B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

Section 2 of the bill reduces the financial institutions tax rate from 7% to 6.5%. Only the state general fund share of the tax revenue is impacted by this change, resulting in a reduction in state general fund revenues of approximately \$2.125 million for the 2011-13 biennium.

Section 6 of the bill reduces all existing corporation income tax rates by 19.5%. This rate reduction is expected to result in a reduction in state general fund revenues of approximately \$25 million for the 2011-13 biennium.

Section 7 of the bill reduces all individual income tax rates by 17.9%. This is expected to reduce state general fund revenues approximately \$120 million in the 2011-13 biennium.

Section 13 provides a general fund appropriation of \$341.790 million to the superintendent of public instruction for grants to school districts under the mill levy reduction program. The Department of Public Instruction concurs that this appropriation is adequate to make the required grants to school districts. Expenditures will increase by this amount.

Section 14 transfers \$295 million from the property tax sustainability fund to the general fund on July 1, 2011. This transfer is not reflected in the state general fund revenues shown above.
