The section added by the Senate requiring the department to maintain bridges over navigable waters in the state that it is currently maintaining is changed to require the department to maintain the structural integrity of these bridges unless the department enters into an agreement with the municipality, the same as the House version.

A section is added delaying the effective date from January 1, 2006, to January 1, 2008, of provisions allowing a landowner owning land next to a no-mow area to hay the no-mow or managed-mow area after July 15 without payment or penalty, the same as the House version.

Sections are added providing additional state highway revenue beginning in the 2005-07 biennium by:

- Increasing the motor vehicle fuel (gasoline and gasohol) and special fuels (diesel) tax rate by 2 cents per gallon, from 21 to 23 cents. This revenue will be deposited in the highway tax distribution fund.
- Making pickup registration fees equivalent to passenger vehicles by providing for 50 percent of the increase necessary to make this change during the 2005-07 biennium and the remainder beginning July 2007. This revenue will be deposited in the highway tax distribution fund.

- Increasing the motor vehicle fuel (gasoline and gasohol) tax rate by an additional 2 cents per gallon, from 23 to 25 cents each year during the months of May through October, for deposit in the highway tax distribution fund.
- Increasing annual motor vehicle registration fees by \$10, for deposit directly in the state highway fund providing a total of \$13 of each registration fee that is deposited directly in the highway fund.

The section added by the House is removed which would have precluded cities and counties from receiving the additional revenue resulting from provisions of this bill until they develop, in collaboration with the Department of Transportation, a roadway plan. Provisions added by the House are also removed which would have provided \$1 million to the Department of Transportation from funds transferred from the cities' and counties' share of the additional revenue generated by this bill for the development of a roadway plan for cities and counties.
