FIRST ENGROSSMENT

Sixty-third Legislative Assembly of North Dakota

ENGROSSED HOUSE BILL NO. 1175

Introduced by

Representatives Porter, Bellew, J. Nelson

Senators Carlisle, Dever, O'Connell

- 1 A BILL for an Act to create and enact a new chapter to title 23 of the North Dakota Century
- 2 Code, relating to an acute cardiovascular emergency medical system; to provide a statement of
- 3 legislative intent; and to provide a continuing appropriation.

4 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- 5 **SECTION 1.** A new chapter to title 23 of the North Dakota Century Code is created and 6 enacted as follows:
- 7 Definitions.
- 8 As used in this chapter:
- 9 <u>1. "Department" means the state department of health.</u>
- 10 2. "STEMI" means ST-elevation myocardial infarction.
- 11 <u>Acute cardiovascular emergency medical system Duties of state department of</u>
- 12 <u>health Continuing appropriation.</u>
- 13 <u>1. Following consultation with and receipt of a recommendation of the acute</u>
- 14 <u>cardiovascular emergency medical system of care advisory committee, the</u>
- department shall establish and maintain a comprehensive emergency cardiovascular
- medical system for the state. The system must include standards for the following
- 17 components:
- 18 <u>a.</u> A system plan.
- b. <u>Prehospital emergency medical services.</u>
- 20 <u>c. Hospitals, for which the standards must include:</u>
- 21 (1) <u>Standards for designation, redesignation, and dedesignation of receiving</u>
 22 and referring centers.
- 23 (2) Standards for evaluation and quality improvement programs for designated
- 24 <u>centers.</u>

I		(3)	Rec	ognition of a nospital as a STEIVII receiving center or as a STEIVII
2			<u>refe</u>	rring center. In making such recognition, the standards much include
3			cons	sideration of whether the hospital is:
4			<u>(a)</u>	Accredited as a mission: lifeline STEMI receiving center or mission:
5				lifeline STEMI referring center by the society of cardiovascular patient
6				care and the American heart association accreditation process; or
7			<u>(b)</u>	Accredited by a department-approved, nationally recognized
8				organization that provides mission: lifeline STEMI receiving center
9				and mission: lifeline STEMI referring center accreditation or a
10				substantive equivalent.
11		<u>d.</u> Sy	stem re	egistries, for which the components must include a plan for achieving
12		continuous quality improvement in the quality of care provided under the		
13		statewide system, including for STEMI response and treatment.		
14		(1)	<u>In in</u>	nplementing this plan, the department shall maintain a statewide STEMI
15			<u>hear</u>	t attack database that aggregates information and statistics on heart
16			atta	ck care. The department shall utilize the ACTION registry-get with the
17			guid	elines data platform, or other equivalent platform.
18		<u>(2)</u>	To th	ne extent possible, the department shall coordinate with national
19			<u>volu</u>	ntary health organizations involved in STEMI heart attack quality
20			<u>impr</u>	ovement to avoid duplication and redundancy.
21		<u>(3)</u>	Des	ignated receiving centers shall participate in the registry and shall pay
22			asso	ociated fees charged by the department.
23	<u>2.</u>	The proceedings and records of the program are not subject to subpoena, discovery,		
24		or introduction into evidence in any civil action arising out of any matter that is the		
25		subject of consideration by the program.		
26	<u>3.</u>	The department shall charge designated receiving centers a system registries fee for		
27		licensing and administration of the database. The department shall deposit fees		
28		collected under this subsection in the operating fund and these moneys are		
29		appropriated as a standing and continuing appropriation to the department for the		
30		purpose of funding the system registries.		

1 Acute cardiovascular emergency medical system of care advisory committee.

- 1. The state health officer shall appoint the members of the acute cardiovascular emergency medical system of care advisory committee. The state health officer, or the officer's designee, is an ex officio member of the advisory committee. The state health officer shall appoint to the committee members who represent referring and receiving hospitals, physicians who treat patients, and members who represent emergency medical services operations that provide services in rural and urban areas of the state.
 Members of the acute cardiovascular emergency medical system of care advisory committee serve at the pleasure of the state health officer.
 - 2. The purpose of the acute cardiovascular emergency medical system of care advisory committee is to advise the department on the establishment of an effective system of acute cardiovascular emergency care throughout the state and to take steps to ensure and facilitate the implementation of the system of acute cardiovascular emergency care. The advisory committee shall:
 - a. Encourage sharing of information and data among health care providers on ways
 to improve the quality of care of acute cardiovascular patients in this state.
 - <u>b.</u> Facilitate the communication and analysis of health information and aggregate
 data among health care professionals providing care for acute cardiovascular
 events.
 - c. Advise the department on how best to require the application of evidence-based treatment guidelines regarding the transitioning of patients to community-based followup care in hospital outpatient, physician office, and ambulatory clinic settings for ongoing care after hospital discharge following acute treatments.
 - d. Develop and advise the department to adopt a data oversight process and plan for achieving continuous quality improvement in the quality of care provided under the system of acute cardiovascular emergency care. The plan must be based on aggregate data analysis and the identification of potential interventions to improve heart attack care in geographic areas or regions of the state.
 - e. Recommend improvements for acute cardiovascular emergency medical system response.

- A physician serving as a member of the acute cardiovascular emergency medical
 system of care advisory committee is immune from professional liability in providing
 the advisory committee with voluntary medical direction.
 - 4. Except for a member of the acute cardiovascular emergency medical system of care advisory committee serving on the advisory committee in the member's capacity as a department employee and who is therefore entitled to receive reimbursement of mileage and expenses from the department, a member of the advisory committee serves without compensation or reimbursement of mileage and expenses from the department but may receive compensation and reimbursement from the advisory committee member's employer or sponsoring entity.

Standard of care.

This chapter is not a medical practice guideline and may not be used to restrict the authority of a hospital to provide services for which the hospital has been licensed. This chapter must be interpreted to recognize that all patients should be treated individually based on each patient's needs and circumstances.

SECTION 2. FULL-TIME EQUIVALENT POSITION. This Act does not create any new full-time equivalent positions. The state department of health shall use full-time equivalent positions included in section 1 of Senate Bill No. 2004 of the sixty-third legislative assembly to carry out the provisions of this Act.
