 1 Total all funds
 \$108,167,550

 2 Less estimated income
 98,702,656

3 Total general fund appropriation

SECTION 4. TRANSFERS. Notwithstanding section 54-16-04, the director of the office of management and budget and the state treasurer shall make transfers of funds between line items in section 3 of this Act for the information technology department as may be requested by the chief information officer as determined necessary for the development and implementation of the medicaid management information system. Any increase in full-time equivalent positions needed for this project must be reported to the director of the office of management and budget during the biennium beginning July 1, 2005, and ending June 30, 2007.

SECTION 5. AMENDMENT. Subsection 4 of section 54-59-05 of the North Dakota Century Code is amended and reenacted as follows:

May purchase, finance the purchase, or lease equipment, software, or implementation services or replace, including by trade or resale, equipment or software as may be necessary to carry out this chapter. An agreement to finance the purchase of software, equipment, or implementation services may not exceed a period of three five years. The department shall submit any intended financing proposal for the purchase of software, equipment, or implementation services under this subsection, which is in excess of one million dollars, to the budget section of the legislative council or the legislative assembly before executing a financing agreement. If the budget section or the legislative assembly does not approve the execution of a financing agreement, the department may not proceed with the proposed financing arrangement. The department may finance the purchase of software, equipment, or implementation services only to the extent the purchase amount does not exceed seven and one-half percent of the amount appropriated to the department during that biennium.

SECTION 6. EMERGENCY. Section 5 of this Act is declared to be an emergency measure.
