WORKFORCE SAFETY & INSURANCE
2015 LEGISLATION
SUMMARY OF ACTUARIAL INFORMATION

BILL NO: HB 1317

BILL DESCRIPTION: PTSD Coverage

SUMMARY OF ACTUARIAL INFORMATION: Workforce Safety & Insurance, together with its actuarial firm, Bickerstaff, Whatley, Ryan & Burkhalter Consulting Actuaries, has reviewed the legislation proposed in this bill in conformance with Section 54-03-25 of the North Dakota Century Code.

The proposed bill provides benefits for posttraumatic stress disorder sustained by first responders, including full-time paid firefighters, full-time paid law enforcement officers, and full-time paid emergency medical services personnel; requires the condition causing the posttraumatic stress disorder to be extraordinary and unusual when compared to the normal conditions of the particular employment; limits disability benefits to no more than twenty-six weeks; and limits all other benefits to \$15,000.

FISCAL IMPACT: Not quantifiable. We don't anticipate that the proposed legislation will have a material impact on statewide premium rate levels; however, rates for the specific first responder classifications may increase over time as a result of the expanded coverage. To what extent is unclear as we don't have access to an appropriate base of historical experience to use in deriving the estimates.
