Sixty-fifth Legislative Assembly of North Dakota

## FIRST ENGROSSMENT with House Amendments ENGROSSED SENATE BILL NO. 2313

Introduced by

Senator Unruh

**Representative Porter** 

1 A BILL for an Act to create and enact a new section to chapter 4-01 of the North Dakota Century

2 Code, relating to a wind energy restoration and reclamation oversight program; to amend and

3 reenact sections 49-02-34 and 49-22-05.1 of the North Dakota Century Code, relating to annual

4 reports on meeting renewable and recycled energy objectives and exclusion areas for wind

5 energy conversion facilities; to provide a statement of legislative intent; and to provide for

6 application.

## 7 BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

8 **SECTION 1.** A new section to chapter 4-01 of the North Dakota Century Code is created

9 and enacted as follows:

## 10 Wind energy restoration and reclamation oversight program.

- 11 <u>1.</u> <u>The agricultural commissioner shall establish a program that provides technical</u>
- assistance and support to property owners on wind property restoration and followup
  support to property owners on wind property reclamation.
- 14 <u>2.</u> <u>The agricultural commissioner may contract for ombudsmen for purposes of being a</u>
- 15 resource for technical assistance and followup on wind property issues. The

16 <u>ombudsmen may not investigate or assist in any easement negotiations.</u>

- 17 <u>3.</u> <u>The program may provide technical education, support, and outreach on wind-related</u>
  18 <u>matters in coordination with other entities.</u>
- <u>19</u> <u>4.</u> <u>The agricultural commissioner may contract with local individuals, deemed trustworthy</u>
  <u>by property owners, to be ombudsmen. The agricultural commissioner is not subject to</u>
- 21 <u>chapter 54-44.4 when contracting for the services of ombudsmen.</u>

22 SECTION 2. AMENDMENT. Section 49-02-34 of the North Dakota Century Code is

23 amended and reenacted as follows:

Sixty-fifth Legislative Assembly

| 1  | 49-0  | 02-34. Public reporting on progress toward meeting the renewable energy and                       |
|----|---|---|
| 2  | recycle   | d energy objective.   |
| 3  | Con   | nmencing on June 30, 2009, retail providers shall report annually on the provider's               |
| 4  | previous  | s calendar year's energy sales. This report must include information regarding qualifying         |
| 5  | electrici   | ty delivered and renewable energy and recycled energy certificates purchased and                  |
| 6  | retired a   | as a percentage of annual retail sales and a brief narrative report that describes steps          |
| 7  | taken to  | meet the objective over time and identifies any challenges or barriers encountered in             |
| 8  | meeting the objective. The last annual report must be made on June 30, 2016. Retail providers   |   |
| 9  | shall report to the public service commission, which shall make data and narrative reports      |   |
| 10 | publicly available and accessible electronically on the internet. Distribution cooperatives may |   |
| 11 | aggrega   | te their reporting through generation and transmission cooperatives and municipal                 |
| 12 | utilities I   | may aggregate their reporting through a municipal power agency.                                   |
| 13 | SEC   | CTION 3. AMENDMENT. Section 49-22-05.1 of the North Dakota Century Code is                        |
| 14 | amended and reenacted as follows:   |   |
| 15 | 49-2  | 22-05.1. Exclusion and avoidance areas - Criteria.  |
| 16 | <u>1.</u>   | The commission shall develop criteria to be used in identifying exclusion and                     |
| 17 |   | avoidance areas and to guide the site, corridor, and route suitability evaluation and             |
| 18 |   | designation process. The criteria also may include an identification of impacts and               |
| 19 |   | policies or practices which may be considered in the evaluation and designation                   |
| 20 |   | process.  |
| 21 | <u>2.</u>   | Except for transmission lines in existence before July 1, 1983, areas within five                 |
| 22 |   | hundred feet [152.4 meters] of an inhabited rural residence must be designated                    |
| 23 |   | avoidance areas. This criterion does not apply to a water pipeline. The five hundred              |
| 24 |   | foot [152.4 meter] avoidance area criteria for an inhabited rural residence may be                |
| 25 |   | waived by the owner of the inhabited rural residence in writing. <del>The criteria may also</del> |
| 26 |   | include an identification of impacts and policies or practices which may be considered            |
| 27 |   | in the evaluation and designation process.  |
| 28 | <u>3.</u>   | Areas less than one and one-tenth times the height of the turbine from the property               |
| 29 |   | line of a nonparticipating landowner and three times the height of the turbine from an            |
| 30 |   | inhabited rural residence of a nonparticipating landowner, must be excluded in the                |
| 31 |   | consideration of a site for a wind energy conversion area, unless a variance is                   |

Sixty-fifth Legislative Assembly

| 1  | granted. A variance may be granted if an authorized representative or agent of the        |  |
|----|---|--|
| 2  | permittee and affected parties with associated wind rights file a written agreement       |  |
| 3  | expressing the support of all parties for a variance to reduce the setback requirement    |  |
| 4  | in this paragraph. A nonparticipating landowner is a landowner that has not signed a      |  |
| 5  | wind option or an easement agreement with the permittee of the wind energy                |  |
| 6  | conversion facility as defined in chapter 17-04. A local zoning authority may require     |  |
| 7  | setback distances greater than those required under this subsection. For purposes of      |  |
| 8  | this subsection, "height of the turbine" means the distance from the base of the wind     |  |
| 9  | turbine to the turbine blade tip when it is in its highest position.                      |  |
| 10 | SECTION 4. LEGISLATIVE INTENT - WIND ENERGY RESTORATION AND                               |  |
| 11 | RECLAMATION OVERSIGHT PROGRAM. It is the intent of the sixty-fifth legislative assembly   |  |
| 12 | that the agriculture commissioner establish the wind property restoration and reclamation |  |
| 13 | oversight program, created in section 1 of this Act, using existing operating funds.      |  |
| 14 | SECTION 5. APPLICATION. Section 3 of this Act applies only to projects that have applied  |  |
| 15 | for a certificate of site compatibility after December 31, 2017.                          |  |
