SECTION 1. AMENDMENT. Section 15.1-06-04 of the North Dakota Century Code is amended and reenacted as follows:

15.1-06-04. School calendar - Length.

1. During each school year, a school district shall provide for a school calendar of at least one hundred eighty days, apportioned as follows:
 - a. One hundred seventy-three full days of instruction;
 - b. Three holidays listed in subdivisions b through j of subsection 1 of section 15.1-06-02 and selected by the school board in consultation with district teachers;
 - c. ~~Two days for the attendance of teachers at the North Dakota education association instructional conference; and~~
 - d. Up to two full days during which parent-teacher conferences are held or which are deemed by the school board to be compensatory time for parent-teacher conferences held outside regular school hours; and
 - d. Two days for professional development activities.
2. a. In meeting the requirements for two days of professional development activities under subsection 1, a school district may require that its teachers attend the North Dakota education association instructional conference and may pay teachers for attending the conference, provided attendance is verified.

- b. In meeting the requirements for two days of professional development activities under subsection 1, a school district may consider attendance at the North Dakota education association instructional conference to be optional, elect not to pay teachers for attending the instructional conference, and instead direct any resulting savings toward providing alternate professional development opportunities.
3. A school district may not require the attendance of teachers in school or at any school-sponsored, school-directed, school sanctioned, or school related activities and may not schedule classroom instruction time nor alternate professional development activities on any day that conflicts with the North Dakota education association instructional conference.
- 2- 4. A full day of instruction consists of:
- a. At least five and one-half hours for elementary students, during which time the students are required to be in attendance for the purpose of receiving curricular instruction; and
 - b. At least six hours for high school students, during which time the students are required to be in attendance for the purpose of receiving curricular instruction.
- 3- 5. If a school's calendar provides for an extension of each schoolday beyond the statutorily required minimum number of hours, and if the extensions when aggregated over an entire school year amount to more than eighty-four hours of additional classroom instruction during the school year, the school is exempt from having to make up six hours of instruction time lost as a result of weather-related closure. In order to make up lost classroom instruction time beyond the six hours, the school must extend its normal school calendar day by at least thirty minutes.
- 4- 6. A school that does not qualify under the provisions of subsection 3 must extend its normal schoolday by at least thirty minutes to make up classroom instruction time lost as a result of weather-related closure.
- 5- 7. If because of weather a school must dismiss before completing a full day of instruction, the school is responsible for making up only those hours and portions of an hour between the time of early dismissal and the conclusion of a full day of classroom instruction.

- (k) Supplemental instruction programs; and
- (l) Any other services approved by the superintendent of public instruction.

e. For purposes of this subsection, if an educational association governed by a joint powers agreement became operational before July 1, 2005, the 2005-06 school year must be considered the association's first year of operation.

5. The joint powers agreement provides:
 - a. Criteria for the future participation of school districts that were not parties to the original joint powers agreement;
 - b. An application process by which school districts that were not parties to the original joint powers agreement can become participating districts; and
 - c. A process by which school districts that were not parties to the original joint powers agreement and whose application to participate in the agreement was denied can appeal the decision to the superintendent of public instruction.
4. 6. The joint powers agreement provides for the employment and compensation of ~~a chief administrator and other~~ any staff necessary to carry out the provisions of the agreement and the requirements of this section and section 15.1-27-37 Act.
7. The joint powers agreement provides for a governing board that consists only of individuals who serve on the boards of the participating school districts or designees of the respective school board members, provided however that a joint powers agreement may allow for the inclusion of ex officio nonvoting members on the educational association's board.
8. The joint powers agreement provides that the board of the educational association shall meet at least quarterly.
9. The joint powers agreement does not permit the educational association to compensate members of the educational association board for attending meetings of the board and that it does not permit the educational association to reimburse members of the board for any expenses incurred in attending meetings of the educational association board.

SECTION 4. A new section to chapter 15.1-07 of the North Dakota Century Code is created and enacted as follows:

Compensation - Reimbursement - Extraordinary service. The board of an educational association established under section 15.1-07-28 may provide compensation and reimbursement to any board member who, at the direction of the board, performs extraordinary service on behalf of the board. For purposes of this section, "extraordinary service" means duties beyond those reasonably expected of members of the board and includes travel to and attendance at national meetings or conventions.

SECTION 5. AMENDMENT. Section 15.1-09-01 of the North Dakota Century Code is amended and reenacted as follows:

15.1-09-01. School board membership - Size and term adjustments.

1. The board of a school district is must be composed of five, seven, or nine members, ~~unless:~~
 - a. ~~The electors of the district increase the size of the board under this section;~~
 - b. ~~The size of the board was increased under a prior law; or~~

- e. ~~The board, on July 1, 1971, was composed of more or fewer than five members, in which case the number of members must remain unchanged unless increased under this section.~~
2. The size of ~~any a~~ school district board may be increased to ~~either five, seven, or nine members~~ or decreased to seven or five members if a petition is signed by qualified electors of the school district equal in number to at least one-third of those who voted at the most recent annual school district election and the change is approved by a majority of the qualified electors of the school district voting on the question at a special election called for that purpose.
 3. If a majority of the qualified voters in a school district elect to increase the size of the school board, the additional members must be elected to the board at the next annual school district election in the same manner as other board members.
 - a. ~~If the total number of board members after approval of the increase is five, the terms of two members extend until the first annual election, the terms of two members extend until the second annual election, and the term of the remaining member extends until the third annual election.~~
 - b. ~~If the total number of board members after approval of the increase is seven, the terms of three members extend until the first annual election, the terms of two members extend until the second annual election, and the terms of the remaining two members extend until the third annual election.~~
 - e. b. If the total number of board members after approval of the increase is nine, the terms of three members extend until the first annual election, the terms of three members extend until the second annual election, and the terms of the remaining three members extend until the third annual election.
 - d. c. The length of the terms specified in this ~~section~~ subsection must be determined by lot.
 - e. d. All board members shall serve for the terms specified in this ~~section~~ subsection and until their successors are elected and qualified.
 - f. e. The length of any term in existence before the increase in board membership and held by a board member who is duly qualified may not be modified.
 - g. f. Terms subsequent to the first term are for the normal period of three years and extend until a successor is elected and qualified.
 4. If on July 1, 2005, the board of any school district contains only three members, the board must be increased to five members and the additional members must be elected at the next annual school district election, in the same manner as other board members. The initial term of one additional member must be one year and the initial term of the other additional member must be two years. The length of the terms specified in this subsection must be determined by lot. Thereafter, the size of the board may be increased in accordance with subsections 2 and 3.
 5. The voters of a school district shall elect school board members at large. If, however, the district has been reorganized, board members may be elected at large, by geographical area, or at large by geographical area.

