The attorney general may not grant a license denied by the commission. The commission may obtain from the bureau of criminal investigation, without charge, criminal history record information as required in the licensing process.

SECTION 4. AMENDMENT. Subsection 1 of section 53-06.2-07 of the North Dakota Century Code is amended and reenacted as follows:

1. On compliance by an applicant with this chapter and the approval of the attorney general, the commission may issue a license to conduct races. The attorney general may not grant a license denied by the commission.

4. The commission may grant licenses to horse owners, jockeys, riders, agents, trainers, grooms, stable foremen, exercise workers, veterinarians, valets, concessionaires, service providers, employees of racing associations, and such other persons as determined by the commission. The attorney general may not grant a license denied by the commission. License fees are as established by the commission.

SECTION 6. AMENDMENT. Section 53-06.2-10.1 of the North Dakota Century Code is amended and reenacted as follows:

53-06.2-10.1. Simulcast wagering. In addition to racing under the certificate system, as authorized by this chapter, and conducted upon the premises of a racetrack, simulcast parimutuel wagering may be conducted in accordance with this chapter ~~and interim standards that need not comply with chapter 28-32~~, or rules adopted by the commission under this chapter in accordance with chapter 28-32. Any organization qualified under section 53-06.2-06 to conduct racing may make written application to the commission for the conduct of simulcast parimutuel wagering on races held at licensed racetracks inside the state or racetracks outside the state, or both. Licensure of service providers, totalizator companies, site operators, or organizations applying to

conduct or conducting simulcast or account wagering must be approved by the attorney general. The attorney general may not grant a license denied by the commission. Notwithstanding any other provision of this chapter, the commission may authorize any licensee to participate in interstate or international combined wagering pools with one or more other racing jurisdictions. Anytime that a licensee participates in an interstate or international combined pool, the licensee, as prescribed by the commission, may adopt the take-out of the host jurisdiction or facility. The commission may permit a licensee to use one or more of its races or simulcast programs for an interstate or international combined wagering pool at locations outside its jurisdiction and may allow parimutuel pools in other states to be combined with parimutuel pools in its jurisdiction for the purpose of establishing an interstate or international combined wagering pool. The participation by a licensee in a combined interstate or international wagering pool does not cause that licensee to be considered to be doing business in any jurisdiction other than the jurisdiction in which the licensee is physically located. Parimutuel taxes or commissions may not be imposed on any amounts wagered in an interstate or international combined wagering pool other than amounts wagered within this jurisdiction. The certificate system also permits parimutuel wagering to be conducted through account wagering. As used in this section, "account wagering" means a form of parimutuel wagering in which an individual deposits money in an account and uses the account balance to pay for parimutuel wagers. An account wager made on an account established in this state may only be made through the licensed simulcast service provider approved by the attorney general and authorized by the commission to operate the simulcast parimutuel wagering system under the certificate system. The attorney general may not grant a license denied by the commission. An account wager may be made in person, by direct telephone communication, or through other electronic communication in accordance with rules adopted by the commission. Breakage for interstate or international combined wagering pools must be calculated in accordance with the statutes or rules of the host jurisdiction and must be distributed among the participating jurisdictions in a manner agreed to among the jurisdictions."

Page 8, after line 20, insert:

"SECTION 8. AMENDMENT. Subsection 2 of section 53-06.2-13 of the North Dakota Century Code is amended and reenacted as follows:
