25 forth the allegations upon which the action is based, as well as a specification of the
26 issues to be considered and determined.
- 27 5. If a written response contesting the allegations is not received by the board within
28 twenty days of the date that the notice of disciplinary action was received or refused,
29 the allegations may be deemed admitted and disciplinary sanctions deemed
30 appropriate by the board must be imposed.

1 6. The board may at any time enter an informal resolution to resolve the complaint or
2 disciplinary action.

3 7. An appeal from the board's final decision may be taken in accordance with chapter

5 **43-57-16.43-57-10. Disciplinary proceedings - Cost of prosecution.**

6 In any order or decision issued by the board in resolution of a disciplinary proceeding in
7 which disciplinary action is imposed against a licensee, the board may direct the licensee to pay
8 the board a sum not to exceed the reasonable and actual costs, including reasonable attorney's
9 fees, incurred by the board in the investigation and prosecution of the case. When applicable,