- 5- 6. An election on a reorganization proposal takes the place of the petition and election requirements of this section. Approval of the reorganization proposal has the same effect as if the approval were by the election provided for in this section.
- 6- 7. If the qualified electors of a district approve a reduction in the size of the school board, the excess number of members will serve out existing terms until the number approved by the electors has been reached.
- 7- 8. If the board of a school district has elected to convert its members' terms to four years and has also increased the number of its board members, the board by lot or by some other random selection method shall provide for a combination of initial terms of office not to exceed four years for the new members. The combination must equalize to the greatest extent possible the number and length of terms for old board members and for new members to be elected during the next three election years. The members' terms must be staggered and must expire in even-numbered years.
- 8- 9. Notwithstanding the provisions of this section, the board of education of the city of Fargo consists of nine members.

SECTION 6. AMENDMENT. Section 15.1-12-26 of the North Dakota Century Code is amended and reenacted as follows:

15.1-12-26. Dissolution of school district - Grounds.

- 1. A county committee shall initiate proceedings to dissolve a school district and attach the property to other operating high school districts when it is notified in writing by the county superintendent of schools whose jurisdiction includes the administrative headquarters of the district that:
 - a. The district is financially unable to effectively and efficiently educate its students;
 - b. The district has not operated a school as required by section 15.1-12-24; or
 - c. A school board has determined that dissolution is in the best interest of its students.
- 2. Except as provided in subsection 3, a county committee shall initiate proceedings under section 15.1-12-27 to attach real property to an operating high school district when it is notified in writing by the county superintendent that:
 - a. Real property has been severed from its school district by the expansion of a city and the severed portion is not contiguous with its district; or
 - b. There exists real property that does not belong to a school district.
- 3. If a school district reorganization plan which does not include all real property in a district is approved by the electors, the county committee shall, within forty-five days after the election, hold a hearing under section ~~15.1-12-29~~ 15.1-12-27 to attach the remaining property to one or more operating high school districts.
- 4. Receipt of notice by a county committee under this section:

- a. Renders an annexation petition involving any real property in the district void, unless the annexation has already been approved by the state board; and
 - b. Prohibits the acceptance of a new annexation petition involving any real property in the district until all dissolution proceedings have been completed.
5. One or more annexation petitions may not be used to annex all of the real property in a school district to surrounding school districts.

SECTION 7. AMENDMENT. Section 15.1-12-27 of the North Dakota Century Code is amended and reenacted as follows:

15.1-12-27. Dissolution of school district - Notice - Hearing - Order of attachment.

1. The county superintendent shall schedule and give notice of a public hearing regarding the dissolution of the district and the subsequent attachment of the property to other high school districts. The county superintendent shall publish the notice in the official newspaper of each county that encompasses property in the dissolving district and in the official newspaper of each county that encompasses property in a high school district adjacent to the dissolving district, at least fourteen days before the date of the hearing. The county superintendent shall provide notice of the public hearing to the business manager of each high school district adjacent to the dissolving district.
2. At the hearing, the board of the dissolving district may propose a particular manner of dissolution.
3. The county committee shall consider testimony and documentary evidence regarding:
 - a. The value and amount of property held by the dissolving school district;
 - b. The amount of all outstanding bonded and other indebtedness;
 - c. The distribution of property and assets among the high school districts to which the dissolved district is attached;
 - d. The taxable valuation of the dissolving district and adjacent high school districts and the taxable valuation of adjacent high school districts under the proposed manner of dissolution;
 - e. The size, geographical features, and boundaries of the dissolving district and of adjacent high school districts;
 - f. The number of students in the dissolving district and in adjacent high school districts;
 - g. The general population of the dissolving district and adjacent high school districts;
 - h. Each school in the dissolving district and in adjacent high school districts, including its name, location, condition, accessibility, and the grade levels it offers;

- i. The location and condition of roads, highways, and natural barriers in the dissolving district and in adjacent high school districts;
 - j. Conditions affecting the welfare of students in the dissolving district and in adjacent high school districts;
 - k. The boundaries of other governmental entities;
 - l. The educational needs of communities in the dissolving district and in adjacent high school districts;
 - m. Potential savings in school district transportation and administrative services;
 - n. The anticipated future use of the dissolving districts' buildings, sites, and playfields;
 - o. The potential for a reduction in per student valuation disparities between the high school districts to which the dissolved district is attached;
 - p. The potential to equalize or increase the educational opportunities for students from the dissolving district and for students in adjacent high school districts; and
 - q. All other relevant factors.
4. After the hearing, the county committee shall make findings of fact. Subject to final approval by the state board, the county committee may order the district dissolved and its real property attached to one or more contiguous, operating high school districts.
 5. Any property ordered attached under this section must have at least one minor residing within its boundaries.
 6. The county superintendent shall forward all minutes, records, documentary evidence, and other information regarding the dissolution proceeding together with a copy of the county committee's order to the state board for final approval of the dissolution. The state board shall publish notice of its meeting at which it will consider the dissolution, in the official newspapers of the counties required for publication under subsection 1, at least fourteen days before the meeting.
 7. The order of dissolution becomes effective July first following approval by the state board, unless the county committee provides for a different effective date.
 8. If the boundaries of the dissolving school district cross county lines, the proceeding to dissolve the district must be conducted jointly by the county committees representing counties containing twenty-five percent or more of the dissolving district's taxable valuation. If, after the hearing, a majority of the county committees are unable to agree upon an order of dissolution and attachment, the county superintendent of the county in which the administrative headquarters of the dissolving school district is located shall notify the state board. The state board shall conduct a public hearing, as required in this section, and order the dissolution of the district and the attachment of its real property to adjacent high school districts in the manner it deems appropriate. The state board shall publish notice of the public hearing in the official newspapers of the counties required for

