eligibility for the license to a spouse or legal dependent residing customarily with the resident, but no more than one license may be issued under this subsection for any qualifying land. A resident transferring eligibility under this subsection is not eligible to apply for a license to hunt elk in future years but is eligible to participate in the raffle under section 20.1-08-04.6. If not otherwise specified in an agricultural lease, the landowner is entitled to receive the license. The governor's proclamation may restrict the districts or units for which preferential licenses may be issued under this subsection. However, the governor shall give primary consideration to allowing preferential licenses under this subsection to be issued to persons owning or leasing land in the following areas: that portion of township one hundred forty-seven north, range ninety-five west which is north and west of state highway 22; township one hundred forty-six north, range ninety-six west; township one hundred forty-seven north, range ninety-six west; township one hundred forty-eight north, range ninety-six west; township one hundred forty-six north, range ninety-seven west; township one hundred forty-seven north, range ninety-seven west; township one hundred forty-eight north, range ninety-seven west of the fifth principal meridian, in Dunn County; the west one-half of township one hundred forty-nine north, range ninety-five west; township one hundred forty-nine north, range ninety-six west, and township one hundred forty-nine north, range ninety-seven west of the fifth principal meridian, in McKenzie County; and other areas within a district or unit open for hunting of elk as prescribed in the governor's proclamation. The number of licenses issued under this subsection for each designated district or unit for hunting elk may not exceed fifteen percent of the total licenses prescribed in the governor's proclamation for each district or unit. If the number of applications for licenses to be issued under this subsection in a district or unit exceeds the maximum number of such licenses allocated to that district or unit, the licenses to be issued must be issued by lottery as prescribed in the governor's proclamation. A person who receives a license under this subsection is not eligible to apply for a license to hunt elk in future years but is eligible to participate in the raffle under section 20.1-08-04.6. Notwithstanding this subsection, if a person other than the transferee of license eligibility is unsuccessful in harvesting an elk under this subsection,

that person may return the unused license to the department and is eligible to apply for, but not transfer, a one-time additional license to hunt elk in future years. A person who receives a second license under this subsection is not eligible to participate in the raffle under section 20.1-08-04.6. Licenses to hunt elk may not be issued under this subsection when the total number of licenses prescribed in the governor's proclamation is less than twenty. If a person receives a license under this subsection, the person's spouse, children, and parents living with the person are not eligible to receive a license under this subsection for the district or unit in which the land described in the completed application is located, unless the person has sold or otherwise transferred the person's rights to the land described in the completed application. The director may issue special elk depredation management licenses to landowners in designated areas around Theodore Roosevelt national park upon payment of the fee requirement for a resident big game license. The provisions of this section governing the number of licenses issued for each designated district or unit for hunting elk do not apply to special elk depredation management licenses and a person who receives such a license under this subsection is eligible to apply for a license to hunt elk in future years and is eligible to participate in the raffle under section 20.1-08-04.6. An individual who has been convicted of illegally taking a moose, elk, or bighorn sheep is not eligible to apply for or receive a license under this subsection.

8. A resident who has executed a lease for at least one hundred sixty acres [64.75 hectares] of land and who actively farms or ranches that land or a resident who holds title to at least one hundred sixty acres [64.75 hectares] of land is eligible to apply for a license to hunt moose without charge upon filing a signed application describing that land. The land must be within a unit open for the hunting of moose. The license must include a legal description of the eligible land described in the completed application and may be used to hunt moose only upon that land. Upon request, a lessee shall provide proof that the land described in the completed application is leased for agricultural purposes. A resident who is eligible for a license under this subsection may transfer that eligibility for the license to a spouse or a legal dependent residing customarily with the resident, but no more than one license may be issued under this subsection for any qualifying land. A resident transferring eligibility under this subsection is not eligible to apply for a license to hunt moose in future years but is eligible to participate in the raffle under section 20.1-08-04.2. If not otherwise specified in an agricultural lease, the landowner is entitled to receive the license. The number of licenses issued under this subsection for a district or unit may not exceed fifteen percent of the total licenses prescribed in the governor's proclamation for that district or unit. If the number of eligible persons who apply for a license under this subsection exceeds the number of licenses available under this subsection, the licenses must be issued by lottery as prescribed in the governor's proclamation. A person who receives a license under this subsection and who is successful in harvesting a moose is not eligible to apply for a license to hunt moose in future years but is eligible to participate in the raffle under section 20.1-08-04.2. Notwithstanding this subsection, if a person other than the transferee of license eligibility is unsuccessful in harvesting a moose under this subsection, that person may return the unused license to the department and is eligible to apply for, but not transfer, an additional license to hunt moose in future years. A person who receives a second license under this subsection is not eligible to participate in the raffle under section 20.1-08-04.2. If a person receives a license under this subsection, the person's spouse, children, and parents living with the person are not eligible to receive a license under this subsection for the district or unit in which the land described in the completed application is located, unless the person has sold or otherwise transferred the person's rights to the land described in the completed application. The governor's proclamation may restrict the area of land within a unit open for the hunting of moose for which a preferential license is issued under this subsection. If the proclamation restricts the area for issuance of preferential licenses, an applicant must own or lease land within the restricted area to be eligible to apply for a license to hunt moose upon payment of the fee required for a resident big game license. The license may be used to hunt moose within the entire unit in which the land described in the completed application is located. A

successful applicant from a restricted area may not return an unused license to regain eligibility for a license to hunt moose in future years. An individual who has been convicted of illegally taking a moose, elk, or bighorn sheep is not eligible to apply for or receive a license under this subsection.

Upon payment of the nonrefundable application fee required by section 20.1-03-12.2, a nonresident may participate in the lottery. One license to hunt bighorn sheep may be issued to a nonresident participating in the lottery. If a nonresident is issued a license to hunt bighorn sheep, no other nonresident may be issued a license to hunt bighorn sheep through the lottery. If all of the licenses to hunt bighorn sheep made available through the lottery are issued to residents, then a nonresident is not eligible to be issued a license to hunt bighorn sheep through the lottery. Each person who has received a license to hunt bighorn sheep is not eligible to apply for another bighorn sheep license. An individual who has been convicted of illegally taking a moose, elk, or bighorn sheep is not eligible to apply for or receive a license under this section.
