1 A BILL for an Act to amend and reenact subsections 1 and 3 of section 19-13.1-03 and section
2 19-13.1-06 of the North Dakota Century Code, relating to the registration and licensing of pet
3 food and commercial feed and inspection of commercial feed; and to provide a penalty.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1. AMENDMENT.** Subsections 1 and 3 of section 19-13.1-03 of the North
6 Dakota Century Code are amended and reenacted as follows:

- 7 1. Each pet food and specialty pet food must be registered before being distributed in
8 this state. The application for registration must be submitted on forms furnished by
9 the commissioner. The application must be accompanied by a label and any other
10 printed matter describing each product and the registration fee of one hundred
11 dollars per product. Upon approval by the commissioner, a certificate of
12 registration must be furnished to the applicant. Registrations are not transferable.
13 Registration covers a two-year period beginning January first and ending
14 December thirty-first of every odd-numbered year. Registration renewals received
15 after January thirty-first must be assessed a penalty fee of ten dollars per product.
16 Products found marketed in this state without proper registration must be assessed
17 the penalty fee of twenty-five dollars.
- 18 3. Each person who manufactures commercial feed or whose name appears on the
19 label of a commercial feed, other than pet food or specialty pet food, shall obtain a
20 feed manufacturer's license from the commissioner for each location. Each person
21 who sells commercial feed at retail, other than pet food or specialty pet food, shall
22 obtain a feed retailer's license from the commissioner. The license application
23 must be on forms furnished by the commissioner and must be accompanied by a
24 fee of one hundred dollars for feed manufacturers or fifty dollars for feed retailers.

1 The license covers a two-year period beginning January first and ending
2 December thirty-first of every odd-numbered year. If a manufacturer is also a
3 retailer of feed, the retail license is waived. A feed retailer's license must be
4 obtained for each location used by the retailer. Licenses are not transferable.
5 License renewal applications received after January thirty-first may be assessed a
6 penalty fee of ten dollars for retailers and twenty dollars for manufacturers. This
7 subsection does not apply to any person who custom manufactures feed only for
8 another person at that person's request and for that person's own use.

9 **SECTION 2. AMENDMENT.** Section 19-13.1-06 of the North Dakota Century Code is
10 amended and reenacted as follows:

11 **19-13.1-06. Inspection fees.** There must be paid to the commissioner for all
12 commercial feeds and customer-formula feeds, except pet foods and specialty pet foods,
13 distributed in this state an inspection fee at the rate of twenty cents per ton [907.18 kilograms]
14 with a minimum of ten dollars. However, customer-formula feeds are exempted if the
15 inspection fee is paid on the commercial feeds that they contain and distribution of commercial
16 feeds to manufacturers is exempted if the commercial feeds so distributed are used solely in
17 manufacture of feeds that are registered. Every person, except as hereinafter provided, who
18 distributes commercial feed in this state shall:

- 19 1. File, not later than the thirty-first day of January of each year, an annual statement
20 under oath setting forth the number of net tons [kilograms] of commercial feeds
21 distributed in this state during the preceding year; and upon filing such statement
22 shall pay the inspection fee. If the statement is not received by January thirty-first,
23 a penalty of ten percent of the amount owed, with a minimum of ten dollars and a
24 maximum of two hundred fifty dollars, may be assessed. The person whose name
25 appears on the label as the manufacturer, guarantor, or distributor shall assume
26 the liability for reporting and paying the inspection fee.
- 27 2. Keep such records as may be necessary or required by the commissioner to
28 indicate accurately the tonnage of commercial feed distributed in this state and the
29 commissioner has the right to examine such records to verify statements of
30 tonnage.

Fifty-ninth
Legislative Assembly

- 1 Failure to make an accurate statement of tonnage or to pay the inspection fee or comply as
- 2 provided herein constitutes sufficient cause for the cancellation of all licenses on file for the
- 3 distributor.