publication under subsection 1, at least fourteen days before the date of the hearing.

9. If any portion of the order providing for the attachment of real property is suspended or voided, the order of dissolution is likewise suspended or voided.

SECTION 8. AMENDMENT. Section 15.1-12-29 of the North Dakota Century Code is amended and reenacted as follows:

15.1-12-29. Dissolution of school district - Unobligated cash balance - Tax credits or refunds.

1. ~~Any~~ After ten thousand dollars is set aside, as required by section 15.1-12-28, and after the required amount is deposited in the reimbursement account for job service North Dakota, as required by section 15.1-12-28.1, any remaining unobligated cash balance in excess of ten thousand dollars, up to an amount equaling a dissolved school district's general fund expenditure for the last school year before the district's dissolution is a credit for real property owners within the boundaries of the dissolved school district, against taxes levied by the district ~~in to~~ which their property is now situated. ~~The county auditor shall base the credit on the five year average of the total mills levied for education by the dissolved district attached.~~ If property from the dissolved district is attached to more than one school district, the percentage of the total credit that to which each eligible real property owners receive must be owner is entitled must equal the same percentage of the unobligated cash balance as the that the taxable valuation of the individual's real property bears to the total taxable valuation of the dissolved district's property at the time of the attachment order.
2. Upon approval of the board of county commissioners, any school district required to provide a tax credit under subsection 1 may provide a cash refund in lieu of the tax credit. At the request of the county auditor, the school district holding the unobligated cash balance available under subsection 1 shall pay to the county treasurer the amount to be paid to those who own real property within the dissolved district. The treasurer shall issue the refund to the owner of the property as shown on the county's assessment list at the time of payment. If there is a lien for unpaid taxes against the property, the treasurer shall first apply the property owner's tax credit toward any outstanding balance. Any amount remaining may then be paid to the property owner. The cash refunds must be calculated proportionately to the total taxable value of the dissolved district during the last year taxes were levied.
3. After the requirements of subsection 1 have been met, the county auditor shall distribute any remaining unobligated cash balance among the school districts to which the real property of the dissolved district was attached. The percentage of the remaining unobligated cash balance to which each school district is entitled equals that percentage of the dissolved district's total taxable valuation which was attached to the receiving school district.

SECTION 9. AMENDMENT. Section 15.1-18-07 of the North Dakota Century Code is amended and reenacted as follows:

 - b. The amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of fifty percent of its actual expenditures, plus twenty thousand dollars; and
 - c. If the mills levied by the district for general fund purposes, plus the mills levied for high school transportation and high school tuition purposes are fewer than one hundred forty, the number of mills by which the district's levies are below one hundred forty multiplied by the taxable valuation of property in the district.
2. Beginning July 1, 2006, and each year thereafter, the number of mills used by the superintendent of public instruction in determining the product required by subdivision a of subsection 1 must be increased by ~~two~~ three over the number of mills used in determining the product required by that subdivision the previous year.

(Effective after June 30, 2008) School district equalization factor.

1. To determine the amount of payments due a school district, the superintendent of public instruction shall add the tuition apportionment payments, per student payments, special education aid, transportation aid, and teacher compensation payments for which a school district is eligible and from that total subtract the following:
 - a. The product of the number of mills prescribed in subsection 2 times the taxable valuation of property in the district;
 - b. The amount by which the unobligated general fund balance of the district on the preceding June thirtieth is in excess of forty-five percent of its actual expenditures, plus twenty thousand dollars; and
 - c. If the mills levied by the district for general fund purposes, plus the mills levied for high school transportation and high school tuition purposes are fewer than one hundred forty, the number of mills by which the district's levies are below one hundred forty multiplied by the taxable valuation of property in the district.

2. The number of mills used by the superintendent of public instruction in determining the product required by subdivision a of subsection 1 must be increased by ~~two~~ three over the number of mills used in determining the product required by that subdivision the previous year.

SECTION 13. AMENDMENT. Section 15.1-27-06 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-06. Per student payments - Weighting factors - High school students. The superintendent of public instruction shall make payments each year, as provided for in this section, to each school district operating a high school and to each school district contracting to educate high school students in a federal school, subject to adjustment as provided in section 15.1-27-21.

