11			determined under this section;
12		C.	"Calculated mill rate" means the mill rate that results from dividing the base year-
13			taxes levied by the sum of the taxable value of the taxable property in the base-
14			year plus the taxable value of the property exempt by local discretion or
15			charitable status, calculated in the same manner as the taxable property; and
16		d.	"Property exempt by local discretion or charitable status" means property-

23		levy	y under this section must be specifically approved by a resolution approved by the
24		gov	erning body of the taxing district. Before determining the levy limitation under this
25		sec	tion, the dollar amount levied in the base year must be:
26		a.	Reduced by an amount equal to the sum determined by application of the base
27			year's calculated mill rate for that taxing district to the final base year taxable
28			valuation of any taxable property and property exempt by local discretion or-

10			approval of electors for an extension under subsection 2 of section 57-64-03.
11		d.	Increased, for a school district determining its levy limitation under this section,

18			grant under section 57-64-02 for the base year.
19	4.	In a	ddition to any other levy limitation factor under this section, a taxing district may-
20		incre	ease its levy in dollars to reflect new or increased mill levies authorized by the
21		legis	slative assembly or authorized by the electors of the taxing district.
22	5.	Und	er this section a taxing district may supersede any applicable mill levy limitations-
23		othe	erwise provided by law, or a taxing district may levy up to the mill levy limitations

30	6.	A sc	shool district choosing to determine its levy authority under this section may apply
31		subs	section 3 only to the amount in dollars levied for general fund purposes under-

1		sec	tion 57-15-14 or, if the levy in the base year included separate general fund and
2		spe	cial fund levies under sections 57-15-14 and 57-15-14.2, the school district may
3		app	ly subsection 3 to the total amount levied in dollars in the base year for both the
4		gen	eral fund and special fund accounts. School district levies under any section other
5		thar	n section 57-15-14 may be made within applicable limitations but those levies are
6		not	subject to subsection 3.
7	7.	Opt	ional levies under this section may be used by any city or county that has adopted
