

SENATE BILL NO. 2333

Introduced by

Senators J. Lee, Fischer, Heckaman

Representatives Klein, Pinkerton, Weisz

1 A BILL for an Act to create and enact a new section to chapter 23-35 of the North Dakota
2 Century Code, relating to immunizations administered by public health units; and to provide for
3 legislative intent.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1.** A new section to chapter 23-35 of the North Dakota Century Code is
6 created and enacted as follows:

7 **Immunizations.** The department shall acquire and distribute to public health units
8 age-appropriate immunizations for administration to individuals who have not reached the age
9 of nineteen.

10 **SECTION 2. LEGISLATIVE INTENT - USE OF SECTION 317 FUNDS.** It is the intent
11 of the legislative assembly that the state department of health refrain from using immunizations
12 funded through the immunization grant program authorized under section 317 of the federal
13 Public Health Service Act for administration to individuals who are over nineteen years of age.