1. Each district having under ~~seventy five~~ one hundred twenty students in average daily membership in grades nine through twelve is entitled to receive the amount of money that results from multiplying the factor ~~4.625~~ adjusted by eighty five percent of the difference between 1.625 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in grades nine through twelve who are registered in that district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five year average cost of education per student in this category, as determined by the superintendent of public instruction.~~
2. Each district having at least ~~seventy five~~ one hundred twenty but fewer than ~~one three hundred fifty~~ students in average daily membership in grades nine through twelve is entitled to receive the amount of money that results from multiplying the factor ~~1.335~~ adjusted by eighty five percent of the difference between 1.335 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in grades nine through twelve who are registered in that district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five year average cost of education per student in this category, as determined by the superintendent of public instruction.~~
3. Each district having at least ~~one three hundred fifty~~ three hundred fifty but fewer than ~~five hundred fifty~~ students in average daily membership in grades nine through twelve is entitled to receive the amount of money that results from multiplying the factor ~~1.24~~ adjusted by eighty five percent of the difference between 1.24 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in grades nine through twelve who are registered in that district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five year average cost of education per student in this category, as determined by the superintendent of public instruction.~~
4. Each district having at least ~~five hundred fifty~~ five hundred students in average daily membership in grades nine through twelve is entitled to receive the amount of money that results from multiplying the factor ~~1.14~~ adjusted by eighty five percent of the difference between 1.14 and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in grades nine through twelve who are registered in that district, times the per student payment provided for in section

~~15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction.~~

- ~~5-~~ 4. Each district having an approved alternative high school education program is entitled to receive the amount of money that results from multiplying the factor in:
- a. Subsection 1 by the number of students registered in the alternative education program, times the per student payment provided for in section 15.1-27-04, if fewer than ~~seventy-five~~ one hundred twenty students in average daily membership are enrolled in the alternative education program.
 - b. Subsection 2 by the number of students registered in the alternative education program, times the per student payment provided for in section 15.1-27-04, if at least ~~seventy-five~~ one hundred twenty but fewer than ~~one~~ three hundred ~~fifty~~ students in average daily membership are enrolled in the alternative education program.
 - c. Subsection 3 by the number of students registered in the alternative education program, times the per student payment provided for in section 15.1-27-04, if at least ~~one~~ three hundred ~~fifty~~ but fewer than ~~five hundred fifty~~ students in average daily membership are enrolled in the alternative education program.
 - ~~d. Subsection 4 by the number of students registered in the alternative education program, times the per student payment provided for in section 15.1-27-04, if at least five hundred fifty students in average daily membership are enrolled in the alternative education program.~~
- ~~6-~~ 5. In order to be eligible for enumeration under this section, a student:
- a. Must have completed the work of the eighth grade;
 - b. Must not have completed the work of the twelfth grade; and
 - c. Must be a resident of this state or a nonresident attending a school in this state under the auspices of a foreign student exchange program.
6. In calculating payments under this section and subsections 1 through 4 of section 15.1-27-07, the superintendent of public instruction shall use 1.0 as the factor that represents the lowest five-year average cost of education among all elementary and high school weighting categories other than kindergarten and shall use proportionately increased factors to represent the five-year average cost of education in all remaining weighting categories except kindergarten.

SECTION 14. AMENDMENT. Section 15.1-27-07 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-07. Per student payments - Weighting factors - Elementary school students. The superintendent of public instruction shall make payments each year, as provided for in this section, to each school district operating an elementary school and to each school district contracting to educate elementary students in a federal school, subject to adjustment as provided in section 15.1-27-21.

- ~~1.-~~ a. ~~Each district having only a one-room rural school is entitled to receive the amount of money that results from multiplying the factor 1.28 adjusted by eighty-five percent of the difference between 1.28 and the~~

~~factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades one through eight in that school, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment level provided for in this subdivision is applicable only to the first sixteen students.~~

- ~~b. If the one-room rural school has more than sixteen students in average daily membership in grades one through eight, the district in which the school is located is entitled to receive ninety percent of the per student payment provided for in section 15.1-27-04 for each additional student. The district is not entitled to any payment for more than twenty students in average daily membership.~~
 - ~~e. If a one-room rural school is located in a district having another elementary school, the weighting factor for the students in grades one through six must be based on the average daily membership in the district in grades one through six, as provided in this section.~~
 - ~~d. If a one-room rural school is located in a school district with another school that has students in grade seven or eight, the weighting factor for the students in grade seven or eight must be the same as that provided for in subsection 5.~~
2. 1. ~~Except as provided in subsection 1, each~~ Each school district having fewer than one hundred students in average daily membership in grades one through six is entitled to receive the amount of money that results from multiplying the factor ~~1.00~~ adjusted by eighty five percent of the difference between ~~1.00~~ and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades one through six in the district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first twenty five students in average daily membership per classroom or per teacher.~~
3. 2. Each school district having at least one hundred students ~~but fewer than one thousand~~ students in average daily membership in grades one through six is entitled to receive the amount of money that results from multiplying the factor ~~.905~~ adjusted by eighty five percent of the difference between ~~.905~~ and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades one through six in the district, times the per student payment provided for in section 15.1-27-04. ~~Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first thirty students in average daily membership per classroom or per teacher.~~
4. Each school district having at least one thousand students in average daily membership in grades one through six is entitled to receive the amount of money that results from multiplying the factor ~~.95~~ adjusted by eighty five percent of the difference between ~~.95~~ and the factor representing the

~~five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades one through six in the district, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of the education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first thirty students in average daily membership per classroom or per teacher.~~

- 5- 3. Each school district having students in grades seven and eight is entitled to receive the amount of money that results from multiplying the factor ~~4.04~~ adjusted by ~~eighty five percent~~ of the difference between ~~1.04~~ and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of students in average daily membership in grades seven and eight in the district, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first thirty students in average daily membership per classroom or per teacher. ~~The payments provided for in this subsection are not available for students who attend a one-room rural school if that school is the only one in the district that offers educational services to students in grades seven and eight.~~
- 6- 4. Each school district having a special education program approved by the director of special education is entitled to receive, for each student who is enrolled in the program and who is at least three years of age but less than the compulsory age for school attendance, the amount of money that results from multiplying the factor ~~1.04~~ adjusted by ~~eighty five percent~~ of the difference between ~~1.04~~ and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of special education students in average daily membership in the program who are at least three years of age but less than the compulsory age for school attendance, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction.
- 7- 5. a. Each school district operating a kindergarten as provided for in section 15.1-22-02 is entitled to receive the amount of money that results from multiplying the factor ~~.50~~ adjusted by ~~eighty five percent~~ of the difference between ~~.50~~ and the factor representing the five-year average cost of education per student for this category, as determined by the superintendent of public instruction, by the number of kindergarten students in average daily membership in the district, times the per student payment provided for in section 15.1-27-04. Beginning July 1, 2004, the factor is that which represents the five-year average cost of education per student in this category, as determined by the superintendent of public instruction. The payment provided for in this subsection is applicable only to the first twenty-five students in average daily membership per classroom or per teacher.
- b. In order to receive the full per student payment available under this section, a district must operate a kindergarten program that provides the equivalent of ninety full days of classroom instruction during a twelve-month period. A district is entitled to a prorated payment under this section if it operates a kindergarten program of shorter duration.

