2. **Narrative:** *Identify the aspects of the measure which cause fiscal impact and include any comments relevant to your analysis.*

The adoption of this legislation will allow for better delivery of the NDDOT equipment procurement process though the entire biennium cycle. Without the provision the department has a higher probability of loosing budget authority for equipment procurement during any biennium cycle for factors which are outside the control of the department. Examples being, failure by any vendor to deliver equipment prior to the end of a biennium for reasons such as labor, materials, or facility problems.

The bill has no identifiable fiscal impact.
