16 **SECTION 2. AMENDMENT.** Section 51-07-02.3 of the North Dakota Century Code is
17 amended and reenacted as follows:

18 **51-07-02.3. Prohibited acts.**

19 A manufacturer, wholesaler, or distributor of automobiles or trucks, or parts of the
20 automobiles or trucks, that enters a contract with any person engaged in the business of selling
21 or retailing automobiles, trucks, or parts for the automobiles or trucks, may not:

- 22 1. Coerce or attempt to coerce the retailer into accepting delivery of automobiles, trucks,
23 parts, or accessories that the retailer has not ordered voluntarily.
- 24 2. Condition or attempt to condition the sale of automobiles or trucks on a requirement
25 that the automobile or truck retailer purchase other goods or services, except that the
26 manufacturer, wholesaler, or distributor may require a retailer to purchase all parts
27 reasonably necessary to maintain the quality of operation and telecommunications
28 necessary to communicate with the manufacturer, wholesaler, or distributor.
- 29 3. Implement or establish a system of motor vehicle allocation or distribution to one or
30 more of its dealers that is unfair, inequitable, or unreasonably discriminatory. As used
31 in this subsection, "unfair" includes requiring a dealer to accept new vehicles not

- 1 ordered by the dealer or the refusal or failure to offer to any dealer all models offered
2 to any of its other same line-make dealers in this state. The failure to deliver any motor
3 vehicle is not a violation of this section if failure is due to any cause over which the
4 manufacturer does not have control.
- 5 4. Require a dealer to pay all or any part of the cost of an advertising campaign or
6 contest or purchase any promotional material, showroom, or other display decoration
7 or material at the expense of the dealer.
- 8 5. Coerce or attempt to coerce an automobile or truck retailer into not carrying dual lines
9 or into maintaining separate facilities as long as the retailer's facilities otherwise satisfy
10 the reasonable requirements of the manufacturer, wholesaler, or distributor.
- 11 6. Require a retailer to either establish or maintain exclusive facilities, personnel, or
12 display space or to abandon an existing franchise relationship with another
13 manufacturer in order to continue, renew, reinstate, or enter a franchise agreement or
14 to participate in any program discount, credit, rebate, or sales incentive. This
15 subsection does not apply to a program that is in effect with more than one dealer in
16 this state on the effective date of this Act or to a renewal or modification of the
17 program.
- 18 7. Unreasonably prevent or refuse to approve the relocation of a dealership to another
19 site within the dealer's relevant market area. The dealer shall provide the
20 manufacturer or distributor with notice of the proposed address and a reasonable site
21 plan of the proposed location. The manufacturer or distributor shall approve or deny
22 the request in writing within sixty days after receipt of the request, and failure to deny
23 the request within sixty days is deemed approval.
- 24 8. Require the retailer to unreasonably remodel, renovate, or recondition the retailer's
25 facilities, change the location of the facilities, or make unreasonable alterations to the
26 dealership premises.
- 27 4.9. Discriminate in the prices charged for automobiles or trucks of like grade and quality
28 sold by automobile or truck manufacturers to similarly situated automobile or truck
29 retailers. This prohibition does not prevent the use of differentials that solely make due
30 allowance for differences in the cost of manufacture, sale, or delivery or for differing

1 methods or quantities in which the automobiles or trucks are sold or delivered by the
2 manufacturer, wholesaler, or distributor.

3 10. Refuse or fail to offer any incentive program, bonus payment, holdback margin, or any
4 other mechanism that effectively lowers the net cost of a vehicle to any franchised
5 dealer in this state if the incentive, bonus, or holdback is available or made to one or
6 more same line-make dealers in this state.

7 5-11. Attempt or threaten to terminate, cancel, or fail to renew, or substantially change the
8 competitive circumstances of the dealership contracts for any reason other than the
9 failure of the automobile or truck retailer to comply with the terms of the contract
10 between the parties, if the attempt or threat is based on the results of a circumstance
11 beyond the retailer's control, including a natural disaster in the dealership market area
12 or a labor dispute.

13 12. Require a dealer in this state to enter any agreement to assent to a release,
14 assignment, novation, waiver, or estoppel in which a dealer relinquishes any rights
15 under this state's law, or which would relieve any person from liability imposed by this
16 state's law unless done in connection with a settlement agreement to resolve a matter
17 between a manufacturer and the dealer. The settlement agreement must be entered
18 voluntarily for separate and valuable consideration, and the renewal, reinstatement, or
19 continuation of a franchise agreement alone does not constitute separate and valuable
20 consideration.

21 13. Require any dealer in this state to enter any agreement with the manufacturer or any
22 other party which requires the law of another jurisdiction to apply to any dispute
23 between the dealer and manufacturer, requires that the dealer bring an action against
24 the manufacturer in a venue outside of this state, in any way purports to waive any
25 dealer's right to have all of this state's statutory and common law apply, shortens or
26 otherwise modifies or eliminates any dealer's right to resolve any dispute with a
27 manufacturer in a state or federal court in this state, or requires the dealer to agree to
28 arbitration or waive its rights to bring a cause of action against the manufacturer,
29 unless done in connection with a settlement agreement to resolve a matter or pending
30 dispute between a manufacturer and the dealer. This settlement agreement must be
31 entered voluntarily for separate and valuable consideration and renewal.

1 reinstatement, or continuation of a franchise agreement alone is not separate and
2 valuable consideration.

3 **SECTION 3.** Section 51-07-02.4 of the North Dakota Century Code is created and enacted
4 as follows:

5 **51-07-02.4. Warranty and incentive claims.**

6 1. A manufacturer may not conduct a warranty or incentive audit or seek a chargeback
7 on a warranty or incentive payment more than one year after the date of that warranty
8 or incentive payment.

9 2. A manufacturer may not charge back a dealer for an incentive or warranty payment
10 unless the manufacturer can satisfy its burden of proof that the dealer's claim was
11 false, fraudulent, or the dealer did not substantially comply with the reasonable written
12 procedures of the manufacturer.

13 3. The audit and chargeback provisions of this section apply to all other incentive and
14 reimbursement programs that are subject to audit by the manufacturer. This section
15 does not apply to fraudulent claims.

16 **SECTION 4. APPLICATION.** This Act applies to all dealership agreements in effect on the
17 effective date of this Act which do not have an expiration date and which are continuing
18 contracts and all other contracts entered, amended, or renewed on or after the effective date of
19 this Act. A contract in effect on the effective date of this Act, which by its terms will terminate on
20 a date after that date and which is not renewed, is governed by the law as it existed before the
21 effective date of this Act.

22 **SECTION 5. EMERGENCY.** This Act is declared to be an emergency measure.