- 8- 6. Each school district that educates students who are also enrolled in nonpublic schools is entitled to receive proportionate payments under this section.
- 9- 7. Each school district is entitled to receive as much in total payments for elementary students as it would have received if it had the highest number of students in the next lower category.
- 40- 8. A school district is not entitled to any payments provided for by this chapter unless each teacher employed by the district:
 - a. Holds a teaching license issued by the education standards and practices board; or
 - b. Has been approved to teach by the education standards and practices board.
- 9. In calculating payments under subsections 1 through 4 and under section 15.1-27-06, the superintendent of public instruction shall use 1.0 as the factor that represents the lowest five-year average cost of education among the elementary and high school weighting categories other than kindergarten and shall use proportionately increased factors to represent the five-year average cost of education in all remaining weighting categories except kindergarten.

SECTION 15. AMENDMENT. Section 15.1-27-11 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-11. High school districts - Supplemental payments.

- 1. The superintendent of public instruction shall calculate the average valuation of property per student by dividing the number of students in average daily membership in grades one through twelve in a high school district into the sum of:
 - a. The district's latest available net assessed and equalized taxable valuation of property; plus
 - b. All tuition payments and county ~~and unrestricted federal~~ revenue received by the district, divided by the total of the district's general fund levy, high school transportation levy, and high school tuition levy.
- 2. ~~If the~~ The superintendent of public instruction shall verify that:
 - a. The quotient arrived at under subsection 1 is less than the latest available statewide average taxable valuation per student ~~and if the~~;
 - b. The district's educational expenditure per student is below the most recent available statewide average cost of education per student;
 - c. The district has a general fund levy of at least one hundred eighty mills; and
 - d. The district's unobligated general fund balance on the preceding June thirtieth is not in excess of thirty-five percent of its actual expenditures, plus twenty thousand dollars.
- 3. If the superintendent of public instruction determines that the district meets all the requirements of subsection 2, the superintendent ~~of public instruction~~ shall:

- a. Determine the difference between the latest available statewide average taxable valuation per student and the average taxable valuation per student in the high school district;
 - b. Multiply the result determined under subdivision a by the number of students in average daily membership in grades one through twelve in the high school district;
 - c. Multiply the result determined under subdivision b by the number of general fund mills levied by the district in excess of one hundred fifty, provided that any mills levied by the district which are in excess of two hundred ten may not be used in this calculation; and
 - d. Multiply the result determined under subdivision c by a factor calculated by the superintendent of public instruction to result in the expenditure, over the course of the biennium, of the full amount provided for the purpose of this section.
- e- 4. The result of the calculations under this section is the supplemental payment to which a high school district is entitled, in addition to any other amount provided under chapter 15.1-27.

SECTION 16. AMENDMENT. Section 15.1-27-15 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-15. Per student payments - Isolated schools.

1. If an elementary school has fewer than fifty students and fifteen percent or more of its students would have to travel beyond a fifteen-mile [24.15-kilometer] radius from their residences in order to attend another school, the weighting factor provided under section 15.1-27-07 must be increased by ~~twenty~~ twenty-five percent ~~for the first fifteen students~~. If the school has fewer than fifteen students, the payment received must be for fifteen students.
2. If a high school has fewer than thirty-five students and fifteen percent or more of its students would have to travel beyond a twenty-mile [32.2-kilometer] radius from their residences in order to attend another school, the weighting factor provided under section 15.1-27-06 must be increased by ~~twenty~~ twenty-five percent ~~for the first twenty students~~. If the school has fewer than twenty students, the payment received must be for twenty students.

SECTION 17. AMENDMENT. Section 15.1-27-35 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-35. Average daily membership - Calculation. Average daily membership is calculated by adding the total number of days that each student in a given classroom, school, or school district is in attendance during a school calendar and the total number of days that each student in a given classroom, school, or school district is absent during a school calendar, and then dividing the sum by one hundred eighty. For purposes of calculating average daily membership, all students are deemed to be in attendance on:

1. The three holidays listed in subdivisions b through j of subsection 1 of section 15.1-06-02 and selected by the school board in consultation with district teachers;

2. The two days set aside for ~~the attendance of teachers at the North Dakota education association instructional conference~~ professional development activities under section 15.1-06-04; and
3. The two full days, or portions thereof, during which parent-teacher conferences are held or which are deemed by the board of the district to be compensatory time for parent-teacher conferences held outside regular school hours.

SECTION 18. AMENDMENT. Section 15.1-27-37 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-37. Compensation of teachers - Claim for reimbursement - Rules.

