13       alphanumeric identification number within twenty calendar days of approving the  
14       updated information and the cardholder shall pay a twenty-five dollar fee. If a

16       ineligible, the registration card immediately becomes void.
- 17       10. A compassion center shall notify the department in writing within two calendar days of

21 Except as provided in sections 19-24-30 and 19-24-32:

22 1. A registered qualifying patient is not subject to arrest or prosecution for the acquisition,

27 caregiver is connected to the registered qualifying patient through the  
28 department's registration process.

29 b. For receiving compensation for costs associated with assisting a registered

3           3. It is presumed a registered qualifying patient is engaged in, or a registered designated  
4           caregiver is assisting with, the acquisition, use, or possession in accordance with this  
5           chapter if the registered qualifying patient or registered designated caregiver is in  
6           possession of a valid registry identification card and is in possession of usable  
7           marijuana in an amount that does not exceed what is authorized under this chapter.

8           This presumption may be rebutted by evidence the conduct related to acquisition, use,

10          registered qualifying patient's debilitating medical condition under this chapter.

11          4. A person is not subject to arrest or prosecution, for being in the presence or vicinity of  
12          the medical use of marijuana under this chapter.

13          5. A manufacturing facility is not subject to prosecution, search or inspection, or seizure,

23          chapter to:

24           a. Acquire, possess, deliver, transfer, transport, supply, sell, or dispense usable  
25           marijuana or related supplies and educational materials to registered qualifying  
26           patients and designated caregivers; or

28           marijuana facility in accordance with this chapter.

29          7. A registered compassion center agent is not subject to arrest or prosecution for  
30          working or volunteering for a compassion center if the action performed by the

1 compassion center agent on behalf of the compassion center is authorized under this  
2 chapter.

3 8. The medical use of marijuana by a registered cardholder or the manufacturing and  
4 dispensing of marijuana by a compassion center is lawful if in accordance with this

17 1. Undertaking an activity under the influence of marijuana if doing so would constitute  
18 negligence or professional malpractice.

19 2. Possessing or consuming usable marijuana:

3           **SECTION 33.** Section 19-24-33 of the North Dakota Century Code is created and enacted

28           d. Consumption of usable marijuana is limited to a place specified by the facility.

29           2. A facility listed in subsection 1 may not unreasonably limit a registered qualifying
