2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

The fiscal impact of SB 2198 is not quantifiable. It is unknown how many mobilized guard members would leave the guard prior to completion of their education or how many would begin school after leaving the guard. Since 2001 about 2,895 national guard soldiers and airman have been mobilized. Each individual qualifying student would cost approx. \$3,000 based on the addition of one school year with 25% tuition waiver and \$1,000 per semester tuition reimbursement. That cost assumes only one year of Title 10 mobilization. There will also be additional costs associated with recruiting and training replacements for those guard members who would have otherwise remained in the guard to complete their education.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*