1. On or before October first of each year or within thirty days after the conclusion of the negotiation process provided for in chapter 15.1-16, the board of a school district may file a claim with the superintendent of public instruction for the reimbursement of moneys to be expended by the district during the school year to at least maintain the level of compensation provided to teachers employed by the district during the ~~2002-03~~ preceding school year.
2. The claim must include:
 - a. The number of full-time equivalent teachers employed by the district as of September fifteenth of the current school year;
 - b. The number of full-time equivalent teachers whose level of compensation will be at least equal to that provided during the ~~2002-03~~ preceding school year; and
 - c. The total amount of any compensation increases provided to full-time equivalent teachers over the level of compensation provided during the ~~2002-03~~ preceding school year.
3. ~~For the 2003-04 school year, the~~ The reimbursement provided for in this section may not exceed three thousand dollars multiplied by the number of full-time equivalent teachers employed by the district as of September ~~15, 2003~~.
 - ~~b. For the 2004-05 school year, the reimbursement provided for in this section may not exceed three thousand dollars multiplied by the number of full-time equivalent teachers employed by the district as of September 15, 2004.~~
 - e. ~~For the 2003-04 school year, the~~ fifteenth of the current school year.
 - b. The reimbursement under this section for each individual employed as of September 15, 2003 fifteenth of the current school year, as a full-time equivalent teacher for the first school year since becoming licensed to teach by the education standards and practices board or approved to teach by the education standards and practices board, may not exceed one thousand dollars.
 - d. ~~For the 2004-05 school year, the reimbursement under this section for each individual employed as of September 15, 2004, as a full-time equivalent teacher for the first school year since becoming licensed to teach by the education standards and practices board or approved to teach by the education standards and practices board, may not exceed one thousand dollars.~~

4. For purposes of this section, the claim of a district may include proportionate expenditures made by the district to compensate individuals employed as teachers by the special education unit or the area career and technology center to which the district belongs.
5. The superintendent of public instruction may adopt rules regarding claims for and the payment of reimbursements under this section.

SECTION 19. AMENDMENT. Section 15.1-27-39 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-39. Annual salary - Minimum amount.

1. Beginning with the ~~2003-04~~ 2005-06 school year, the board of each school district shall provide to each full-time teacher, under contract for a period of nine months, a minimum salary level for the contract period equal to at least ~~twenty-one~~ twenty-two thousand dollars.
2. Beginning with the ~~2004-05~~ 2006-07 school year, the board of each school district shall provide to each full-time teacher, under contract for a period of nine months, a minimum salary level for the contract period equal to at least ~~twenty-one~~ twenty-two thousand five hundred dollars.

SECTION 20. AMENDMENT. Section 15.1-27-40 of the North Dakota Century Code is amended and reenacted as follows:

15.1-27-40. Approved joint powers agreement - Reimbursement by superintendent of public instruction Report of expenses.

1. ~~The individual employed as a chief administrator for the purpose of carrying out the provisions of a joint powers agreement and any requirements under section 15.1-07-27 shall~~ executive director of an educational association governed by a joint powers agreement which the superintendent of public instruction has verified as meeting the requirements of section 15.1-07-28 shall annually submit to the superintendent of public instruction, at the time and in the manner designated by the superintendent, receipts for expenses incurred during a school year in delivering services and programs under section 15.1-07-27.
2. ~~The superintendent of public instruction, upon verifying the receipts, shall reimburse the chief administrator of the joint powers agreement for any expenses incurred in delivering services and programs under the auspices of the joint powers agreement as provided in section 15.1-07-27. The reimbursement may not exceed the lesser of:~~
 - a. ~~The total expenses incurred in delivering services and programs under section 15.1-07-27; or~~
 - b. ~~Fifty thousand dollars.~~
3. ~~The chief administrator~~ a report detailing all expenses incurred by the educational association and shall attribute the expenses on a per student basis by participating school district.
2. ~~The executive director shall deposit any moneys received under subsection 2 in the participating districts' by or on behalf of the association into the educational association's joint operating fund.~~
4. ~~The superintendent of public instruction may not provide any reimbursement to a chief administrator under this section unless the joint~~

~~powers agreement under which the services and programs are delivered has been approved by the superintendent.~~

SECTION 21. AMENDMENT. Section 15.1-28-03 of the North Dakota Century Code is amended and reenacted as follows:

15.1-28-03. State tuition fund - Apportionment - Payment. On or before the third Monday in each January, February, March, April, August, September, October, November, and December, the office of management and budget shall certify to the superintendent of public instruction the amount of the state tuition fund. The superintendent shall apportion the fund among the school districts of the state in proportion to the number of school-age children residing in each district, as shown by the latest enumeration provided for by law and pay the amount apportioned to each school district. The superintendent shall make the payments required by this section at the same time as the per student payments required under chapter 15.1-27.

SECTION 22. AMENDMENT. Section 15.1-29-03 of the North Dakota Century Code is amended and reenacted as follows:

15.1-29-03. Education of students in other districts - Payment of tuition and transportation.

1. After taking into account the best interests of all affected parties, the board of a school district may elect to send its students to another school district. In this instance, the board ~~may~~ shall pay for the students' tuition for the students and transportation. The board may arrange, and when petitioned to do so by qualified electors of the district equal in number to at least a majority of those who voted in the most recent annual school district election shall arrange, with other boards to send students to the other districts and to pay for their tuition and transportation.
2. If a district does not provide educational services to an entire grade level, the students in that grade level may attend a public school of their choice outside their district of residence without going through the procedures outlined in section 15.1-29-05. The board of the students' school district of residence shall pay for the students' tuition to the admitting district and transportation. For purposes of determining whether educational services are provided to an entire grade level, districts cooperating with each other in the joint provision of educational services under a plan approved by the superintendent of public instruction are considered to be a single district.

SECTION 23. AMENDMENT. Section 15.1-29-04 of the North Dakota Century Code is amended and reenacted as follows:

15.1-29-04. Payment of tuition and transportation by sending districts - Interest on late payments. ~~If a school board approves the payment of the board of a school district agrees to pay tuition for a student attending school in another district or if a district under this chapter, if it is required to make pay tuition payments under the provisions of this chapter, or if it is required to pay tuition and transportation under this chapter, the board of the sending district shall pay at least fifty percent of the annual tuition charge to the admitting district on or before December thirty-first and any remaining amount on or before May thirty-first. If payment is not received by the admitting district within thirty days after the date on which payment is due, simple interest at the rate of six percent per annum accrues to any amount due.~~

SECTION 24. AMENDMENT. Section 15.1-29-12 of the North Dakota Century Code is amended and reenacted as follows:

15.1-29-12. Tuition payments - Determination.

