4 Dakota Century Code, relating to the property tax exemption for property owned by institutions  
5 of public charity; and to provide an effective date.

6 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

7 **SECTION 1. AMENDMENT.** Subsection 8 of section 57-02-08 of the North Dakota Century  
8 Code is amended and reenacted as follows:

10 nursing homes licensed pursuant to section 23-16-01 under the control of religious or  
11 charitable institutions, used wholly or in part for public charity, together with the land  
12 actually occupied by such institutions not leased or otherwise used with a view to  
13 profit.
- 14 a. The exemption provided by this subsection includes any dormitory, dwelling, or  
15 residential-type structure, together with necessary land on which such structure is  
16 located, owned by a religious or charitable organization recognized as tax  
17 exempt under section 501(c)(3) of the United States Internal Revenue Code  
18 which is occupied by members of said organization who are subject to a religious  
19 vow of poverty and devote and donate substantially all of their time to the  
20 religious or charitable activities of the owner.
- 21 b. ~~For purposes of this subsection and section 5 of article X of the Constitution of~~

23 ~~or other public purposes if that property is residential rental units leased to~~

1           tenants based on income levels that enable the owner to receive a federal-  
2           low-income housing income tax credit.

3           **SECTION 2.** A new subsection to section 57-02-08 of the North Dakota Century Code is  
4 created and enacted as follows:

5           All residential rental property, inclusive of land and administrative and auxiliary  
6           buildings, used as affordable housing shall be exempt from taxation for the property's  
7           period of affordability.

8           a.   The property is exempt under this section if the housing finance agency certifies  
9           to the county director of tax equalization that on January 1, 2013, or thereafter,  
10           the residential rental property complies with the following:

11           (1) The property is subject to and in compliance with a land use restriction  
12           agreement that enumerates the mandatory income and rent restrictions;

13           (2) The property is owned by a qualified nonprofit entity, as defined in section 2  
14           of the Internal Revenue Code [26 U.S.C. 421]. If under a partnership  
15           agreement or other legally enforceable instrument, a for-profit entity, such  
16           as a limited partner, has an ownership interest in the property, then the  
17           agreement must provide that the nonprofit entity must have the right of first  
18           refusal in any transfer of the ownership interest in the property. The  
19           partnership agreement or other legally enforceable instrument also must  
20           provide that any transfer of the ownership interest by the for-profit entity  
21           must be without financial gain; and

22           (3) The general partner or other ownership entity is owned or controlled by a  
23           nonprofit entity or a political subdivision.

24           b.   For projects beginning after December 31, 2012, the exemption begins for the  
25           first taxable year after the owners of the rental property receive a building permit  
26           from the local jurisdiction in which the affordable housing residential rental  
27           property will be located.

28           c.   If part of the residential rental property is not eligible to receive assistance  
29           through local, state, or federal affordable housing programs, the exemption under  
30           this section is calculated by dividing the number of income and rent-restricted  
31           units by the total number of rental units.

- 1           d. In lieu of the ad valorem taxes that would otherwise be assessed, the project  
2           owners shall make a payment equal to five percent of the balance of the total  
3           annual rents collected during the preceding calendar year, minus the utility costs  
4           for the property paid by the owner of the property.
- 5           e. If an affordable housing rental property fails to comply with the requirements of  
6           this section, or fails to comply with rent and household income restrictions under  
7           a local, state, or federal affordable housing program, on or before March fifteen of  
8           each calendar year, the housing finance agency shall notify the director of tax  
9           equalization and the state supervisor of assessments that the property is no  
10          longer eligible for the exemption.
- 11          f. For the purposes of this subsection, "affordable housing" includes property  
12          eligible for or receiving assistance through a local, state, or federal affordable  
13          housing program and in which rent and household income restrictions apply, and  
14          which is owned by nonprofit entities organized for the purpose of providing  
15          affordable housing. Affordable housing is limited to residential rental property  
16          owned by or with a controlling ownership or management interest by an  
17          organization organized and operated exclusively for exempt purposes set forth in  
18          section 501(c)(3) of the Internal Revenue Code [26 U.S.C. 501(c)(3)].

19           **SECTION 3. EFFECTIVE DATE.** This Act is effective for taxable years beginning after  
20    December 31, 2012.
