 Bill/Resolution No.: HB 1323

<b>Cities</b>		\$(82,317)	\$(39,403)
<b>School Districts</b>			
<b>Townships</b>		\$(17,780)	\$(8,511)

- 2 A. **Bill and fiscal impact summary:** *Provide a brief summary of the measure, including description of the provisions having fiscal impact (limited to 300 characters).*

This bill requires NDDOT to issue “patriotic” motor vehicle plates.

- B. **Fiscal impact sections:** *Identify and provide a brief description of the sections of the measure which have fiscal impact. Include any assumptions and comments relevant to the analysis.*

While it is not possible to fully determine the impact this bill will have as we don’t know how many people will choose to purchase a patriotic license plate, we can estimate a fiscal impact based on an assumed scenario. These assumptions are listed in the accompanying attachments. Note that the impact to investment earnings from the Veteran’s Postwar Trust Fund was not included in the scenario as this impact will likely be minimal. Please see the accompanying attachments for the calculation of the fiscal effects.

3. **State fiscal effect detail:** *For information shown under state fiscal effect in 1A, please:*

- A. **Revenues:** *Explain the revenue amounts. Provide detail, when appropriate, for each revenue type and fund affected and any amounts included in the executive budget.*

Please see schedules 3 – 5 on the accompanying attachments for the calculation of the revenue effects.

- B. **Expenditures:** *Explain the expenditure amounts. Provide detail, when appropriate, for each agency, line item, and fund affected and the number of FTE positions affected.*

Please see schedules 1 - 2 on the accompanying attachments for the calculation of the expenditure effects.

- C. **Appropriations:** *Explain the appropriation amounts. Provide detail, when appropriate, for each agency and fund affected. Explain the relationship between the amounts shown for expenditures and appropriations. Indicate whether the appropriation is also included in the executive budget or relates to a continuing appropriation.*

NDDOT would require an additional appropriation of \$2,866,556 for the 2013-2015 biennium to cover the requirements of this bill.
