2 Century Code, relating to certification of delegates to a convention of the states to amend the  
3 United States Constitution; and to provide a penalty.

4 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

5 **SECTION 1.** A new section to chapter 54-03 of the North Dakota Century Code is created  
6 and enacted as follows:

7 **Certification of delegates to United States convention of the states - Penalty.**

- 8 1. If an interstate convention is called pursuant to article V of the United States  
9 Constitution, the legislative assembly or an official designated by the legislative  
10 assembly shall certify each delegate and alternate delegate from the state to the  
11 convention and provide a written copy of the certification to each delegate and  
12 alternate delegate and to the convention. If a delegate is ineligible or unwilling to serve  
13 as a delegate at the convention, the legislative assembly or the official designated by  
14 the legislative assembly shall certify an alternate delegate to replace the delegate and  
15 immediately provide a copy of the certification to the delegate and the convention.
- 16 2. If a delegate is rendered ineligible to serve under subsection 4, the delegate's  
17 certification must provide notice to the convention that any vote or other action taken  
18 by that delegate should be considered void.
- 19 3. An individual who has not been certified under this section may not serve as a  
20 delegate at the convention.
- 21 4. As a condition of being eligible for consideration or selection as a delegate or alternate  
22 delegate, each delegate and alternate delegate shall, execute the following oath:

1 I do solemnly swear or affirm that I will, to the best of my abilities, support the United  
2 States Constitution and the Constitution of North Dakota and I will not vote to allow  
3 consideration of or consider or approve any unauthorized amendment proposed for  
4 ratification to the United States Constitution. I understand that a violation of this oath  
5 will result in my being rendered ineligible to serve as a delegate at the convention as  
6 well as subject me to additional penalties under the laws of the North Dakota.

7 5. A delegate at the convention may not vote to allow consideration of or consider or  
8 approve any unauthorized amendment. An "unauthorized amendment" means:

9 a. A proposed amendment that varies from the exact text of the amendment  
10 contained in the application made by the legislative assembly which limits the  
11 convention to approving or disapproving that exact text or, if the legislative  
12 assembly did not make the application, the exact text of the amendment  
13 contained in the applications relied on by the United States Congress in calling  
14 the convention if the application contains exact text for a proposed amendment;

15 or

16 b. A proposed amendment that is outside the permitted subject matter of the  
17 application made by the legislative assembly or, if the legislative assembly did not  
18 make the application, the permitted subject matter of the applications relied on by  
19 the United States Congress in calling the convention and as the subject matter  
20 may be further defined by the legislative assembly or an official designated by the  
21 legislative assembly in instructions adopted by the legislative assembly by  
22 concurrent resolution and provided to each delegate and alternate delegate.

23 6. The legislative assembly or an official designated by the legislative assembly shall  
24 provide guidance upon the request of any delegate or alternate delegate as to whether  
25 a proposed amendment is within the permitted subject matter of the convention.

27 section must be rendered ineligible to continue to serve as a delegate and must be  
28 immediately removed from office and replaced by an alternate delegate as provided  
29 under this section. A vote cast by a delegate at a convention which is in violation of  
30 this section is void.

31 8. A delegate who knowingly and willfully violates this section is guilty of a class C felony.