1. Except as provided in section 15.1-29-13, a school district sending a student to another district for purposes of education shall pay the full cost of education incurred by the admitting district.
2.
 - a. The admitting district shall determine the cost of education per student for its kindergarten, elementary, and high school students on the basis of its average daily membership and those expenditures permitted in determining the cost of education per student in section 15.1-27-03.
 - b. To the cost of education per student, the admitting district shall add the latest available statewide average per student cost for extracurricular activities and the state average capital outlay per student. The state average capital outlay per student is determined by dividing the total of all school districts' annual expenditures for sinking and interest funds, tax receipts to the building funds, and general fund expenditures for capital outlay by the average daily membership of the state.
 - c. The admitting district shall subtract the following from the amount arrived at under subdivision b:
 - (1) The weighted per student payment received by the admitting district, less the average amount per North Dakota resident student enrolled in the school district realized from the deductions applied under section 15.1-27-06; and
 - (2) Any credit for taxes paid to the admitting district by the student's parent.
 - d. The amount remaining is the full cost of education incurred by the admitting district and the tuition amount payable for the individual student.
- ~~3. If the student's school district of residence and the student's parent are both paying tuition, the credit allowed under subdivision c of subsection 2 for taxes paid to the admitting district by the student's parent must be proportionately credited to the student's district of residence and the student's parent.~~
4. This chapter does not affect the right of a school board to charge and collect tuition from students who are not residents of this state, in accordance with section 15.1-29-02.

SECTION 25. TRANSPORTATION GRANTS - DISTRIBUTION.

1. During each year of the 2005-07 biennium, the superintendent of public instruction shall distribute from the grants - state school aid line item in House Bill No. 1013, as approved by the fifty-ninth legislative assembly, fifty percent of \$33,500,000 as state transportation aid payments.
2.
 - a. During the first year of the biennium, the superintendent of public instruction shall calculate the payment to which each school district is entitled based on the state transportation formula as it existed on June 30, 2001, except that the superintendent shall provide reimbursement for in-city mileage at the rate of fifty cents for schoolbuses having a capacity of ten or more students and reimbursement for vehicles having a capacity of nine or fewer students and transporting students who live outside the incorporated limits of a city at the rate of forty cents per mile. The superintendent

of public instruction shall use the latest available student enrollment count in each school district.

- b. During the second year of the biennium, the superintendent of public instruction shall distribute to each school district the same amount that the district received under this section for transportation services provided during the first year of the biennium.
3. If insufficient moneys exist to fully meet the requirements of this section, the superintendent of public instruction shall prorate the payments according to the percentage of the total amount to which each school district is entitled.
4. Nothing in this section permits reimbursement for any costs incurred in providing transportation for student attendance at extracurricular activities or events.

SECTION 26. AMENDMENT. Section 37 of chapter 667 of the 2003 Session Laws is amended and reenacted as follows:

SECTION 37. CONTINGENT PAYMENTS - DISTRIBUTION. If any moneys appropriated for per student payments and transportation payments in the grants - state school aid line item in Senate Bill No. 2013 remain after payment of all statutory obligations for per student and transportation payments during the biennium beginning July 1, 2003, and ending June 30, 2005, the superintendent of public instruction shall distribute the remaining moneys as follows:

1. The superintendent of public instruction shall use the first \$119,190, or so much of that amount as may be necessary, for the purpose of reimbursing eligible school districts that received reduced amounts of state aid. For the purposes of this subsection, an eligible school district is one that received a reduction in state aid during the second year of the 2003-05 biennium because the district's general fund levy fell below one hundred forty mills as the result of a reorganization or the dissolution of a contiguous district. The following affected districts listed are entitled to receive reimbursements:

<u>Velva 1</u>	<u>\$24,355</u>
<u>TGU 60</u>	<u>93,514</u>
<u>Lewis and Clark</u>	<u>1,321</u>

2. The superintendent of public instruction shall return the next \$759,000 to the state general fund.
3. The superintendent of public instruction shall use the ~~first~~ next \$250,000, or so much of that amount as ~~is~~ may be necessary, for the purpose of providing reimbursements to the chief administrators of joint powers agreements pursuant to section 19 of this Act.
- ~~2-~~ 4. The superintendent of public instruction shall use the next \$1,000,000, or so much of that amount as ~~is~~ may be necessary, for the purpose of providing reorganization bonuses, pursuant to section 15.1-12-11.1, to school districts having reorganizations effective after July 1, 2003, and before July 1, 2005. If insufficient moneys exist to fully meet the requirements of this subsection, the superintendent of public instruction shall prorate the payments according to that percentage of the amount available to which a school district is entitled.

- ~~3.~~ 5. The superintendent of public instruction shall use the remainder of the moneys to provide additional per student payments on a prorated basis, according to the average daily membership of each school district during the 2004-05 school year.

SECTION 27. CONTINGENCY - RETURN OF MONEYS TO THE GENERAL FUND. If any moneys appropriated for per student payments and transportation payments in the grants - state school aid line item in House Bill No. 1013, as approved by the fifty-ninth legislative assembly, remain after payment of all statutory obligations for per student and transportation payments during the biennium beginning July 1, 2005, and ending June 30, 2007, and if section 26 of this Act does not become effective before July 1, 2005, the superintendent of public instruction shall return the first \$759,000 to the state general fund.

