1 This amendment reduces funding for state employee health insurance premiums from \$559.15 to \$553.95 per month.

2 The Senate increased the spending authority from the resources trust fund, based on total anticipated available funding, for water projects from \$52,863,116 to \$54,013,116.

3 The House version provided for funding of \$15,044,400 from the water development trust fund. The Senate increased funding for water projects by \$5,100,000 from anticipated available funding from the water development trust fund. Additional funding was also made available from a reduction in the transfer to the general fund from the water development trust fund of \$2 million, net of an increase in administrative expenses of \$246,312 and a decrease in health insurance of \$10,358. The amount available from the water development trust fund net of adjustments is \$21,908,446.

4 The House version provided for a transfer of \$9,819,473, the amount equal to administrative expenses of the State Water Commission, from the water development trust fund to the general fund. The Senate increased the total administrative expenses of the State Water Commission by \$246,312 per State Water Commission adjustment and decreased administrative expenses \$10,358 for health insurance. The total administrative expenses net of the adjustments is \$10,055,427. This amount is to be funded from the general fund rather than the water development trust fund. In addition, the Senate reduced the transfer from the water development trust fund to the general fund by \$2 million, based on administrative expenses of \$10,055,427, or a net transfer of \$8,055,427.

5 The Senate authorized the State Water Commission to issue up to \$14 million in bonds, in addition to the \$60 million of authority included in House Bill No. 1153, for statewide water development projects.

The Senate added an intent section that the administrative expenses of the State Water Commission be funded in the future from general fund moneys.

The Senate added an intent section that up to \$500,000 be made available for water-related damages to infrastructure in Nelson County.

The House provided for an amount equal to the administrative expenses of the State Water Commission be transferred from the water development trust fund to the general fund. the Senate reduced that transfer by \$2 million.
