1 A BILL for an Act to provide an appropriation for a cancer research grant.

2 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

3 **SECTION 1. CANCER DETECTION AND TREATMENT GRANT COMMITTEE -**  
4 **ANNUAL REPORT TO LEGISLATIVE COUNCIL.**

- 5 1. The governor shall appoint a three-member committee to review applications for a  
6 research grant dedicated to improvements in cancer detection or treatment. The  
7 committee must consist of individuals who are knowledgeable about the field of  
8 oncology and oncology research. No two committee members may be employed  
9 by the same entity. After reviewing all applications, the committee shall  
10 recommend no more than three for final selection. The committee shall take into  
11 account the duration of the study and the likelihood of a successful outcome. The  
12 committee shall give preference to an application that is likely to result in the  
13 issuance of a patent, a trademark, or a copyright.
- 14 2. An eligible grant recipient must agree to:
- 15 a. Contribute a like amount in matching funds; provided, however, that  
16 twenty-five percent of the funds may be in-kind;
- 17 b. Allocate no more than twenty percent of the grant amount to indirect costs;
- 18 c. Assign to the state five percent of all royalties received as a result of the  
19 research;
- 20 d. Conduct all research funded by the grant at a public or private institution or  
21 facility located in this state; and
- 22 e. Provide annual progress reports to the legislative council.
- 23 3. The governor shall determine the grant recipient with the advice and consent of the  
24 chairman and vice chairman of the legislative council.

1           **SECTION 2. APPROPRIATION - CANCER DETECTION AND TREATMENT**

2   **RESEARCH GRANT.** There is appropriated out of any moneys in the general fund in the state  
3 treasury, not otherwise appropriated, the sum of \$1,000,000, or so much of the sum as may be  
4 necessary, to the state board of higher education for the purpose of awarding a cancer  
5 detection or treatment grant, for the biennium beginning July 1, 2005, and ending June 30,  
6 2007.