SECTION 28. CONTINGENCY. If any moneys appropriated for per student payments and transportation payments in the grants - state school aid line item in House Bill No. 1013, as approved by the fifty-ninth legislative assembly, remain after payment of all statutory obligations for per student and transportation payments during the biennium beginning July 1, 2005, and ending June 30, 2007, and after the superintendent of public instruction has fulfilled any directives contained in section 27 of this Act, the superintendent shall distribute the remaining moneys as follows:

1. The superintendent of public instruction shall use the first \$450,000, or so much of that amount as may be necessary, to provide additional payments to school districts serving English language learners in accordance with section 15.1-27-12.
2. The superintendent of public instruction shall use the next \$1,000,000, or so much of that amount as may be necessary, for the purpose of providing additional per student payments to school districts participating in eligible educational associations in accordance with section 32 of this Act.
3. The superintendent of public instruction shall use the remainder of the moneys to provide additional per student payments on a prorated basis according to the latest available average daily membership of each school district.

SECTION 29. CONTINGENCY PAYMENTS - TEACHER COMPENSATION - ADDITIONAL PER STUDENT PAYMENTS. If any moneys appropriated by the legislative assembly to the grants - teacher compensation line item in House Bill No. 1013, as approved by the fifty-ninth legislative assembly, remain after completion of all statutory obligations, the superintendent of public instruction shall use the remaining moneys to provide additional per student payments on a prorated basis, according to the latest available average daily membership of each school district.

SECTION 30. TEACHER COMPENSATION - USE OF NEW MONEYS.

1. During the 2005-07 biennium, the board of each school district shall use an amount equal to at least seventy percent of all new moneys received for per student payments under section 15.1-27-04 and tuition apportionment payments under section 15.1-28-03 for the purpose of increasing the compensation paid to teachers and for the purpose of providing compensation to teachers who begin employment with the district on or after July 1, 2005.
2. For purposes of this section, "new moneys" means any increase in the amount received by a district for per student payments under section 15.1-27-04 and tuition apportionment payments under section 15.1-28-03 between the 2003-05 biennium and the 2005-07 biennium.

3. For purposes of this section, school districts providing educational services under a cooperative agreement approved by the superintendent of public instruction are treated as a single district.
4.
 - a. The provisions of this section do not apply to a school district if the board of the school district, after a public hearing at which public testimony and documentary evidence are accepted, determines in its discretion and by an affirmative vote of two-thirds of its members that complying with the provisions of subsection 1 would place the school district in the position of having insufficient fiscal resources to meet its other obligations.
 - b. Within ten days of the vote required by subdivision a, the board shall notify the superintendent of public instruction of its action and shall file a report detailing the grounds for its determination and action.
 - c. The superintendent of public instruction shall report all notices received under this subsection to an interim committee designated by the legislative council.

SECTION 31. REPORT TO LEGISLATIVE COUNCIL - EDUCATIONAL ASSOCIATIONS GOVERNED BY JOINT POWERS AGREEMENTS. At the conclusion of each school year during the 2005-07 biennium, the superintendent of public instruction shall compile a report covering the operations of each educational association governed by a joint powers agreement and verified by the superintendent of public instruction as meeting the requirements of section 15.1-07-28. The report must include the administrative functions and student services in which members of each educational association participated and the direct and indirect benefits of such participation. The report must specifically address whether school district participation resulted in expanded course offerings, improved state and national test results, administrative consolidations, instructional sharing, increased or improved professional development opportunities, and cost-savings to each school district. The superintendent of public instruction shall present the reports to an interim committee designated by the legislative council.

SECTION 32. APPROPRIATION - ELIGIBLE EDUCATIONAL ASSOCIATIONS.

1. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$1,000,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of providing payments to school districts that are members of eligible educational associations, for the biennium beginning July 1, 2005, and ending June 30, 2007.
2.
 - a. During June 2006 the superintendent of public instruction shall distribute seventy-five percent of the money appropriated under subsection 1 to eligible school districts on a per student basis. The total amount to which a school district is entitled under this subdivision may not exceed the amount expended by the school district during the 2005-06 school year to participate in an eligible educational association.
 - b. During June 2007 the superintendent of public instruction shall distribute the remaining money appropriated under subsection 1 to eligible school districts on a per student basis. The total amount to which a school district is entitled under this subdivision may not exceed the amount expended by the school district during the 2006-07 school year to participate in an eligible educational association.

3. For purposes of this section, an "eligible educational association" is one that is governed by a joint powers agreement that the superintendent of public instruction has verified as meeting the requirements of section 15.1-07-28.

SECTION 33. APPROPRIATION - REORGANIZATION BONUSES - CONTINGENCY. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$759,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of providing a reorganization bonus to any school district having a reorganization effective on July 1, 2005, pursuant to section 15.1-12-11.1, for the biennium beginning July 1, 2005, and ending June 30, 2007. If any moneys remain after the superintendent of public instruction completes the payment of bonuses for any reorganization effective on July 1, 2005, the superintendent shall use the remaining moneys to provide additional per student payments on a prorated basis, according to the latest available average daily membership of each school district.

SECTION 34. APPROPRIATION - TRANSPORTATION EFFICIENCY TRAINING. There is appropriated out of any moneys in the general fund in the state treasury, not otherwise appropriated, the sum of \$30,000, or so much of the sum as may be necessary, to the superintendent of public instruction for the purpose of contracting to provide transportation efficiency training to school district personnel, for the biennium beginning July 1, 2005, and ending June 30, 2007.

SECTION 35. REPEAL. Section 15.1-09-42 of the North Dakota Century Code is repealed.

SECTION 36. REPEAL. Section 15.1-12-11.2 of the North Dakota Century Code is repealed.

SECTION 37. REPEAL. Section 15.1-12-11.1 of the North Dakota Century Code is repealed.

SECTION 38. EFFECTIVE DATE. Sections 1, 17, and 35 of this Act become effective on July 1, 2006, and section 37 of this Act becomes effective on December 31, 2005.

SECTION 39. EMERGENCY. Section 26 of this Act is declared to be an emergency measure."
