Legislative Management

(Water Topics Overview Committee)

- 1 A BILL for an Act to amend and reenact subsection 1 of section 57-51.1-07 of the North Dakota
- 2 Century Code, relating to state water commission use of funding from the resources trust fund.

3 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

- SECTION 1. AMENDMENT. Subsection 1 of section 57-51.1-07 of the North Dakota
 Century Code is amended and reenacted as follows:
 - Twenty percent must be allocated and credited to the sinking fund established for payment of the state of North Dakota water development bonds, southwest pipeline series, and any moneys in excess of the sum necessary to maintain the accounts within the sinking fund and for the payment of principal and interest on the bonds must be credited to a special trust fund, to be known as the resources trust fund. The resources trust fund must be established in the state treasury and the funds therein must be deposited and invested as are other state funds to earn the maximum amount permitted by law which income must be deposited in the resources trust fund. Five percent of the amount credited to the resources trust fund must be transferred no less than quarterly into the renewable energy development fund, not to exceed three million dollars per biennium. One-half of one percent of the amount credited to the resources trust fund must be transferred no less than quarterly into the energy conservation grant fund not to exceed one million two hundred thousand dollars per biennium. The principal and income of the resources trust fund may be expended only pursuant to legislative appropriation and are available to:
 - a. The state water commission for planning for and construction of water-related projects, including rural water systems. These water-related projects must be those which the state water commission has the authority to undertake and construct pursuant tounder chapter 61-02; and. However, the principal and
