2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

This bill would give the Department of Agriculture the authority to license meat processing establishments and to assess civil penalties for violations of the law related to meat inspection.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

The license fees are as follows:

Official processing and/or slaughter establishment-\$20 per year

Custom exempt establishments-\$10 per year

These license fees would generate \$2710 for the general fund for the 05-07 biennium and \$2900 for the 07-09 biennium.

A significant amount of revenue is not expected to be generated into the general fund through civil penalties. We are estimating approximately \$290 for the 2005-07 biennium and \$300 for the 2007-09 biennium.

B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

None anticipated.

C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, of the effect on the biennial appropriation for each agency and fund affected and any amounts included in the executive budget. Indicate the relationship between the amounts shown for expenditures and appropriations.*

None anticipated.
